NATURAL AMPHITHEATRE ON CAMPUS TO BE USED IN LITTLE THEATRE PLAY

"Mid Summer Night's Dream" Will Be Produced Outdoors

IDEAL PLACE ON CAMPUS

Little Expense Needed to Convert "Hollow" into Modern Theatre

Outdoor dramatic production, which is at present passing through one of the three great epochs of its history, is increasing in popularity in the schools and colleges of America. Many of our leading universities have constructed outdoor theatres where plays, pageants and concerts are very successfully given. The ideal outdoor theatre should be built on a hill side or hollow so that the voices may be thrown toward the audience. The ideal is best brought about when the surroundings can be made beautiful and advantageous. However, the villa should not be made so beautiful that it distracts from the play.

The University of Kentucky has, on its campus, one of the most beautiful natural amphitheatres that can be found. This theatre has been untouched by improvements and in its present condition it seats 3,000 persons. Very little expense would be necessary to turn it into a beautiful outdoor theatre with modern equipment and a seating capacity of 5,000 persons. It is estimated that \$3,000 would drain the hollow, build rustic seats, terrace the slopes and build and light the stage and dressing rooms. The trees have grown in the positions in which they should be and very few of them would have to be removed. Dr. McFarland, head of the Botany De-

THETA SIGMA PHI EDITS 'YELLOW STREAK' PAPER

Women Journalists Take Humorous Crack at University Politics; "Rass" Many

"The Yellow Streak," mysteriously advertised to flash over the campus Tuesday came to pass in less than an hour after the publication issued by Theta Sigma Phi, women's honorary journalism fraternity was circulated to the students who clamored to purchase one of the small yellow "scandals" sheets. The following women, members of Theta Sigma Phi acted together as editor of the first and most sensational publication of its kind ever issued at the University: Mary Marshall McMeekin, Anna Louise Connor, Elizabeth Ellis, Georgia Lee Murphy, Elizabeth Hume, Fannie Summers Tarlton, Dixon Davidson, Louise Connell, Betty Barbour, Irene McNamara, Bertha Craft, Kitty Conroy, Mary Elizabeth James, Margaret Lavin, Helen King, Mary Gorey, Emma Lee Young, Laura Hubbard and Affie Hammond.

"The Yellow Streak" was issued as an experiment for the Department of Journalism next year, as they are contemplating issuing a monthly magazine such as "Punch Bow" and magazines issued by the larger universi-

A PART OF THE CAST IN MIDSUMMER NIGHT'S DREAM

TAU KAPPA DELTA TO HOLD INITIATION AND BANQUET

National Oratorical Fraternity Initiates New Men, May 28

The University of Kentucky chapter of Tau Kappa Alpha, national oratorical fraternity, will hold its annual initiation and banquet at the Phoenix Hotel, Monday night, May 28 at 6 p. m.

Those eligible for initiation are: G. W. Meuth, H. C. Johnson, J. W. Gillon, L. H. Liles, J. Y. Brown, present students, and Oscar Irvine, Dean of Men, University of Toledo, who represented the University of Kentucky in oratory while a student here several years ago, and will return for the special purpose of being initiated with the other candidates.

The banquet which will follow the initiation, will be informal, but a number of toasts upon appropriate subjects are being arranged for, and will be responded to on that occasion.

The active members are: J. L. Hays, S. B. Neal, James Darnell, Jr., C. M. C. Porter, Professor E. E. Fleischman, J. T. C. Noe and Professor L. J. Horlacher.

R. O. T. C. FIELD DAY TO BE HELD ON MAY 29

Winner of Individual Competitive Drill to Receive Medal

The annual field day of the R. O. T. C. Battalion of the University will be held on Stoll Field, Tuesday, May 29th, at 2 o'clock. The program which has been very attractively arranged will consist of ceremonies, demonstrations, and exhibitions of the work done by the cadets during the year. The department will conduct various booths in which the machine gun, trench mortars, sand table, field pieces and military maps will be exhibited and demonstrated. Company B, which was selected as the best company of the Battalion will give a demonstration of close order drill and of a platoon in attack.

The annual individual competitive drill will be held, two men from each platoon being entered in the contest,

(Continued on Page eight)

ANNUALS HERE NEXT WEEK

The 1923 Kentuckians will be delivered by this time next week and will be ready for distribution on the campus.

However, they can not be distributed until all pages are paid for by organizations and fraternities. The following fraternities and clubs have neglected to pay their full amount for space in the annual and they are hereby asked to attend to it within this week so that the books may be distributed. These organizations are asked to see Chas. D. Graham at once:

Alpha Gamma Epsilon
Alpha Chi Sigma
Alpha Delta Sigma
Phi Alpha Delta
Men's Student Council
Women's Pan-Hellenic Council.

Women's Administrative Council.

Women's League,
Norwood Mining Society,
A. A. E.

Freshman Engineers,
Agricultural Society,
Scribbler (Tusitalia)
Home Economics Society,
Press Club,
Hoof and Horn Club,
Patterson Literary Society,
Little Theatre,
Junior Club,
Freshman Class
Y. M. C. A.

Send checks payable to C. D. Graham.

NOTICE

The Senate Committee which has had charge of the mental tests of certain groups of students in the University this year, wishes to state that any student who has taken the Army Alpha test may find out how he stood in the test by leaving an envelope addressed to himself in the office of the Dean of his own college. The result will be sent through the University mail unless a postage stamp is attached.

TEN MEN FROM U. K. COLLEGE OF LAW PASS BAR EXAMS

Eight Varsity Men Take Oath and Receive License.

All applicants from the College of Law at the University of Kentucky passed the State Bar examination which was held at Frankfort Kentucky on April 11 and 12. Those who took the examination were: Messrs. O. W. Cain, J. S. Caudell, E. E. Dixon, J. L. Hays, G. Keon, L. F. Metzgar, R. O. Shehan, W. H. Smith, T. E. Sparks and E. S. Winters.

Only eighteen out of the twenty-five applicants made passing grades on the examination.

All the above mentioned students with the exception of Mr. Metzgar and Mr. Winters who are not in Lexington at present appeared before the Court of Appeals of Kentucky at Frankfort on May 15, at 11 a. m. and took the oath of office and received their law license.

Mr. O. S. Lee, a senior in the Law College, who was admitted to the bar last July appeared with the other seniors before the Court of Appeals.

KY. TRACK MEN IN MEET AT GEORGETOWN FRIDAY

State Contest Includes Centre, Kentucky, Georgetown, Possibly Berea and Wesleyan

The Kentucky track team takes the field for the last time this season Friday afternoon, when they meet Centre and Georgetown in the State championship meet at Georgetown. The Wildcats are in the best of condition and are ready to give their opponents a run for the state championship, which they yeasily won last year on Stoll Field.

Centre and Georgetown, according to the dope bucket, (which is so often turned over) have an edge on the Kentucky team. Both have participated in Southern meets with a fair degree of success. The Cats, however, have not shown so well in the S. I. C. meetings and will have to work hard to take the meet. Kentucky will rely on gathering a large number of second and third places, rather than carrying

(Continued on page 5.)

COLLEGE OF EDUCATION TO BE ESTABLISHED AT UNIVERSITY OF KENTUCKY

Purpose of College is Training of High School Teachers and Principals

DR. W. S. TAYLOR IS DEAN

Vocational Education To Be Included in Curriculum Specialization in Various Fields

Provision for the establishment of a College of Education and appointment of Dr. W. S. Taylor as dean, were made at a meeting of the executive committee of the University of Kentucky held yesterday morning in the office of the president, Dr. F. L. McVey.

Authorization for such a college was made by the board of trustees about a year ago, but the carrying out of the provision was delayed. The establishment of the college, which shall have as its purpose the training of teachers for high schools, principals and supervisors, was recommended by the survey commission of the state of Kentucky in its report of 1921 and is a movement long looked forward to by educators of the state.

Vocational education will be included in the curriculum of the new college, which will be organized with a staff of about 12 persons; it is expected that the further growth of the college will be along lines of more specialization in various fields.

