Dear Victor:

Certainly you may use my verse on your card.
Delighted! Would it be possible to get a dozen cards
or so for my own use? or would that be too much
trouble? I'd like them. And I do want to see you.
Any Saturday in December is good for me. Shall
we say Dec 10th? or any other. Just let me know.
But if it is the 3rd better let me know fast. I will
wait to hear. When is your birthday? I will say

Mass for you on that day if I can.
All best wishes + blessings always. In Christ

Tony
