Following papers attached in support of L or D claim:

- (1) Original B/L.
- X (2) Original E/B with railroad agent's notation of Loss or Damage, or Settlement and check number reference where same can be found.
- X (3) In absence of railroad agent's notation of loss or damage on E/B, furnish an Exception Report signed by the destination agent, or in lieu thereof furnish affidavit.
- (4) Freight or express bills covering charges paid on shipments to repair or replace lost or damaged goods, or full information where same can be found.
- (5) Invoice covering labor or expense incurred in connection with the damage, showing number of hours and rate per hour.
- (6) Advise salvage allowance to be made the carriers for the damaged parts. If of no value, deliver damaged parts to the local railroad agent, securing his receipt which should be attached to the claim.
- X (7) All other documents or proof to substantiate any items in claim.
- (8) Be sure the invoice describes nature of claim, whether loss, damage or shortage, and in addition to catalog numbers show catalog description of parts. Original E/B is all that is needed ordinarily to support overcharge claims.
