Summer Term Begins June 9; Load-Off Hours

M's Register First, Vets Should Report To Memorial Hall

Summer school registration will begin Friday, June 18, for the eight-week summer session. The registrar's office announced.

A maximum of nine quarter hours, equivalent to half a semester's work, will be permitted. The term ends August 14.

Veterans will report to Memorial Hall one hour before their alphabetical groups are scheduled to register to obtain their certification cards.

The schedule for registration is:
Friday, June 18: Classification tests, physical examinations, and advisory conferences, required of all freshmen and other new students except in the Graduate School. All new students must report to Room 200, Biological Sciences Building, before registration.

Friday, June 18: Registration and classification of former students:
8:00 to 8:50 a.m.: M through N
9:00 to 9:50 a.m.: O through S
10:00 to 10:50 a.m.: T through Z
11:00 to 11:50 a.m.: A through B
12:00 to 12:50 p.m.: C through F
1:30 to 2:30 p.m.: G through L
3:30 to 4:20 p.m.: Miscellaneous.

Saturday, June 19: Registration of new and former students:
8:00 to 9:50 a.m.: Miscellaneous.
A through Z
Locations for registration will be the Student Union and the Army. Those to register in the Union are freshmen, graduate students, law students, special and transient students, and former students who were not enrolled in the spring semester.

Students who will register in the Army are sophomores, juniors, and seniors, who were enrolled in the spring quarter.

Kappas Win Two Trophies

Beta Chi chapter of Kappa Kappa Gamma was awarded two trophies. One was for the highest scholarship ranking on the campus, and the Panhellenic cup awarded the sorority whose pledge group has the highest academic standing.

Delta Delta Delta sorority was awarded the Kappa Kappa Gamma cup whose active members maintained the highest average during the Fall and Winter quarters.

Miss Jane Haselden said the Kappa Kappa Gamma chapter maintained a standing of 1.61 for the Fall and Winter quarters and that pledges maintained a 1.45 standing. Delta Delta Delta's active members maintained a standing of 1.78, and pledges of 1.70.

Panhellenic cup—Kappa Alpha Theta, 1.62, second, and Delta Delta Delta, 1.58, third.

Kappa Kappa Gamma cup—Chi Omega, 1.82, second, and Kappa Kappa Gamma, 1.71.

Surveying Camp Will Open June 7

Summer surveying camp will open June 7 at Camp Robinson on Buckhorn Creek in Breathitt County.

Fifty-four juniors in civil engineering and four juniors in mining engineering will be in the summer camp for six weeks of training.

E. Shaver, head of the civil engineering department, and David K. Blythe, instructor of civil engineering, will serve as faculty staff for the camp.

Faculty Asked To Cooperate On Smoking

SGA Rules Faculty Beyond Jurisdiction Of Assembly

The faculty's smoking habits are outside the jurisdiction of the Student Government Association, and therefore that body can take no official action, according to an investigation of the SGA fire prevention committee.

A report submitted Monday night in Assembly, the committee said that the SGA smoking ordinance is being enforced by only a small part of the faculty. The faculty is being asked to enforce it fully or to recommend its repeal, the committee said.

The faculty has been asked to consider the question and to report any suggestions or recommendations to the assembly.

An amendment was attached to the N.S.A. affiliation bill to wait until next year to affiliate, because there for a full year would have to be paid for the remainder of this school year. It is proposed four observers delegate from the University to attend the N.S.A. workshop in Madison, Wisconsin, this summer, and to advise upon their return, the advisability of affiliation.

President Johnny Crockett announced that Dr. Donovan had heard from President Donovan, as to the N.S.A. workshop, that the assembly requested \$400, after it had already been received by the University. The first meeting of the year would approve only \$230 to be held Monday night.

Mr. Guy A. Huguely was then elected to succeed Judge Stoll as a member of the executive committee as its chairman.

Judge Stoll has been chairman of the executive committee for thirty years. During this entire period he has rarely missed a meeting of the executive committee. The members of the executive committee expressed to Judge Stoll their very great appreciation for his long and devoted service to the University.

Mr. Guy A. Huguely was then elected to succeed Judge Stoll as a member of the executive committee as its chairman.

