Dear brother Wiram

Your very welcome letters of the 17th and 10th inst have been received by me a couple days since, and also the documents, and I received one at the same time from Ben. Kreis, written at Chico Cal. where he had arrived a short time before and rather thinks his health improving he had found Ascent, who had placed a horse at his command.

Last Friday morning about 60 of our co. under our capt. started out on a foraging expedition. The train of wagons consisted of about 800 with
