To Whomsoever It May Concern:-

I have personally known George F. Ely ever since he was a small boy. He was raised within a mile of me. I have had occasion to see and meet him perhaps on an average twice a week for the last three or four years. He was awa from this town for a while. I can say truthfully, I have never seen, or heard of any dishonorable conduct. I deem him honest, upright and reliable, and I think that is his general reputation now and has been all his life.

Yours very truly,

E. W. Pennington
