

for a bottle I sent her
for her hair which has
been falling out some
places she had seen me
give Rachel some thing for
the same. I think that
would be owing to the
illness she had after her
grandfather died she had
over done herself nursing
him but she is now gett-
ing quite strong again.

Perhaps P. wont be pleased
at me for saying so much
to you on this subject
but he told me before
that you all read the
letters so that it would

PS Mr Sime was up for a week but is not strong at all +
James is at the bank his father says he will
have to come home + look after the place for he aint able
or he will give it him altogether so I have not heard

Dear Barry, since he was here. W.M.

I have drawn a rough
plan of Carlogic vt
which I trust you will
understand Bob. was ask-
ing how we were cropping
the farms so I thought
this would be the best
way to show it. We are
having frost + snow just
now. I engaged a young
man he came home last
night unmarried nearly
30. + seems strength enough
but have not had much trial