Dr. Taylor, who will take up his duties here in September, is a Kentuckian and a graduate of the University of Kentucky in the class of 1912. He is 38 years old and will receive his Ph. D. from Columbia this spring. He has held position in the University of Texas and Pennsylvania State College. He recently had charge of one of the educational departments in the State

LITTLE THEATRE MAKES PROGRESS SINCE 1919

Workshop of Dramatic Art Has Bright Prospect For Future

Growing from a very humble but hopeful idea, the Little Theatre is this year presenting "Mid Summer Night's Dream," having passed through all the stages of producing one act plays from dramatizations to writing and giving its own productions.

The Little Theatre was established in 1919, as a laboratory workshop for developing new ideas in dramatic art, literature and music. It was organized under the management of the English department. Dr. McVey having first made possible an appropriation of University funds for building and equipping a campus theatre.

"Overtones," a one-act play by Alice Gerstenburg, given Nov. 25, 1919, marked the successful opening of the Little Theatre. Since that time dramatic performances have been encouraged, and a great deal of admirable work in the art of acting has been done on this stage. Many successful plays have been staged this year, and a bright future for the Little Theatre is prophesied by all those familiar with the past and present work of this organization.

Alumni Notes

Editor—Alumni Secretary

CALENDAR

- * Detroit, May 26. (Last Saturday)
- * —Regular) dinner, Dixieland Inn.
- * Frankfort, May 28. (Last Monday)
- * day—Regular) evening meeting.
- * Buffalo, June 9. (Second Saturday)
- * day—Regular) Outdoor meeting.
- * Lexington, June 12. Alumni Day.
- * 8 to 10 a. m., informal assemblies by Colleges.
- * 10:30 a. m. Annual Business meeting.
- * 6:30 p. m., Banquet, Phoenix Hotel.

No less than 500 alumni visitors are expected in Lexington June 12, Alumni Day of Commencement Week. The program for the annual banquet on the evening of Alumni Day, to be held in the main cafe of the Phoenix Hotel, will be announced in a few days. It should be the most elaborate in the history of the Association.

The visitors will probably be guests of the class of '23 at the Senior Ball which will follow the banquet.

The conferences of alumni, faculty and seniors will be held at headquarters of the several colleges Tuesday morning from 8 to 10:30 o'clock. The business meeting will be in chapel beginning at 11 o'clock. The re-union classes will have informal luncheons.

The second annual gridiron dinner given by Alpha Delta Sigma fraternity will be at the Phoenix Hotel Monday evening, June 11. Officers of the Alumni Association, including presidents of local clubs, have been invited. More than 100 prominent men of the State will attend the fun classic. Last year there were more who desired to attend than there were places at the banquet.

Visit University

Three hundred officers of the Reserve Corps and former officers of the army are expected for the Annual Convention May 29-30 in Lexington. Major General James H. McRae, U. S. A., and Brig. General Henry J. Reilly will be guests of honor. Major Allen W. Gullion '12, now stationed at Governor's Island, N. Y., will be one of the principal speakers.

The delegates will be guests of the University on the afternoon of May 29 for the Field Day exercises of the R. O. T. C. unit. Gen. McRae will present commissions in the Reserve Corps to fourteen seniors.

Buffalo Notes

Our regular meeting held Saturday, April 12, was one of the best of the year. It was Ladies' Day. There were 28 present at the luncheon. After luncheon, Mrs. McClanahan and Miss Linsler played the piano while the rest sang. The party broke up around 4 p. m., everybody having a very enjoyable time.

Arrangements are being made for regular outdoor meetings during the summer, basket picnics, boat rides, or

something where the whole family can attend.

O. K. Dyer will be in Louisville to attend the Derby and if possible will stop over at Lexington for a day.

Mr. and Mrs. Milward also are planning to attend the Derby and spend a few days in Lexington.

We just received the good news that Mr. Johnes and Mr. McDaniels, who graduate this year in chemistry, have accepted positions with the National Aniline Company, of this city. With these two men, we have a total of nine men from this year's graduation class located in Buffalo, with a prospect of one or two more.—G. Frankel '19, Secretary.

Harlan Notes

The coming of the Strollers to Harlan was preceded by two meetings of the alumni, which were unofficial but very productive of results. They were met by the alumni in automobiles decorated in Blue and White. All went to Ivy Hill for a picnic luncheon.

Ivy Hill is the show spot of Harlan, affording a fine view of the city and surrounding country.

A ball game was played in honor of the Strollers in the afternoon but all of them were either sleeping or working. The advance seat sale for "Lady Windermere's Fan" was very good but thirty minutes before the doors opened there was a frantic crowd in the lobby buying tickets. Immediately after the doors opened, the S. R. O. sign was hung out. Members of the cast said it was their best performance on account of the large and enthusiastic crowd.

After the play, the entire cast and stage crew (and most of the young people in town) went to the Masonic Hall where a dance had been arranged. The hall was decorated in Blue and White, by Miriam Kinchloe '22, and Elsie Rache, ex-'23. Streamers of Blue and White covered the hall and a large "K" hung from each light and "U. K." on each window.

Harlan lived up to its reputation as an exciting town at intermission. Just as the party left the hall, the siren fire alarm blew and everybody went to the fire. Ed Gans played hero by going upon another building with a hose and trying to extinguish the fire.

Wednesday morning, the party left, expressing regrets at leaving Harlan, but if they enjoyed themselves as much as the Harlan alumni did, the trip was well worth while. We believe that the trip was the biggest advertisement the University could have up here. Of course we are already planning on having the Strollers next year.—Ted McDowell, ex-'25.

ADDRESSES ARE LOST

'13 Alvin Hovey Colbert, Shimegoro Kurozawa, Roy Innis Matthews, Showdy Elbert Puckett, Luella Marton Schaffer, George Atwell Scott, Watson Aurew Sudduth.

'14 Virgil Alexander Babbage, Arthur Louis Brueckner, Harry Benjamin

Dobrowsky, Robert L. Gregory, Geo. Enoch Jones, Carl Emil Lauer, Henry Wolf Schoening, Herschel Russell Shelton.

'15

Esther Mae Bailey, Jeanette Torrence Bell, Logan Bentley Caywood, David Dallas Donohoo, Elizabeth Fearn Eldridge, Zechariah Pierce Hamilton, Melvin Hays Judd, John McGarvey Logan, Archie Xavier Pfeifer, Thomas Hart Robinson, Clarence Barbour Shoemaker, Newell Pemberton Smith, Arthur Eugene Wegert, Elizabeth Elinor White.

'16

Ralph Emerson Bitner, Norbeto Devera, Sue Hunt Frost, Logan Nourse Green, Mrs. Bessie Fogle Judd, Charles Frank Kumli, George Page Neagle, Homer Lloyd Reid.

'18

George Clifton Bradley, Constantine Georgieff, Sara Winn McConnell, Minnie Evelyn Neville, Tudor Nicholoff.

'19

Ruby Karl Diamond, William Whitfield Elliott, Mose Smith, Carl Albert Timmer.

'20

Commodore Bascom Fisher, Herbert Proctor Haley, Ruth Phyllis Hoag, William Hugh McCord, Jos. Stuart Mirsach, John Caleb Morris, Petrus F. Van der Watt, Morr's Vilcoisky, William Yourish.

'21

Reginald Ernest DeAltry, Mervin Kohn Eblen, Gustave Berry Foster, Eugene Sheridan Perry.

'22

George Wesley Benson, Carrie Louise Dwyer, James Newman Faulconer, Lafayette Brown Herring.

Betwixt Us

'82

Colonel Robert A. Burton ex-, a retired army officer, was a recent visitor in Lexington. He is now living at Danville, Ky., and will take an active part in the drive for the stadium and allied projects.

'93

James Richard Johnson, known to all older alumni as "Dick" was the first graduate of the College of Mechanical and Electrical Engineering. He was instructor in Mechanical and Electrical Engineering until 1900 and for the next five years, was assistant professor of Mathematics in the University. The next year he accepted the position of Professor of Mathematics in the University of Nevada, but returned to Kentucky after one year in the west, to accept a position in the Eastern State Normal School at Richmond as Professor of Mathematics, where he remained for several years.

For a short while he was with the Ohio & Kentucky Railroad at Cannel City, Ky., and then with the Department of Public Roads at Pineville. He returned to the University of Kentucky in December, 1919, as Professor of Applied Mechanics, College of Engineering, which position he now holds. Mrs. Johnson was Miss Nancy Smith, of Cynthia. They have one son, Vinson Johnson, who graduated in the class of '21 and is with the Anti-Corrosion Engineering Company, New York City. Professor Johnson is a Sigma Chi and always interested in the active chapter at the University. He is acting class secretary.

