

Our Union Defenders.

June 3th 1862

Dear Sister

I received your letter a day or two since and was truly glad to hear from you once more. I had come to the conclusion that you were not going to write to me any more, I think some of you might write once a week any how, we have no news except the evacuation of Corinth and I think that was just what it was what I was very glad to hear any how. I cannot tell what the rebels are up to. They surely will get tired of running after a while. I have not heard a word from Spencer or Jimmy, I expect they are both taken prisoners.
