ABOUT THE LIBRARIES

SPEC KIT #54

The Reference Department has received a new SPEC Kit, no. 54, entitled "Internal Communication: Policies and Procedures." The SPEC Kits are published by the Systems and Procedures Exchange Center of the Association of Research Libraries; they are available at the Reference Desk.

UK BLOOD BANK

For several years, UK has had a group blood bank for its employees. To maintain this, 20% of the University's employees must donate blood during the year. At the present time UK is not meeting its quota. On Friday, June 22 in Anderson Hall, they are having a blood donation center. If you are interested in donating blood, please contact Jean Robinson (library contact).