The club members selected Elvis Stash as president of the club, first appointed to the Board of Trustees, Governor Earle C. Clements recently appointed him another term as a member of the board.

William Haag Chosen Faculty Club Head, Stahr Also Named

William C. Haag Jr., assistant professor in the Department of Anthropology and curator of the museum of anthropology, has been elected president of the University Faculty Club for the coming year.

The club members selected Elvis Stash as president of the club, first appointed to the Board of Trustees, Governor Earle C. Clements recently appointed him another term as a member of the board.

Ray Fulton

Fulton, Deiss, Whaley Named To Kerne, Kyian

Take Over Duties Of Sorrelle, Dorr; Effective In Fall

Ray Fulton was appointed editor of the Kentucky Kernel for 1948-49 and Charles Whaley was selected editor of the Kentuckian at a meeting Tuesday of the Board of Student Publications.

Fulton, journalism senior from Sharon, Pa., succeeded Jack Sorrelle, present managing editor, who will remain editor until his graduation in August. Whaley, Whilamburg senior, replaces Helen Dorr.

Helen Deiss, journalism junior from Lexington, was appointed Kernel news editor for next year, replacing Haskell Short, an August graduate. Miss Deiss will serve as news editor in summer school, which has been Dated Press reporter here for the past 18 months, will work for the UP in Louisville this summer.

Fulton will serve as managing editor this summer before assuming the editorship in the fall. The position of managing editor for 1948-49 has not been filled.

Business manager for the Kernel will be shifted to George Barker, retiring manager.

Rancy Bird, assistant business manager of the Kentuckian, has been chosen to fill the business manager position left open when Amy Price graduated.

Charles Patrick will serve next year as managing editor, the position now held by Whaley. Associate editors will be appointed in the fall.

Members of the Board of Student Publications are Jack Sorrelle, Kernel editor; Helen Dorr, Kentuckian editor; Dr. Niel Plummer, head of the Department of Journalism; and Frank Petereny, University controller. The other board members are: Raymond N. Fulton, Sharon, Pa., president, and Thomas E. Diskin, Ft. Thomas, Ky., secretary.

Monte R. Tussey, James C. Eddie-man, Haskell P. Short, and John W. Sorrelle were named to the by-laws committee.

Members of the ritual committee are Wynn G. Moseley and Andrew J. Briggs.

Other charter members are Robert G. Smith, Charles W. Faircliff, Carl A. Christ, Thomas R. Spillman, Robert B. Pichford, and Jerry A. Finch.

The club is a professional organization of men journalism students at the University.

Helen Hutchcraft of Paris was elected class secretary deferring Gene Combs of Hazard.

Judge Rutledge To Be Speaker For Graduation

ANY OF THIS STUFF YOURS?

The Political Science Department reports that it has a raincoat, a hat, and six books left in the department by students. The owners may have them by calling by the office, Room 106, of the semi-permanent building located front of the library, and describing them.

Dr. Lawrence S. Thompson, head librarian at Western Michigan College, Monday was appointed Union Library by the Board of Trustees.

He will succeed Miss Helen King who will serve as assistant librarian until her retirement next year.

Dr. Thompson received his doctorate degree from the University of North Carolina and has served as assistant to the librarian at Iowa State College, special agent in charge of the FBI in New York, and as an instructor at North Carolina and in the U. S. Department of Agriculture Graduate School.

The board named Alfred B. McEwen of Mercer College as professor of law, Vernon A. Musselman of University of Denver as professor of business education, and John T. Masten, of Kalamazoo, Mich.) College associate professor of economics.

Service Fraternity Initiates Eight Men

Eight men were initiated into Alpha Phi Omega, national service fraternity, at Castletown Park Sunday afternoon in class reunion.

The initiates were Frank Bassett, Raymond Hoag, Robert Marcell, Lee Miles, Sidney Nell, William Sharp, Omer Strickelmeier, and Calvin Hall. Scout executive of the Bluegrass Council, Mr. Hall was named Scouting advisor for the organization.