'94

Mrs. P. F. Kesheimer (Lille Kroesinger) is class secretary. Mrs. Kesheimer's record as an active alumna is clear and she is always most interested in all that concerns the progress of the University. Her eldest son, Eugene V. Kesheimer, is a student in the College of Engineering and the second son, Julian, is in high school. The third and youngest is a daughter, Pauline, still in the grades. The home address is 311 Madison Place, Lexington, Ky.

'01

Henry T. Bewlay went with the

IS 1-2-5 A SIGNAL?

Western Electric Company soon after receiving his B. M. E. and remained in their employ until October, 1911. In August, 1912, he accepted a position with the Ideal Electric Company, of Mansfield, Ohio, and remained with them until 1921, holding the position of chief engineer for several years. Since early in 1921 he has been chief engineer of Roth Brothers & Company, 1410 West Adams Street, Chicago, Ill.

'02

From 1902 until 1908, Chester Martin Smith was in the employ of the Buffalo Forge Company. In April, 1908, he went into the engineering department of the Western Electric Company and is now general sales superintendent at their Hawthorne Plant, Chicago, Ill. He married Miss Lida V. May in September, 1909. They are living at 415 Seventh Avenue, LaGrange, Ill.

'03

Edward C. Wurtele received his A. B. degree at the University of Kentucky in '03 and then studied law at Harvard, receiving his LL. B. in '05. He practiced law in Louisville until 1918. Since then he has been practicing in Chicago with offices in the National Life Building, 29 South LaSalle street.

'04

Henry J. Wurtele graduated in Civil Engineering in the class of '04. For several years he was division engineer with the Southern Railway Company. Since 1920 he has been assistant superintendent of transportation with the Tenn. Coal, Iron & Railway Company, Transportation Building, Ensley, Ala. He is a member of the Birmingham Alumni Club. Residence address, 2026 Twenty-sixth street, Ensley, Ala.

'05

The class secretary is Harry G. Edwards who went with the General Electric Company soon after graduating. He then farmed in Canada for a while and returned to Kentucky in 1912 and farmed near Lexington until 1921. In that year he accepted a position as agricultural engineer and manager of the Valley City Land Syndicate at Naples, Ill. He is now secretary of the Valley City Drainage and Levee District, Naples.

Mr. and Mrs. Howard P. Ingels, of New York City, are guests of relatives in the city and attended the Kentucky Derby at Louisville.

Charles Miller Roswell received his B. M. E. in '08 and his E. E. in 1911. He was connected with the Commercial Engineering Department of the General Electric Company until 1916, when he accepted a position with the Appalachian Power Company, Bluefield, W. Va. From 1920 to 1922 he was electrical engineer with the Charleston (S. C.) Consolidated Railway and Light Company. He is now with the United Gas Improvement Company, 1401 Arch street, Philadelphia, Pa. He lives at 1162 Morgan Road.

'09

The Lactal Analytical Laboratories, of which Dr. Phillip L. Blumenthal is vice-president, have been moved to 176 Franklin Street, Buffalo, N. Y.

'10

E. Reed Wilson has been connected with the B. B. Wilson Company, vehicles, implement and hardware, ever since graduating except during the Word War when he served with U. S. Base Hospital No. 40. His business address is 139 N. Upper street, Lexington.

'11

After receiving his B. M. E. degree, A. B. Phister was connected with the Anaconda Copper Company at Anaconda, Mont., until July, 1914, when he accepted the position of mechanical engineer with the Wadsworth Watch Case Company, of Dayton, Ky. Mr.

THE COLLEGE ANTHOLOGY FOR 1923

Students who wish to submit poems for possible inclusion in this year's College Anthology (THE POETS OF THE FUTURE, Volume VII) are requested to send their contributions not later than May 15th to DR. HENRY T. SCHNITTKIND, The Stratford Company, Publishers, 234-240 Boylston St., Boston, Mass.

THE BIGGEST VICTORY DEPENDS ON 1-2-3

IS HE ASKING FOR 1-2-3?

SOCIETY

Calendar

THURSDAY, MAY 24
Installation of local chapter of Delta Zeta Fraternity.

FRIDAY, MAY 25

Engineers' Ball, at Dicker Hall

SATURDAY, MAY 26

Presentation of "Midsummer Night's Dream," on the campus at 8 o'clock; auspices of Little Theatre.

Delta Zeta Installation Dance, ball-room of Phoenix Hotel.

Alpha Tau Omega Dinner Dance at Shropshire home, on Lemon's Mill pike.

Sigma Chi Dance at chapter house in Bell Court.

Invitations Are Sent Out

The following invitations are issued. The cards are dainty blue prints made by the hosts at the College of Engineering:

The Students of the College of Engineering University of Kentucky request the pleasure of your presence as guest at the

Engineers' Carnival Ball

Dicker Hall

Friday Evening, May 25, at 7 p. m.

The following invitations have been received:

Alpha Theta Chapter of Delta Zeta

on Saturday the Twenty-sixth of May nine until twelve

Lafayette Hotel

Formal Dancing

The following officers and visitors will be present for the banquet and dance: Mrs. John M. Coleman, grand vice-president, Loveland, O.; Miss Grace Mason, Muncie, Ind.; Mrs. F. J. Ellis, field secretary, Miami University, Oxford, O.; Misses Eleanor Peters, Clara E. Findlater, May Oliver, Dorothy Hetzel, University of Cincinnati, Cincinnati, O.; Miss Lucy Draper, Mrs. Lois P. Zimmerman, Mrs. Sarah K. Bande, Mrs. Margaret Crawford, Mrs. Iva Stock Smith, Mrs. Flo Easton Willey, Cincinnati, Ohio.

About thirty-five visitors are expected for the banquet at which Mrs. F. H. Ellis will be toastmistress.

The members of Delta Zeta will be guests of honor at a tea Friday afternoon, given by the Kappa Kappa Gamma fraternity.

Messrs. H. C. and J. C. Coppage, of Lebanon, were pledged during the week to Triangle fraternity.

SENIOR BABE RUTHS SNATCH GAME FROM SOPH GIRLS' NINE

To Play Winner of Fresh-Junior Contest

The Senior girls of the University defeated the sophomore girls by the score of 10 to 5 in a baseball game held Wednesday afternoon on the campus in front of the Administration building.

Those composing the senior team are: Harrison, Potter, Jackson, Ligon, McNamara, Hume, Brown, Hainor.

Sophomore team: Galaway, Helburn, Carroll, Cromwell, Beard, Martin, Bonar, Thorne.

Thursday afternoon the freshman girls and junior girls played, but the result of the game was not learned at the time the Kernel went to press. The winners of this title will play the Seniors next Friday afternoon.

HIS ANXIETY RELIEVED

A well known scientist was lecturing on the sun's heat, and in the course of his remarks said: "It's an established fact that the sun is gradually losing its heat, and in the course of some 70,000,000 of years it will be exhausted; consequently this world of our will be dead, and like the moon, unable to support life."

At this juncture a member of his audience rose in an excited manner and said: "Pardon me, professor, but how many years did you say before this calamity overtakes us?"

"The Professor—"Seven million."

"Thank God," was the reply; "I thought you said only seven million."

ABOUT THE CAMPUS

to Paducah next week Professor Mathews will make a trip to Paducah next week to judge strawberries. The growers of that vicinity have a large acreage and the display is made up of berries in crates ready for shipment. He was judge at the same exhibition last year.

Doctor Holmes conducts classes in hygiene each week in the surrounding towns of Paris, Cynthiana and Nicholasville, for which the University is credit is given.

E. M. Prewitt, Department of Dairying, is in Jefferson County working up a cow testing association. His work this week is in the vicinity of Lakeland.

Professor Farquahr has been engaged again this year by the Radcliffe Chautauqua and will leave immediately after the close of this semester. This year his work takes him thru New York, New Hampshire and Vermont.

