Wednesday P.M.

Dear Rose & Lew -

Between listening to Fred Allen & concentrating on this piece of literature, I don't know which I'm doing the worst. While I'm on the subject of Fred Allen's program, here comes Dipsy Doodle. I don't care, I like it anyhow, don't you? Yeah man.

You know that book - idea of the kids isn't a bad idea. Keep it up kids, you're doing alright.

I bet you really had fun on your 24 hour date. If you had it to do over again would you do the same things that you did? Earl Ott - any relation to Tommy Ott - If the Jungle is any thing or looks anything like it sounds it should be an ideal place to celebrate New Years Eve. Of course don't get me wrong, but take this the wrong way. I just mean I'll bet it's cute & different.