The following men have been pledged to the organization: Edw. H. Edgeworth, Edw. Hoag, Wyatt Insko, Seth Nuckels, William Harco, Thomas Smith, William Smith, and Kyle White.

At a recent meeting the fraternity elected the following officers: vice-president in charge of service, William Brown; vice-president in charge of membership, Thomas Poe; president in charge of social activities, Martin Wilford; treasurer, Joseph Craig; corresponding secretary, Robert Stewart; historical secretary, W. A. C. Taylor; secretary, Harry Cooper; chaplain, Russell Ford; and sergeant at arms, Omer Strickelmeier.

Speaker for the baccalaureate exercises will be at 4 p.m. Sunday, May 30, in Memorial Hall. It will be the Reverend Leslie E. Smith, pastor of the Central Christian Church of Lexington.

Tickets for degrees will assemble in caps and gowns for the baccalaureate services at 3:30 Sunday on the main walk between the library and the Administration Building.

Baccalaureate services will be followed by a Student Union baccalaureate reception in the Union Building.

President and Mrs. H. L. Donovan will give their annual tea, especially for graduating seniors, at 4 p.m. Thursday, June 3, at Maxell Place. Guests of the graduating class, faculty, and trustees will also be welcomed.

James Park, 15, Fayette County, will be principal speaker at the annual commencement luncheon at 12:30 p.m. Friday, June 4, in the Student Union Ballroom.

Dorothy Evans Resigns Post

Miss Dorothy Evans, social director of the Student Union Building, has resigned and will be replaced by Miss Margaret Bruce Cruise at the end of this quarter.

Miss Evans who has been social director of the SUB for five years is married to Dr. Richard Crutcher of Lexington on June 18.

Miss Cruise was graduated from the University in 1938 and was employed in the office of the dean of women and the personnel office before assuming her new duties.

Donovan Speaks To Campus Club

The Heidelberg University program was discussed by President Herman L. Donovan, at a dinner meeting of the Campus Club, Monday in the Home Economics Building.

Elizabeth Doyle was elected president for the coming year and Lucy Hogan vice president, and Mabel Gunna, secretary-treasurer.

The committee in charge of arrangements for the dinner consisted of Mrs. Frances Kendall, chairman, Maudie Harrison, Miss Mackie Russell, Miss Carolyn Spicer, Miss Margaret Bruce Cruise, Miss Pearl Parker, and Mrs. John R. Evans, retiring president, who introduced the speaker.

Senior Officers Are Elected

spirited election Wednesday afternoon, Hubbard was selected over four other candidates and Paul Crowder of Lebanon being elected by a small margin.

Helen Hutchcraft of Paris was elected class secretary deferring Gene Combs of Hazard.

Proficiency Exam Deadline Monday

All Arts and Sciences students planning to take the Foreign Language Proficiency Examination before the close of the quarter must register for the test in the office of the Dean, 133 McVey Hall, not later than Monday, May 31.

Press Club Reactivates

The Henry Watterson Press Club has been reactivated on the campus of the University of Kentucky.

Stanley J. Schill, Valley Stream, N. Y., was elected president; Raymond N. Fulton, Sharon, Pa., vice president, and Thomas E. Diskin, Ft. Thomas, Ky., secretary.

Monte R. Tussey, James C. Eddie-man, Haskell P. Short, and John W. Sorrelle were named to the by-laws committee.

Members of the ritual committee are Wynn G. Moseley and Andrew J. Briggs.

Other charter members are Robert G. Smith, Charles W. Faircliff, Carl A. Christ, Thomas R. Spillman, Robert B. Pichford, and Jerry A. Finch.

The club is a professional organization of men journalism students at the University.

Helen Hutchcraft of Paris was elected class secretary deferring Gene Combs of Hazard.

James Park, 15, Fayette County, will be principal speaker at the annual commencement luncheon at 12:30 p.m. Friday, June 4, in the Student Union Ballroom.

Senior Grades Available

Graduating Seniors may receive their grades for this quarter in the Recorder's Office in the Administration Building on or after Wednesday.