Wellington Patrick, director of University Extension, left Wednesday morning for the eastern part of the State to be gone until Friday. He is to deliver the commencement addresses at Elizaville, Fleming county, and Frenchburg, Menifee county. Friday night he is to deliver the address to the class at Brooksville, Bracken county, where "Big" Jim Server is doing duty.

The College of Agriculture has purchased a young Jersey bull from Allen Dale Farms, Shelbyville, which will be sent on show circuits. This is the first animal of dairy breeds that the College has been fortunate enough to obtain for show purposes. This animal is a full brother to Glen Rawleigh Lad who made such a "hit" in the large shows of the country last fall, but as that farm had him ready to show when the College bought him another fine bull will be sent in his place until the end of the show season. The last one will arrive tomorrow.

Professor Mathew's office has received reports from all sections of Kentucky bearing information as to the size of the different fruit crops. Apples, 10-75 per cent, peaches 20-50 per cent, cherries (sour) 15-75 per cent, strawberries 50-75 per cent. The yields in the eastern part of the state are very poor and in Rowan county there is scarcely any fruit of any kind.

Y. W. C. A. NOTES

The members of the advisory board of the Y. W. C. A. will entertain the incoming and outgoing cabinet Thursday afternoon, May 30. The members will assemble for the business meeting in the League rooms in White Hall at 5:30 Thursday afternoon, May 30. The guests are asked to remember the date and not fail to be present.

A very singular and novel situation presented itself at the joint meeting of the Y. M. C. A. and Y. W. C. A. last Sunday night in Patterson Hall, when Dr. Brown, colored, discussed the radical problem before a large group of boys and girls.

Dr. Brown spoke of the hopes and aspirations of his race; and pled the cause of the American negro, asking that he might enjoy those privileges had by the foreigners. A dainty quartet furnished special music; and the program, although somewhat out of the ordinary and extremely unusual, proved to be very interesting.

Next Sunday night at the regular Y. W. C. A. service, Dr. Ward will speak; and Louise Rash will give a selection at the piano. Let's all be there.

FACULTY AND STUDENTS PLANNING GOLF COURSE

Heavy Expense Will Be Incurred In the Undertaking.

A call meeting was held Monday at the fifth hour in chapel by the golf enthusiasts. Plans were laid before the meeting by Professor Jones and discussion of the location of the course ensued.

The proposed golf course will probably be located beyond Clifton Pond on a plot of ground owned by the University. The ground will be sufficient to furnish a course of six holes, but a great deal of work will have to be done to put the plot into condition.

To form a successful golf club at the University it will be necessary for most of the faculty and a large number of students to be interested. The expenses of keeping a course in condition are large.

At the close of the meeting a committee was appointed composed of Professors Jones, Lampert and "Daddy" Boles. This committee will make further solicitations for membership on the campus.

Definite plans for a permanent organization will be decided upon at the next meeting of the enthusiasts.

INTERESTING ART EXHIBIT VISITED BY ENTHUSIASTS

Department is Considering Making Exhibit Annual Affair

The Art Exhibit of Lexington artists held in the art studios, May 8-24 was one of the most interesting exhibits of its kind ever held at the University. Over a hundred people visited the studio daily and it was pronounced quite a success. It was a worth while display and quite creditable for a town the size of Lexington.

At the tea given last Thursday, the out-of-town visitors present were quite enthusiastic in their praise.

To promote interest in art it has been considered by the Art Department to make this affair annual by having an exhibition to encourage the young talent and display their work.

BETWIXT US

(Continued from Page 2)

Phister was recently elected vice-president of the Cincinnati Alumni Club. He lives at 20 Tower Place, Ft. Thomas, Ky.

Mr. and Mrs. Perry R. Cassidy are welcoming a son, born May 7. He is the first son and the third child. Mr. Cassidy is with the Babcock and Wilcox Company, 85 Liberty Street, New York City.

Derrill W. Hart, who is in the advertising department of the Doubleday Page Company, 120 West 32nd street, New York City, is visiting relatives near Lexington, and attended the Derby Saturday. He has with him now as his guest, R. T. "Bookie" Taylor '14, who is farming near near LaGrange, Ky.

Arnan Owsley Snoddy has been a chemist with the Proctor & Gamble Company ever since he received his degree. He is living at 24 Clinton Springs Lane, Cincinnati, Ohio.

Major and Mrs. Allen W. Gullion are welcoming a son born May 14. This is the third son and sixth child. Major Gullion arrives today from Governor's Island, New York, to attend the Kentucky Reserve Officers' Association, meeting May 29-30, and to take an active part in the drive for the Stadium and allied projects.

C. G. "Gyp" Downing is farming near Lexington. Address R. F. D. No. 1.

Nancy F. Pilcher taught at Key West, Florida, the first two years after graduating. During the World

War she entered the civil service and is now in the office of the Auditor, Income Tax, Internal Revenue, Washington, D. C. Her address is Government Hotel, G. H. building.

Carolyn F. Lutkemeier is teaching Home Economics in the Frankfort public schools. She belongs to the "regulars" on the list of active alumni. She was elected vice-president of the Frankfort alumni club and at its inception and as the president removed to another city soon after, she served practically two years as president of that organization and is still active in its behalf. Her address is 419 Lewis street, Frankfort, Ky.

Bart N. Peak entered the service of his country during the World War. Since his return to civilian life, he has been secretary of the Y. M. C. A., University of Kentucky and is unfailing active in behalf of his Alma Mater and the student body. He residence address is 208 South Broadway, Lexington, Ky.

Tilford L. Wilson entered the army and served his country during the World War. Since his discharge in 1920 he has been connected with the B. B. Wilson Hardware Company, at 139 N. Mill street, Lexington, Ky.

S. Headley Shouse is farming with

his father and an active worker with the Burley Co-operative Association. He is a member of the Executive Committee of the Alumni Association, his term expiring this year.

The engagement of Leland Bradley Snoddy to Virginia Halbert Croft '20 has been announced, the wedding to take place in Louisville, June 16. Miss Croft has been instructor in home economics at the University of Kentucky the past two years. She is a member of Alpha Xi Delta and of Phi Epsilon Omicron, the honorary fraternity in home economics. Mr. Snoddy graduated with a B. S. in chemistry in 1921 and will receive an M. S. in physics this year. He is an assistant in the civics department while doing his graduate work.

Fred W. Luker was a visitor on the campus last week. He says he is delighted with his work with the General Motors Research Corporation, Dayton, Ohio. Address Box 137 Y. M. C. A.

Frank J. Wedekemper is with the Lakeland Highland Co-operative Association, Lakeland, Fla.

Members of the class of '23 are now coming to the Alumni Office to pay their dues for the ensuing year so they will not miss any issues of the Kernel. Horace Miller Clay was the first to sign up.

THE YELLOW STREAK

The last two issues of the Kernel have carried mysterious ads concerning the approaching appearance of "The Yellow Streak" upon the campus. Tuesday morning in less than an hour after members of Theta Sigma Phi, woman's honorary journalistic fraternity had put the anxiously awaited yellow "scandal" sheet into circulation the campus was tinged literally with yellow streaks.

As the writer viewed the spectacular visitor from his secure perch, he was amused at the manner in which various students responded as they read the paper. The scenes and expressions could easily be called melodramatic, many laughed at its contents. Some cried, were dazzled or chagrined; others, perhaps more sensitive, and devoid of sense of humor felt the "dig" deeply and took the matter seriously and began casting "dirty looks" toward the girl news-writers as they peddled their papers.

Reliable information disclosed that the sensational "Yellow Streak" contained many a truth in a hidden in a humorous guise.

Some of its jokes caused momentary offense without which its promoters contend the "streak" would have been a failure. It must be borne in mind that the satirical contents of the paper were within the spirit of fun without intent to cast reflection upon any instructor, organization, fraternity or individual.

The following in "The Yellow Streak" expresses more clearly than the writer could here disclose the manner in which the adventure should have been and doubtless was generally received:

"YOU'VE GOT IT COMING

You are going to be mad when you read this and we (meaning the Yellow Streak) don't care if you are. The guilty conscience has for a long time held to be a barometer of evidence against the uncaused. You have been stalling around here all winter as if you owned the world, trying to submerge your faults beneath a cloud of dust and a brigade of action.

