

A. E. D. -

Tract #19 - Clay 94.79 Ac.

Please note attached and let me have a print showing relative location, with adjacent property.

Have you any record in your file as to whether ownership has ever been questioned in the past?

How about deed from Branson to his wife being recorded?

Anything to the story that you know of?

W. V. W.

2/16/35

Alma

I never heard of any claim by any one until I read the information you have here