Stoll Resigns; Huguely Is Chairman

Judge Richard C. Stoll, a member of the Board of Trustees for 50 years and chairman of its executive committee for 30 years, resigned from the executive committee Monday because of ill health. He will continue as a member of the board, to which he recently was reappointed for another term.

Guy A. Huguely, Lexington, was elected chairman of the executive committee succeeding Judge Stoll, who resigned from the executive committee because of ill health.

The following statement was issued by the committee: "The resignation of Judge Stoll's resignation is a personal matter and the committee has no comment on it."

Mr. Guy A. Huguely was then elected to succeed Judge Stoll as a member of the executive committee as its chairman.

Judge Stoll has been chairman of the executive committee for thirty years. During this entire period he has rarely missed a meeting of the executive committee.

The members of the executive committee expressed to Judge Stoll their very great appreciation for his long and devoted service to the University.

Mr. Guy A. Huguely was then elected to succeed Judge Stoll as a member of the executive committee as its chairman.

The club members selected Elvis Stash as president of the club, first appointed to the Board of Trustees, Governor Earle C. Clements recently appointed him another term as a member of the board.

William Haag Chosen Faculty Club Head, Stahr Also Named

William C. Haag Jr., assistant professor in the Department of Anthropology and curator of the museum of anthropology, has been elected president of the University Faculty Club for the coming year.

The club members selected Elvis Stash as president of the club, first appointed to the Board of Trustees, Governor Earle C. Clements recently appointed him another term as a member of the board.

81st Commencement Largest In History With 800 Candidates

Wiley B. Rutledge, associate justice of the United States Supreme Court, will address the largest graduating class in the University's history at the 81st annual commencement exercises at 7:30 p.m. Friday, June 4, on Stoll Field.

The approximately 800 students who will be present for degrees will assemble in caps and gowns for the commencement procession at 7 p.m. on the driveway between Stoll Field and the Student Union Building.

Honorary degrees will be awarded to twelve individuals who are considered to have distinguished themselves in the past. They are Gov. Earle C. Clements, Charles I. Dawson, Louisville attorney and former judge of the U. S. District Court, Don Whitehead, Associated Press war correspondent, and Hal Price Headley, Fayette County throughbred racing trainer.

Each graduating senior is permitted four tickets in the reserved section of McLean Stadium at Stoll Field for relatives attending the commencement exercises. These tickets may be obtained from the Dean's Office.

More Tickets Available

Any student who has more than four relatives who are to attend the ceremony may inquire at the office of Women's office on the morning of June 4 in case any tickets are unrecalled. Dean Jane Haselden announced.

Beginning with the baccalaureate exercises Sunday, next week is designed to entertain and entertain other functions for the benefit of graduating seniors and alumni who will be present for class reunion.

Provision has been made in case of rain for either baccalaureate or commencement exercises, already scheduled for Memorial Hall will form its program in the south basement of Memorial Hall if the weather is bad.

Commencement exercises, set for 7:30 p.m. Friday, June 4, in the Student Union Ballroom.

Tickets for degrees will assemble in caps and gowns for the baccalaureate services at 3:30 Sunday on the main walk between the library and the Administration Building.

Baccalaureate services will be followed by a Student Union baccalaureate reception in the Union Building.

President and Mrs. H. L. Donovan will give their annual tea, especially for graduating seniors, at 4 p.m. Thursday, June 3, at Maxell Place. Guests of the graduating class, faculty, and trustees will also be welcomed.

James Park, 15, Fayette County, will be principal speaker at the annual commencement luncheon at 12:30 p.m. Friday, June 4, in the Student Union Ballroom.

Tickets for the luncheon are on sale for \$1.25 and must be bought before the week of June 10, 1948.

Miss Shuff estimated that the cost of feeding the mascot will be \$3 per week.

7 Pass Bar Examination

George T. Muenchkamp, law College senior from Fort Thomas, achieved the highest score among those who took the State Bar examination here April 14.

Following the results, the Board of Examiners did not reveal the actual grades scored, in the 100-point test which was given to at least 75 is required to pass. Those from the Law College attaining passing marks were Daniel D. Ball, James E. Barnham, John C. Wooten, James McCarthy, and Miles Sparks, and James C. Deack.