It has been written, "let him that is without guilt hurl the first brick." We will have you know that we are not going to throw "no" rocks at "nobody" but we are going to tell you all where to get off. As Admiral Dewey so unfa-rlingly said, "You may be when ready." Having told you where to get off, we shall catch with interest to see what you do. If you rec-... the Yellow Streak calmly you...

are innocent and will wonder what it is all about. If you show emotion upon our "no" or maybe you are it. If you are it that is only what you have been making all of the time.

A newspaper is a private enterprise but it is a public entity. It has to publish "facts" as they are.

The Yellow Streak is not attempting to sic the dogs of calumny on the trail of the innocent but merely to forewarn the reading and ignorant public about those things in your midst that are placing the future omnipotence of the community in jeopardy. We think we have done you a favor by telling you this."

The Kernel congratulates the members of Theta Sigma Phi upon the dual purpose realized by the publication of the Yellow Streak. It was a success financially which was the secondary purpose, the primary purpose being that of a student experiment looking toward a monthly magazine publication for next year. Its success is an indication that on the campus may be published a humorous magazine next year corresponding to "Punch Bowl" and similar magazines of larger universities.

The Kernel also commends the sportsmanlike manner in which the contents of the Yellow Streak were received.

WOMEN IN ATHLETICS

The Kernel is pleased over the increasing interest being taken by the women students at the University in athletics which has become more pronounced during the last two years. Women were formerly regarded as physical weaklings unfit for adventures of outdoor life, but that has been shown to be a false position and the University is looking to women students now starting the movement for greater athletics to place upon a plane commensurate to that of other universities.

A keen interest is being taken in athletics and physical education at present as was made manifest by the high regular attendance record for the current semester. Unlimited benefits have been derived from the physical and aesthetic instruction given in the physical education department for women. It would be unfair, however, to judge the progress of this department by the fact that the subject is required.

During the past year various athletic clubs have been organized by women students including an athletic council, hiking club, soccer team, baseball teams, swimming clubs and many more.

The University is looking forward to the women for development of a larger number of athletic women for the near future. The Kernel believes that athletics for women is really a worthy undertaking for the University and will be developed to its fullest extent within the next few years.

COLLEGE OF EDUCATION

(Continued from first page.)

Department of Education in Pennsylvania and has been very successful in educational work over the country for the past 15 years.

Dr. J. T. C. Noe, the present head of the Department of Education, will retain his connection with the college as head of the department of history and education. Doctor Noe was not an applicant for the deanship because he preferred to be free from administrative duties for other lines of work.

THETA SIGMA PHI

(Continued from First Page)

ties. The experiment was entirely satisfactory financially and sensationally and with this confidence in all probability a magazine will be issued next year every month.

"The Yellow Streak" was cleverly written, neatly composed and from a journalistic point of view was indeed a creditable reflection upon Theta Sigma Phi and the journalism department. The real enjoyment from the articles and jokes appearing, was that they so cleverly expressed the sentiment of so many persons, and it was a humorous "razz" at University activities and politics.

NATURAL AMPHITHEATRE

(Continued from Page One)

partment, had once planned to have a botanical garden there and already he has planted many flowers and shrubs. He has asserted his willingness to further develop the landscape.

"Mid Summer Night's Dream," which will be produced Saturday evening, May 26, will be the first outdoor production of the Little Theatre organization of the University. Eighty persons are in the cast which is under the direction of Professor Fleischman, assisted by Professor Hincks and Miss Emla Woods of the dramatic production class. For this performance, chairs will be rented from the Millward Company, and together with the chairs owned by the University, 3,000 can be seated. A temporary stage has been constructed which will be covered with a bank of sod. Lights will be brought from Neville Hall to flood the stage and Japanese lanterns will be used among the trees. The entrances will be at the right and left of the stage. The dressing rooms are now masked with shrubbery. The whole stage will be beautifully and appropriately decorated with flowers which Dr. McFarland's party will bring back with them from Natural Bridge where they are going Saturday.

"Mid Summer Night's Dream" promises to be a great success for the University, the Little Theatre organization, and outdoor dramatic production. Enthusiastic support is manifest on all sides and if weather conditions are favorable, the first great step toward an outdoor theatre at the University of Kentucky will be taken.

KITTENS LICK LIEUT. COLONELS AT BASEBALL

Hughes Knocks Home Run For 4-3 Win Over Centre Yearlings

"Turkey" Hughes, pitching ace of the freshman baseball team, made for himself Tuesday afternoon a place in the University Hall of Athletic fame by knocking one of the longest drives ever seen on Stoll Field. The ball went right over center field fence and it was this hit that scored the winning run of the game. The Kittens defeated Centre's first year men by the score of 4 to 3.

The game was fast and very interesting from start to finish. Neither team was able to score until the fifth inning, when the freshmen made two runs off of five hits. Up to this inning not a Kitten had been able to connect with the offerings of Hicks. Sauer opened the inning by being thrown out at first, Hughes followed with a three bagger and was sent home by a single by Adams. Alberts, Derrick and Croft each followed with safeties, which only netted one more run. The home run by Hughes came in the next inning with Sauer on first.

Centre's three runs came in the sixth. Balance, first batter of the inning singled, he was advanced to second by an easy roller hit by Weeks; Balance scored and Weeks advanced when Bond was safe on first by an error. This ended their scoring for the game.

Both pitchers were very effective, few hits being annexed by either side. Hughes allowed six scattered hits, none of which went for extra bases, while Hicks allowed eight safeties, five of which were bunched in one inning. Neither pitcher walked a batter.

Summary of the game:

Kentucky:	AB	R	H	P	O	A	E
Derrick, c.	4	0	1	9	2	0	
Croft, 3b.	3	0	1	2	2	0	
Glenn, 1b.	4	0	0	10	1	1	
Vossmeier of.	4	0	0	2	1	1	
Evans, lf.	4	0	1	0	0	1	
Sauer, rf.	4	1	1	1	1	0	
Hughes, p.	3	2	2	0	3	0	
Adams, ss.	3	1	1	1	3	0	
Alberts, 2b.	3	0	1	2	2	1	

Centre:	AB	R	H	P	O	A	E
Skidmore, rf.	4	0	0	2	0	0	
Balance, cf.	2	1	2	1	0	0	
Darnell, lb.	3	0	1	9	0	0	
Weeks, ss.	4	1	0	2	2	1	
Bond, lf.	4	1	0	2	0	0	
Collins, 3b.	4	0	1	2	2	1	
Miller, c.	4	0	0	4	1	0	
Pace, 2b.	3	0	1	1	1	0	
*Summers	1	0	0	0	0	0	
Hicks, p.	3	0	1	1	3	0	

*Batted for Pace in the ninth.

Score by innings:

Centre	000	003	000	—3
Kentucky	000	022	00x	—4

Two base hits: Evans; Three-base hits, Hughes; home-run, Hughes; hit by pitched ball, Croft and Balance (2); passed balls, Derrick; struck out, by Hughes 6, by Hicks 4; umpire, Harrison.

WHAT'S IT ALL ABOUT?

A circular, mysterious, baffling and unique has been published by the Stadium Headquarters. Upon the front page is the huge head of a wildcat and above the head is the sentence, "Come on, Wildcat." Large figures in red are prominent upon the cover. The figures are 1-2-5.

Within the circular again the red letters greet the eye. At the top of the page they are small, but as they progress toward the bottom they become larger.

The mystery must be solved. But by whom? A good guess would be by the Alumni who are interested in the Stadium. But remember that this is only a guess and the mystery is as dark, deep and unsolved as ever.

RESUME OF PAST YEAR SUBJECT OF ADDRESS AT LAST CHAPEL EXERCISES

President McVey Speaks to Students of Accomplishments and Failures

U. K. ORCHESTRA PLAYS

University Growing in Hearts of People; Aided by Faculty and Students.

The last chapel exercises of the year 1922-23 opened with the reading of the scripture by Dr. McVey, followed by the Lord's prayer. At the close of the address the University orchestra gave several delightful selections.

As is customary at the final exercises of each year the President made the address to the students. He recalled the past year in an endeavor to make each student think of the year in the following terms: "What have I done this year? What have I accomplished?" or "What have I failed to do?" Every one should discover how to make the next year more profitable than the preceding one and to get out of each year an increasing amount of good.

