

as every one has a plenty to do, to have their own
work done with one girl.

We have plenty of trees in our yard locust
and fruit trees, and but little shrubbery, if
the water should run over again I want
you to send me a box of roses of every sort
snow-balls, and honeysuckles, and the grapevines you
gave me the white rose is very scarce here
and I see none of the multiflora I suppose
about the last of Feb. will be the best time
to send them, and send me some white lilies
and hyacinths and my sprouts of Calacanthus
tell Virginia to send me some of all her
out doors roses. enclose them in as small a
box as possible and consign them to Ford
and brother Louisville to the care of ~~Smith~~
~~and~~ ~~of~~ Phil Warren Jacksonville they can
come all the way by water and will not
cost a great deal. I have not need the box of
bed and bedding that started when I did
and do not know what to make of it. I shall
write to Mr Smiley concerning it to day. I had
the good luck to get my carpet bag but had
to pay \$5.00 for the troubles if I lose that