Muenchkamp's score was exceeded only by that of Ralph Salsbery, who took the examination, 20 passed.

A Look To The Future

To some of us at the University of Kentucky — to the graduating seniors — final exams mean more than just the completion of another term. They mean the finish of an entire chapter in their lives, that chapter called "college."

For four years the University has been an integral part of their lives. They've lived the much talked-about "best years of their lives."

The many phases of University life have affected them in many ways — with the broader knowledge of cultural things, a greater appreciation for contemporary problems, and with a firmer foundation of practical training that will make them the leading citizens of the state and nation.

What these things have meant in a personal way is something private with each individual but what they will mean to the future of the country and the world is the concern of everyone.

Graduating seniors are an important component of the everyday day of the University. In their hands and actions lays the future.

They face a task which they should be better equipped to face than any other group of individuals in the nation. To them are extended congratulations on achieving their immediate goal. Let them remember that they represent the University and that their futures reflect the accomplishments of the University of Kentucky in so training them.

Letters To The Editor

To the Editor:

This is a letter of protest. We want the campus, the community to know that not all students, staff, and faculty are in accord with President Donovan's "Adopt Heidelberg" program.

We believe extensive American aid to education can be a wholesome and constructive thing. We accept the word "Adopt" but reject "Heidelberg." Let our contributions go rather to destitute institutions which were not responsible for millions of brutal, uncivilized atrocities.

It is naive to follow the Kernele's theory that all Germans connected with the University have — after embracing Nazism with associated prejudices and inhumanities — now completely rejected them. These people for whom Dr. Donovan pleads help — embraced Nazism. How else could but a handful be alive today? If help is sent certainly it should first go to France, Norway, Holland etc. — countries which have proven their belief in Democracy and their right to live in a civilized world.

Two Staff Members

Editor, The Kernel:

The proposed Selective Service Bill now before the Congress of the United States, at this date, contains no provision for educational benefits to men who will be drafted.

Many of us in the 18-30 age group affected will have our college training interrupted for such service. We feel that we should receive government aid to complete the interrupted education and further that such aid should be extended to qualified men who, at present, are unable to afford the cost of higher education.

Our case is based on the fact that similar benefits were given to men enlisting or drafted into the Armed Forces up to 15 months after the cessation of hostilities. Money spent for legitimate education is a sound investment in the future of our country.

We urge all interested students and citizens to contact their congressmen at once. We also request interested students or student committees to contact us to assist in a nationwide publicity program.

Yours very truly,
The Student Committee for Educational Benefits
William M. Porter, Chairman

Editor, The Kernel:

It is surprising how few students bother to read the daily papers. If they did, they would have noticed how the draft bill forges its way through Congress, and that it

most probably will provide in its final form for the drafting of a limited number of men in the 18-30 age bracket.

There is a considerable number of such students here on the campus, and one wonders whether they realize how seriously this may affect them by interrupting their education.

A provision has, however, been introduced into that bill enabling young men who on one hand do not want to interrupt their education for a considerable time, and on the other hand do not want to shirk their patriotic duty, to have their cake and eat it.

Young men enlisted in the National Guard and going their military training with the Guard at the time when the bill becomes law will be exempt from call-up. 33rd Battery, 1st Field Artillery Batt., the Army, Old Frankfurt Pike, Lexington, is below authorized strength and is recruiting. Their telephone number is 9413.

CLIFTON C. CARPENTER

Law College Begins Short Term June 7

Registration for the two weeks intersession for the College of Law will be held in the Administration Building from 1:30 to 2:30 p.m., June 7.

Classes will begin the morning of June 7. Dean Alvin E. Evans said.

"Tell me, Hugh, does she go for Dentyne Chewing Gum?"

"Sure she goes for Dentyne Chewing Gum, George — that's basic — that swell, long-lasting Dentyne flavor sends her as much as it does you or me. She likes the way Dentyne helps keep teeth white, too. Dentyne Gum — Made Only by Adams"

Let's Keep The Wildcat

Suky, which is no longer allowed to collect money by vending candy and cokes at the football and basketball games, has no visible means of support for our Wildcat mascot.

