BENHAM, KY. April 16, 1919.

Mr. W. I. Converse, Engineer,
Chicago, West Pullman & Southern R. R. Co.,
Chicago, Illinois.

Dear Sir:- RAILROAD SWITCH FOR BENHAM MINE NO. 2.

Yesterday we mailed to you under separate cover, complete set of blue prints on the above subject with all revisions to date.

Today we received one shipment of 85# rail. Please get in touch with the Purchasing Dept. and see if they can't rush balance of shipment of the 80# rail from the Illinois Steel Co. P.O. #81445.

Base plates have not been received to date. No work today on account of rain.

Yours very truly,

WISCONSIN STEEL COMPANY, INC.