"The hardest thing in modern life is to say 'No' and as college is a miniature world where one does things later done in life, one should begin early to learn the habit of saying 'No.' A university is for the purpose of carrying on instructions and it is well to measure the year that is closing with the next year; to try to do next year the things which we have not done this year."

The university is gaining ground in the hearts and thoughts of the people. The stadium drive is an illustrative example of the enthusiasm exhibited by both college people and the community at large, but in spite of this there are comments being circulated in the state which are injuring the name of the University of Kentucky.

The University is not trying to convert the belief of any one but it does insist on higher ideals and higher life. The state is doing a big thing for the young people in giving them an institution for a higher education but the University must be free to accept the followings of science in the ways of truth in order that the state may progress. A university should give a better life, better thoughts and better ideals and when it does this it will be the best thing in the state.

"It is not the faculty or yet the students which mean the most to a university but it is the right kind of spirit that really counts. If the students and faculty are enthusiastic about the university and say a good word for it at every opportunity then it is bound to prosper."

KY. TRACK MEN IN MEET

(Continued from Page 1)

off firsts. In this lies the hope of the Cats.

The Cats may also face Berea and Wesleyan, but it is not known for certain whether or not these schools will enter the meet.

Captain Davidson will serve his last time as Captain of the Wildcat team Saturday, but the other members of the team will be on the field again next year, strengthened by new material from the freshman team.

EASTERN TRIP RESULTS IN THREE VICTORIES FOR FRESHMAN BALL NINE

Kittens Defeat Cumberland, Union College and E. K. State Normal.

WIN BY GOOD MARGINS

Normal Beaten in Loosely Played Contest by 16 to 8 Score.

The University of Kentucky Freshman baseball team returned last Saturday night from a most successful trip; they won three out of as many games played. They defeated Cumberland College 8 to 3; Union College 10 to 7, and Eastern State Normal 16 to 8. This trip more than upheld the standard set by the Freshmen athletes in the past.

The opening game of the trip was played at Williamsburg last Thursday.

The game was very fast and few hits were annexed by either side. The Kittens bunched their hits in the third inning and obtained four runs off of as many hits. Vossmeier held the Cumberland boys in check all through the game and allowed them only seven safeties, all of which were scattered throughout the game. The lineup for the game was changed, Derrick replaced Evans as lead off man and the latter was assigned to fifth position. Both hit well in their new positions.

The second game was played against Union College, who furnished the most opposition of the trip. At the end of the third inning things looked bad for the first year men; Union made one run in the second and came back in the third and made four more. The count stood 5 to 0 at the end of the third, in favor of Union. The Kittens were not to be outdone, so they made five runs in their half of the fifth, tying the score. They scored twice in both the sixth and seventh innings and once in the eighth, while Union was able to score again only in the ninth. Samuels started for the freshmen but was relieved by Hughes on account of his illness.

An Easy One

The last game was played at Richmond Saturday afternoon and proved to be the easiest game. Riffe pitched for the Kittens, and although allowing twelve hits, was never in trouble. They scored almost at will, making three runs in the third and six in the eighth. The hitting of Evans featured the game. He got a home run, a two-bagger, and two singles out of five trips to the plate. Word was best for the Normals, getting a triple and a two-bagger. After a long drawn out contest the game ended, the Kittens leading with 15 hits and 16 runs.

K

NOTICE!

At the last meeting of the discipline committee two students were dropped from the University. They were found guilty of cheating on an examination. T. T. Jones, Chairman.

Logic As She Speaks

When going to college, why worry?

If you had not come to college there would have been nothing to worry about, but having come to college, there's one of two things: Either you'll get a hard schedule, or you won't get a hard schedule.

If you don't get a hard schedule, there's nothing to worry about; but if you do get a hard schedule, there's one of two things: Either you'll have to study or you won't have to study.

If you don't have to study there's nothing to worry about; but if you do have to study, there's one of two things: Either you'll have to take the final exams or you won't have to take the final exams.

If you don't have to take the final exams there's nothing to worry about; but if you do have to take the final exams, there's one of two things: Either you'll pass the final exams or you won't pass the final exams.

If you pass the final exams, there's nothing to worry about, but if you don't pass the final exams, you'll flunk the course and be kicked out of college, and you won't have to worry, so when going to college why worry?

L. Gilman—Say, what does your mother feed you on?

T. Warren—A table.

Co-Ed—"What did you do after the varsity ball?"

Flapp—"Nothing to speak of."

Co-Ed—"Oh!"

Toot! Toot!!

An engineer once took an inquisitive friend with him in his cab and during the entire run he kept up an everlasting fire of questions. During the course of the journey the visitor noticed little poles along the track with the initials W & R inscribed on them. He finally asked the engine driver the meaning of the initials and was answered that they mean whistle and ring.

After considerable pause, he finally said, "I see how you get the wring out of W but I don't see how you get whistle out of R."

"My name will soon be mud," said the dirt road as it started to rain.

The dumbest fellow we know is the chap who brought along a hammer and saw to eat a club sandwich.

Max—"Digging a hole?"

Climax—"No, digging dirt, leaving a hole."

An Irishman and his wife were at the theatre for the first time.

The wife noticed the word Asbestos on the curtain.

"Faith Pat, and what does Asbestos mean?"

"Be still Mag, Don't show your ignorance. That is the Latin word for Welcome."

Referee—"Foul."

Annelle—"I don't see any feathers."

Virginia—"This is a picked team."

She—"And what is that house over there?"

Soph—"That is the greenhouse."

"She—"I didn't know that freshmen had a house all of their own."

Jack and Jill went up the hill To get a basketfull of eate, Jack pawned his safety razor And Jill et.

"At times," said the girl, "you seem to be manly enough and then at other times you seem to be absurdly effeminate. What on earth is it?"

"Er, Ah—Hereditiy," he answered.

"Hereditiy?"

"Yes. You see half my ancestors were men and the other half women."

To Hear From Soup-Gurglers.

Platter and Plate, honorary fraternity for hash slingers, is to be organized on the campus in the near future if tentative plans materialize. This society will be organized on lines similar to Scabbard and Blade, Su-Ky Circle and other worthwhile organizations, and will have for its object, sponsors of the movement say, the procuring of their just desserts. The cream of the cafeteria and kitchen is in this movement and its members are confident of making quite a stir. Some of the most proficient plate presti-digitors and consommé concoctors in the university declare it is time for the hash-slinger have his inning and they—to shift from a sporting to a liquescence metaphor—intend to fight for it to the last drop of mulligtawny.

Mr. T. D. Young, hash hound par excellence, who recently gained fame by publicly declaring there was a frame up in the art department, has announced his candidacy for the office of Big Zupe Spune of the prospective society. It will be remember that Mr. Young gained prominence some time ago by courageously dripping soup down the neck of a visiting delegate to the national convention of the "Better Table Etiquette Association." When the perturbed visitor asked if there was any possibility of the soup burning her, Mr. Young replied that it had a thin chance.

Mr. Robert Mitchell, erstwhile mainstay and guy wire of the Stroller organization, has been recruited to the movement. Mr. Mitchell, although long identified with dramatics, is intensely interested in gastronomics and intimates that while he has a predilection for the stage, massaging floors is infinitely more clean, furthermore adding that he prefers to take his eggs over the counter rather than the footlights.

Following the installation of a chapter here, members plan to present an educational play entitled, "The Value of Athletics in Eating Spaghetti," or "The Search for the Missing Calorie." The excellent salaries and generous tips given waiters, assure the success of this play.

The pin will be a design of a beautiful cabbage caldron, bearing upon its surface in bas-relief a miniature frying pan containing two fresh eggs.—M. Hail.

Always Losing Something

Sympathetic Parson—"Hello! What is the matter little boy? Are you lost?"

Little Boy—"Yes, I am. I mighta known better'n to come out with gran'ma. She's always losin' sumfin'."

—Fuller Bristler.

A New Version

eacher—"Once there was a very bad boy and he took his knife and cut off a cat's tail. Now what verse in the Bible does that remind you of?"

Johnnie—"What God has joined together, let no man put asunder."—Fuller Bristler.

Too Low

A colored woman demanded a refund on a pair of hose recently purchased. The floor walker asked:

"Madam, did they come up to your expectations?"

"Lordy, no," she answered. "Dey hardly come up to my knees."—The Charleston Eagle.