Since Colonel's feeding costs are not included in Suky's Athletic Association budget, Suky members are taking contributions to "Feed the Kitty" and have placed collection boxes for that purpose in strategic spots on the campus.

It is estimated that it costs from three to five dollars a week to feed the wildcat and Suky wants to raise enough money to keep Colonel going until the Wildcat-Oilers game, July 9, when a large collection will be taken up for the same purpose.

The student body wanted a wildcat mascot last fall but have since grown apathetic about it as Colonel made only two public appearances last year.

Plans are now under way to build an outside cage so that Colonel will be on exhibit at all times to students and visitors. It is also expected that Colonel will make appearances at all basketball games when the new fieldhouse is completed and there is room for the cage.

If we want to see our mascot at the football games this fall and in later years, let's help "Feed the Kitty" by placing our contributions in the collection boxes which are now out all over the campus and by contributing again at the Kentucky-Oilers game this July.

Editor's Reply

Two Staff Members:

I disagree with your point of view on the "Adopt Heidelberg" plan. I do not believe that Heidelberg is a "destitute institution which is responsible for millions of brutal uncivilized atrocities."

It is agreed that many persons of the German nation were wholly responsible for atrocities committed before and during the war and that these persons should certainly be severely punished as many of them have already been.

times they even have the same name. If you don't believe it, ask Tommy Underwood.

"Mouse" Seaman is burning because Charlie Pritchett sent him a date bill to the Sigma Nu formal. Charlie's taking Momie.

Board Approves Changes

Appointments, resignations, leaves of absence and other staff changes were approved Monday by the Board of Trustees.

Major changes follow:

College of Arts and Sciences—Appointments: Virginia Parrish, instructor in romance languages for two months, effective July 1; Lynn Jacobson, instructor in geology; T. Lesser, assistant professor of mathematics and astronomy.

Resignation: Alexander Capurso, professor of music and head of the Department of Music, effective July 1.

College of Agriculture and Home Economics—Appointments: William B. Beck, assistant in farm management, Department of Farm Economics; Robert W. Rurd, assistant economist in agricultural marketing, Department of Markets and Rural Finance, Experiment Station; Charles Bernhart, instructor in animal husbandry and assistant in animal husbandry, Experiment Station; Glenn Johnson, associate economist, Department of Farm Economics, Experiment Station.

Leave of Absence: L. Holmes Ellis, county agent, granted leave of absence from June 1 to May 31, 1949, to accept the position of Assistant Commissioner of Agriculture, Frankfurt.

Resignation: Paul Hanna, field agent in dairying.

College of Engineering—Appointments: Hansford W. Parris, assistant professor of electrical engineering.

College of Law—Appointments: Alfred W. McEwen, professor of law, effective June 1; Vernon A. Masselman, professor of business education. Resignation: David C. Crum, psychologist.

Leave of absence: Carole Hammond, professor of agricultural education and head of the Department of Agricultural Education.

Tau Beta Pi Plans Picnic Tomorrow

Tau Beta Pi, engineering honorary, will have a picnic tomorrow at High Beach. Wives and dates have been invited. Butler Durham, electrical engineering student, is in charge of arrangements.

Senior engineers had an outing Tuesday at Boonesborough Beach. A softball game between the seniors and faculty was featured in the afternoon. A banquet was served in the pavilion at 7:00 p.m. Bob Hayes, electrical engineering senior, was in charge of arrangements.

Alpha Lambda Delta Elects New Officers

Newly elected officers of Alpha Lambda Delta, freshman women's honorary, are: Louise Rhoads, president; Martha Durham, vice president; Rosemary Haley, secretary; Mary Lou Hiten, treasurer; and Shirley Farmer, historian.

Anna Odor Leaving University To Work For Quakers Abroad

Miss Anna Odor, assistant professor of German, has resigned from the University staff to become a relief worker with the American Friends Service Committee in Koblenz, Germany.

Miss Odor, a 1940 graduate of the University of Kentucky, received her Ph.D. degree from the University of Illinois in 1944. She has been on the staff here for about three years.

After a month of training in Philadelphia, Miss Odor will sail for Europe later in July. Her work with the AFSC, a relief organization sponsored and managed by the Quakers, will be in the clothing distribution center of Koblenz.

