ADDRESS ALL CORRESPONDENCE TO
INDUSTRIAL ACCIDENT DEPARTMENT
HARVESTER BUILDING
(THIRTEENTH FLOOR)

CHICAGO, April 1, 1912.

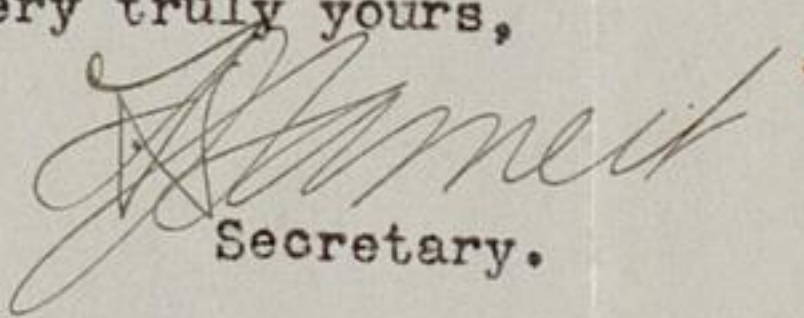

Mr. W. C. Tucker,
Supt. Coal & Coke Works,
Wisconsin Steel Company,
Benham, Ky.

Dear Sir:-

ACCIDENT REPORTS FOR JUDGE SAMPSON

Your communication under date of March 20, 1912, addressed to Mr. F. R. Gadd, has been referred to the writer for reply. We believe that your idea in the matter is the proper one; viz., there is no necessity for burdening Judge Sampson with copies of all accident reports and we are quite willing to be governed by your judgment as to what reports should be referred to the Judge and when it may seem necessary to consult with him in connection with any accident.

Very truly yours,

Secretary.

HJS-H.