His Unlucky Thirteen

The Cadger—"I an't never 'ad a chance. No matter where I go or wot I works at, my unlucky number bobs up and does me in, some-'ow."

The Householder—"What do you

mean? What's your unlucky number?" The Cadger—"Thirteen, lady. Twelve jury-men an' a judge."—Exchange.

Where Light Was Needed

The stingy farmer was scoring a hired man for carrying a lighted lantern to call on his best girl.

"The idea," he exclaimed. "When I was courtin' I never carried no lantern, I went in the dark."

"Yes," said the hired man sadly, "and look what you got."—Exchange.

Bo Hemia Says

ARTHUR HODGES

MORE VERS LIBRE

II am not large

In fact, I sometimes can be covered With a postage stamp,

Or carried in the handbag of a lady, Yet I, at certain seasons of the year,

Hold large place in the thots And eyes of thousands.

I am not modest, Yet at times I am shrinking.

I make beautiful yomen more beautiful And homely dames to look lipe hope-

less hags.

My wizardry makes fat men Seem fatter

An thin men thinner.

I am the greatest enemy of human sham,

The most ruthless ruiner of all disguise.

I am the bathing suit.

—Catherine Orange

Score One for Monkey

Taking into consideration all of Billy Sunday's action and tent climbing stunts we don't see why he should object so much to the Darwin theory.

THE HILOBROW

The man with the pile is the man who can smile when everything goes wrong.

Absent Minded physician: "Let me feel your pulse."

Cain may not have been without some justification. Abel may have been a reformer.

Never argue about religion. If you get the best of it, the other fellow has the consolation that you are going straight to hell because you don't agree with him.

Men sometimes think they understand women, but men sometimes are very foolish.

And the funny part of it is that the man who is decent because he is afraid of getting caught feels vastly superior to the man who takes a chance.

Pretty soon a popular song writer will give us the Automobile Blues in four flats.

A Transylvania' prof says the modern girl's waist is mannish. Rats! The only masculine thing about the modern girl's waist is an arm.

The man who says a college education doesn't help a farm boy has never observed the startling effect of a college yell on a slow pyle mule.

—Catherine Orange

ANNUAL MAY DAY EXERCISES

FEATURE OF WEEK'S EVENTS

Frances Smith, Sophomore, Was Crowned Queen.

At the annual May Day exercises held on the campus Tuesday afternoon, Frances Smith was crowned queen by Helen James, who was maid of honor.

The queen and her attendants, followed by the maypole and classic dancers, formed a procession and marched in line to the front campus, where the queen ascended her throne and was crowned by the maid of honor. The other attendants of the queen were: Misses Amanda Gordon, Elizabeth Williams, Sara Colie, Ida K. Risque, Betty Barbour, Mary Dunn, Rachelle Shacklette, Annelle Kelley, Betty Barbour, Elizabeth Galloway and Frances Ashbrook.

Girls in white, and vari-colored costumes danced in front of the queen's throne, a unique event of the afternoon being the Maypole dance.

QUICK—MAYBE!

Mrs. O'Brady—Shure, I want to bank \$20. Can I darw it out quick if I want it?

Postmaster—Indade, Mrs. O'Brady you can draw it out tomorrow if you give a week's notice.—London Punch

"I wouldn't marry you," she said, scornfully, "if you were the only man in te world."

"No," he answered. "You'd probably get trampled to death in the rush."—Fremont Messenger.

WILDCAT NINE DEFEATS TIGER TEAM IN SECOND CONTEST OF SEASON 8-3

Gregg Hurls Good Ball in Pinches and Wins Contest Easily

FELINES GET 10 BINGLES

Blue and White to Close Season at Centre Saturday

The timely swatting of Miller, Kelly and Pribble coupled with the excellent hurling of Turner Gregg gave the Cats their second victory of the season over the Georgetown Tigers at Georgetown Tuesday by an 8-3 count. The Blue and White moundsman allowed the Tigers eight safeties but only four of them aided in the scoring. The Cats garnered eight hits off Bauer, Kelly and Miller each getting a triple.

Pribble, Cat catcher, led both outfits at bat with three singles in as many trips to the platter. Miller and Kelly each collected three hits but faced Bauer more times than did the Blue and White receiver. Beckley and Cloar led the Tigers with the hickory each getting two hits in five attempts.

Neither outfit scored in the first, although the Tigers threatened seriously. With two down Trunnell tripled but was stranded when Cloar fell victim to Gregg's curve and whiffed. Kelly, first man up for the Cats in a second tripled and scored on Ridgeway's long sacrifice to left. In the third Bauer hit Pribble. Gregg sacrificed, Sauer grounded to Duvall but Miller drove the tally in with a single.

Georgetown scored once in the fourth on two hits, a stolen base and an error by Rouse. Pribble opened the Cats' half of the fifth with a single. Gregg again sacrificed but reached first on Bauer's error. Sauer sacrificed and was safe. Miller, Burnham and Ridgeway singled in succession. Five runs in all counted before the Tigers could retire the side.

Kentucky's last counter came in the seventh when Miller tripled and came in on Kelly's hit. The Tigers counted twice in their half of the frame on two hits and two errors by Gregg and Burnham. Neither team was able to cross the plate in the remaining two innings, each hurler allowing but one hit.

Miller Hits Triple.

The Cats will close the 1923 season Saturday when they go to Danville to play a return engagement with the Centre Colonels. The Centre crew slipped a 6-5 win over on the Blue and White last Friday and Coach Barger's men are anxious to avenge themselves. Either Gregg or Van Arsdale will draw

the Cat hurling assignment with Pribble behind the plate.

The Georgetown score:
By Innings: R. H. E.
Kentucky011050100—8 10 5
Georgetown000100200—3 8 1
Batteries: Kentucky, Gregg and Pribble; Georgetown, Bauer and Cloar.

"MIDSUMMER NIGHT'S DREAM" GIVEN SPLENDID SUPPORT

Organizations and Individuals Give Aid

Organizations and talented individuals on the campus are aiding in the production of "Midsummer Night's Dream," which will be presented on the campus Saturday evening, May 26. All departments are responding with enthusiasm in the preparation of what promises to be a delightful performance.

Professor Lampert has been training the entire University orchestra on the musical score of the play for months besides special groups of musicians.

Professor Sax, head of the Art Department, assisted by Professor Hicks, has charge of all decorations and scenery which is his special study.

Sarah Blanding, director of physical culture for women, is drilling eighteen women students in Grecian dances, twenty-four children from Maxwell street school in a fairy dance, and six clowns in a clownish dance.

Anna Bess Sargeant of the Home Economics Department is superintending the making of costumes which are a harmonious part of a well planned production.

Professor Fleischman, the head of the dramatic department, assisted by Elizabeth Hopkins and Wilna Brown, is directing a speaking cast of eighteen college students and ten Maxwell school children.

Henry Harper, Stroller electrician, has charge of stage lighting, and has worked and experimented until he has it perfected for creating the illusions.

Professor Yates of the English Department, is in charge of tickets which are on sale at the University Book Store.

The class in dramatic production is assisting in advertising and staging and is divided into committees for carrying on the various parts of the theatrical production.

ENGINEERING NOTES

All students in the College of Engineering are urged to obtain employment for the summer in some kind of engineering work. Dean Anderson will help any engineering student obtain employment who will call at his office.

Thursday afternoon there will be a movie at 3:45 o'clock on the radio named "The Wizard Wireless," shown in Dicker Hall. This is a very interesting picture, one of a series that is being given.

Watch for the Engine's Ear.

Friday, May 25, the College of Engineering will hold its annual Engineer's Day.

At 1:40 o'clock the College will be thrown open to the public. Students will be assigned as guides to escort the guests through the buildings. This is one of the best opportunities ever given to parents and friends to see the work that the college accomplishes, and it may give an insight to some aspirant for the State Legislature. The Carnival Ball in the evening will be the event of the day. All Engineering students will come in costume and masked. The costume censor will be absent until one o'clock or he may not show up at all. Dicker Hall has been under the decorators artistic hand all week, but the "Coup de etat" is the auxiliary platform built adjoining the hall. Steps have been constructed so that the hall is directly connected to the pavillion.

Please, Mr. Weather Man, don't let it rain.