The AFSC was organized in 1917 during the first world war. Although it is operated by the Quaker church,

Gotta Smash Trucks, Necks To Join TB?

UK has another honorary — this time Tau Beta Why (TBW) or the Royal Order of the Green Bananas. To become a member of this illustrious civil engineering honorary, a student must turn over a truck, break some surveying equipment, or his neck — some of actively prefer-ably surveying camp.

Fledgling exercises were held Tuesday in the Engineering College when each pledge was honored by being tapped on the head with a green banana. — Some joker preferred brown bananas but the pledges objected.

Charter members and their deeds of heroism are Staley Adams, who turned over a surveying truck; Clark Haggard, who obligingly fell off a cliff at surveying camp; Donald Montford, who dropped a transit while trying to be coy; Irvin Stern, most illustrious pledge who cut a chain in half thinking it was a rat; the snake; and Ralph Sullivan whose deeds of valor are unprintable.

Nathan Guff was presented with the original charter because of his outstanding service rendered in the Battle of the Buckhorn.

Prize news piece for '47: The returning of all the Christmas cards mailed by one lady, due to her having cut her three cent stamps in two thinking to use them as cent and a halfers.

Here's a RECORD Topping the List

"Saxa-Boogie"—Sam Donahue's latest recording for Capitol

SAM DONAHUE'S slick-style waxing of this jazz-boogie instrumental is fast hitting the top in popularity.

Sam is a Camel fan from 'way back. As he puts it, "Of all the brands I've tried, Camels suit me best. They're mild and cool smoking — and Camel's full rich flavor always hits the spot!"

Try Camels on your "T-Zone" — T for Taste, T for Throat.

See for yourself why, with Sam Donahue and millions of other smokers, Camels are the "choice of experience."

And here's another GREAT RECORD!

CAMELS suit my 'T-zone' to a T!

More people are smoking CAMELS than ever before!

Shown above is the chorus of Delta Xi Delta fraternity, ten times winner of the all-campus sing. They will represent the University chapter at the bi-annual meeting of Kappa, national convention of all Delta chapters, to be held in French Lick Springs, Indiana, August 19, 20, 21.

ALUMNI NEWS

THEN and NOW

PERSONALITIES

Kenneth L. Stephens, B.S. '46, of Covington, Ky., was among the 77 graduates May 24 of a month's intensive sales training course held by Johns-Manville to meet the impending return of competitive selling. Mr. Stephens will be a candidate for the degree of Bachelor of Science in Commerce from the University this June. The course completed by the University man was held at the Westchester County Club, N.Y., and included an intensive study of building products and of basic salesmanship. The purpose of the course is to equip the company's salesman to serve its dealers better through greater recognition and knowledge of their sales and technical problems. Stephens, a native of Lexington, joined the organization in April of this year. He served four years in the U. S. Navy during World War II.

Jack Scott, candidate for the B.S. degree in Agriculture in June, has accepted a position as assistant agriculture teacher in the Irvington school. Mr. Scott will have charge of the veterans' classes in the Irvington High School. Betty Jane Tuttle, a candidate for the A.B. degree in Journalism at the June commencement exercises, has accepted a position as general news reporter and feature writer on the Hartian Daily Enterprise. She is a native of Lexington. Robert W. McDonald, who will receive his B.S. degree in Commerce in June, has accepted a position as assistant manager with Kroger in Louisville. His family, including his wife, the former Ruth White, Ex. '43, of Springfield, Mo., and their two sons, Robert Jr. and James Tuttle, will join him in Louisville in June.

