

Mary Breckinridge Festival

by Barb Gibson

The Mary Breckinridge Festival this year was held September 27 - October 2 with lots of activities including a Community Picnic held in the parking lot of the Hospital. Members of the community and FNS employees enjoyed wonderful food together. The highlight of this year's Festival was the return of Molly Lee from England, to act as Grand Marshall of the parade. Miss Lee, former FNS Nurse-Midwife, made her visit to Hyden a long one, seeing old friends and familiar places. Miss Lee worked in Hyden at different intervals from 1955 - 1982 and is well known throughout FNS. I am an FNS baby delivered by Miss Lee in 1957!