WE ASK OUR READERS TO READ THE KERNEL ADS AND PATRONIZE THE ADVERTISERS.

YOUNG MEN TO STUDY SOCIOLOGICAL PROBLEM

Students Will Gather From all Parts of Country For Meeting in New York City

Fifty selected men, undergraduates or just leaving college will gather in New York City this summer from all parts of the country to study sociological problems. They will study under the auspices of the Student Department, International Committee of the Y. M. C. A. and of the Intercollegiate Branch of the New York City Young Men's Christian Association.

Throughout the period of their stay, which will be from June 2 to August 17, the men will work individually or in small groups as part of the staffs of various church neighborhood houses, settlements, Y. M. C. A.'s, and other institutions. The purpose is to give them first hand contact with actual social conditions, and under expert leadership gain experience in constructive work of improvement and relief.

Twice weekly the entire group will meet in the church house of the Madison Avenue Presbyterian church for lectures and discussions. Speakers will include Dr. Henry Sloane Coffin, pastor Madison Avenue Presbyterian Church; Walter T. Diack, General Secretary, New York City Y. M. C. A.; Richard H. Edwards, General Secretary, United Christian Work, Cornell College; John A. Fitch, Shelby M. Harrison, Porter R. Lee and Walter W. Pettit, of the New York School of Social Work; A. Herbert Gray, of Glasgow; Ernest Johnson, Research Secretary, Federal Council of Churches; Dr. Kenneth D. Miller, Presbyterian Board of Home Missions; Joseph W. Roe, Professor Industrial Engineering, New York University; Prof. Harry F. Ward, Professor of Christian Ethics, Union Theological Seminary.

One additional half day each week will be devoted to visiting points of sociological interest, including Ellis Island, Blackwell's Island, Salvation Army Home for men, Bowery Y. M. C. A., Jerry McAuley Mission, New York Stock Exchange and Sing Sing Prison.

The aim of the leaders of this group is not only to give an adequate idea of great social problems and methods of solution, but also an introductory training in Christian leadership whether for engineering, or business, or for the ministry, the Association secretaryship, or some other phase of social or religious work.

The work will be summarized at a conference to be held August 16 and 17. The experiences of the summer will be reviewed, and programs of future action, personal, college, and community, will be outlined.

Blanks for applications for membership in this College Summer Service Group can be obtained from the State or International Student Secretary, (names and address to be filled in by local student secretary), or from the national student secretary, David R. Potter, 37 Madison Avenue, New York City. All applications together with supporting letters, will then pass through the proper field secretary of the Student Department and will be forwarded to the Director, John R. McCurdy, secretary of the Intercollegiate Branch, Y. M. C. A., New York City.

Committees representing the Student Department, International Committee, and the Intercollegiate Branch, New York City, are jointly responsible for the group. Charles G. Proffit is chairman of both committees, upon which also are Theodore A. Green, Wellington H. Tinker, Maitland Dwight and Philip M. Stimson, M. D.

VERY RELIGIOUS

"I wish I was as religious as Abbie."
"And why?"
"He clasps his hands so tight in prayer he can't get them open ven der collection box comes around."

Store Clerk: "That fellow buying shoes is Henry Ford."
Customer: "That so! I wonder what size he gets?"

"Oh, 30x3 1/2, I suppose."

Blue and White Nine Drops
First State Game
6 to 5

**BURNHAM IS STAR
Colonels Score Tying and Win-
ning Run in Last In-
ning**

Centre defeated the Wildcats 6 to 5, on Stoll Field last Friday by taking advantage of three Kentucky errors in the last three innings and by timely swatting of Dewey Kimball, Colonel centerfielder. Both Van Arsdale and Holland hurled good ball, but the Blue and White moundsman was unable to check the Gold and White in the last third of the scrap.

Kimball and Leathers were the outstanding stars for the Colonels the former winning the game with his triple to left in the ninth that scored Green with the winning run. Leathers played good ball at first and his three singles kept the Colonels in the running.

Captain "Dutch" Burnham, Kentucky second sacker was the Blue and White luminary, getting two bingles and two runs. Miller in centre had three nice catches and two assists.

Neither outfit scored in the first three frames, 11 men facing each hurler. After Centre had gone out in order in the fourth, Burnham walked, Kelley sacrificed him to second, and the Cat leader scored when Leathers threw over Durritt's head, trying to get Burnham at third. Ridgeway drew a free ticket, and Rouse singled. Arnold's best was a roller to the box that Holland handled easily. Pribble and Van Arsdale singled in succession scoring Rouse and Ridgeway, and the Blue and White catcher tallied when Holland missed Peterson's return, Miller grounded out to end the frame.

The Colonels opened up in the seventh, scoring twice on a hit, walk and an error. The Cats retaliated in the same inning when Burnham took three bases when his hit went through White and Ridgeway singled.

Centre scored two more in the eighth on hit batsman, walk and two hits, one of which was made by Kimball. The tying run in the ninth came when Snowaday scored after Rouse had overthrown to first to get Green. Kimball's triple sent Green in with the deciding tally.

**CAT RACKETEERS DEFEAT
TIGER NETMEN TWICE IN
WEEK WITH SAME COUNT**

Georgetown Squad to Match For
Feline Racket
Weilders

**CENTRE MATCH SATURDAY
Orange and Black Win Two
Matches in Two
Meets**

The varsity tennis team made its first out-of-town trip last Thursday when it traveled to Georgetown to play a return engagement with the Tigers. The bearers of the Blue and White had an easy time with the black and gold racketeers, beating them three matches to one. Spillman lost a hard match to Daniels. Tilton seemed to be off his usual stride and it was with difficulty that he finally won over Jacoby. Greenbaum won his singles in straight sets as did he and McClure in the doubles.

Since the Wildcats had the match cinched the usual other doubles match was not played due to lack of time. Greenbaum and McClure beat Offutt and Jacoby, 6-4, 6-4. Spillman lost to Daniels, 6-8, 8-6, 4-6.

Greenbaum beat Offutt 7-5, 6-3; Tilton beat Jacoby 6-3, 5-7, 7-5.

At present both a men women doubles tournament is being held at the university. The winners of these events will receive prizes, the nature of which have not as yet been announced.

The girls' tennis team of the university will play its first match of the season with Wesleyan College on Thursday afternoon, May 24.

Another Easy Victory

Playing before a large crowd of enthusiasts the Blue and White racketeers won their first victory of the season Thursday, May 17, beating Georgetown four matches to one. The closest match of the afternoon was between Greenbaum and McClure of Kentucky, and Jacoby and Berghauser of Georgetown. The Black and Gold players took the first set easily, 6-2, but the Wildcat boys then showed their fighting spirit and came back, winning the last two sets 8-6 and 7-5.

Sullman and Tilton had an easy time with Daniel and Offutt, winning in straight sets 8-6, 6-3.

Spillman lost the only match to Daniel in hard fought sets, 3-6, 7-5 and 6-3. Tilton had no trouble in beating Berghauser 6-2, 6-4. Grant easily disposed of Jacoby, 6-2, 6-2.

Saturday the Cat net team will make the trip to Danville to recover from the trimming that the Centre boys gave them last week.

**K
R. O. T. C. FIELD DAY**

(Continued from Page one)

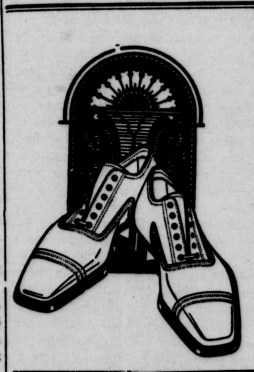

which will be based chiefly on the manual of arms. The winner, who will be chosen by a process of elimination will be presented with a beautiful medal by the Scabbard and Blade, honorary military fraternity. The highest ranking cadet of each class will be presented a silver cup, donated by merchants and business men of the city, for this occasion. Major General James H. McRhae, commander of the fifth corps area will present commissions as Second Lieutenant of Infantry U. S. Reserve, to the men of the graduating class in R. O. T. C.

The guests of honor of the occasion will be Major General Jas. H. McRhae, Lieut. Colonel David H. Booth and members of the state association of reserve officers. The field day will be a very instructive and interesting demonstration and all members of the faculty and students are urged to be present.