Arnold F. McRae, '43, formerly of Lexington, now of Mobile, Ala., was a visitor in the Alumni Office last week. Mr. McRae served five years in the U. S. Army in World War II, having been stationed in the Philippines and in Japan. He returned to this country in January of this year having completed his tour of duty in Japan. Julian H. Taylor, '36, of Georgetown, was on the campus last week, making application for tickets to the Kentucky-Oleis basketball game which will be played on the campus on July 9. Mr. Taylor is an active member of the Alumni Association and interested in all of the University and campus activities. First Lieut. Thompson S. Whitaker, Jr., of Frankfort, former University of Kentucky student, recently reported to his new overseas assignment with a Jet Fighter Wing, in the Far East Air Force on Okinawa. Lieut. Whitaker, a graduate of Frankfort High School, attended the University from 1933 to 1942. This is his first tour of overseas duty with the Air Force. Mr. and Mrs. George T. Lamson have moved from Louisville to Lexington to make their home. Mr. Lamson was graduated from the University in 1940, and Mrs. Lamson, formerly Frances Hanna of Shelbyville, was graduated in 1941.

Newman Club Elects Mike Clare President

Mike Clare, Louisville, has been elected president of the Newman Club, campus Catholic organization, to succeed George Martin, of Lexington. Other officers are Alex Croxon, vice president, Loraine Cornelison, treasurer, and Betty Stanley, secretary. The officers were installed at a banquet Sunday night at which the Rev. Father Boucher of Carlisle was the speaker.

Darbishire Plans Tour In Europe

Shelby Darbishire, the Student Government Association delegate to Europe this summer, will visit Italy where he will study the fine arts. Darbishire said that he would welcome interviews with students about any problems they might want him to investigate that may be of value to the student body here. He had applied for a tour of France but was assigned to Italy. Forty American students are scheduled to make tours with Darbishire with four groups of 10 each going to the different countries. Darbishire, an Arts and Sciences sophomore from Danville, is especially qualified to represent the University abroad. He grew up in Athens, Greece, where his father was a college professor. His father, an American, is back in this country now. Darbishire attended school in Switzerland for two years and has visited almost every European country. He speaks French well and can read and understand German. In answer to a question on the preparations he is making, Darbishire stated that he had been preparing for the French tour but now he would have to begin a general study of Italy. A professor in the College of Agriculture and Home Economics is preparing a list of topics for him to find out about foreign agriculture.

Block And Bridle Honors Cattle Man

The Block and Bridle Club of animal husbandry presents honored S. D. Mitchell, Fayette county Shorthorn cattle breeder, at the club's annual banquet Tuesday night. James D. Kemp, Pickett, was presented the senior merit trophy by Dr. W. P. Garrigus. Winners in livestock judging announced during the program were Carl Hamilton, Ike Hubbard, and John Cooper. C. A. Lewis substituted as speaker for Tom Underwood, editor of the Herald, and David Hatcher, president of the club, acted as toastmaster. New members initiated into the club were E. Burns Barker, Jacob B. Hayden Jr., Donald M. Laffoon, John H. Lebus, Bernard Ferraro, Harold B. Price, and Ryburn Weakley.

Harold Friedly of Frankfort will leave New York on June 18 for a WSSP study tour of Rumania and Bulgaria. He will return to the United States in September. After his return Friedly will serve as traveling secretary of WSSP until February when he will return to the campus to complete his work for a bachelor's degree in history. He will be graduated in June of 1949.

Education Club To Help Plan Courses

Students may soon have more voice in forming the curriculum of graduate courses in the College of Education if plans being made by the Graduate Education Club materialize.

The club was formed this week by graduate students and faculty of the college for the purpose of promoting "new and better" experiences in democratic living. Frank D. Bean, Hartford, who was named temporary chairman, said the group would advocate student participation in planning certain graduate courses, and in the formulation of college of Education policies which directly affect graduate students. The new organization is an outgrowth of recommendations recently made by a seminar committee on democracy which studied the problems of graduate students in the college. The committee was composed of Bean, Carl Barnett, Howard Jones, and George Coel. Dr. Ellis F. Hartford of the College of Education staff pointed out that the group would be a counterforce to the present situation. Two years after planting, the hickory tree often attains a height of 20 feet.

DU PONT Largest For Students of Science and Engineering

Well-balanced, diversified research program a major activity at Du Pont

Top-flight scientists from leading educational institutions have 36 modern laboratories at their command. This year about one-third of all Du Pont sales will consist of products which 10 years ago did not exist or were not manufactured on a commercial scale. Behind most of these new products stand the knowledge and initiative of the research man. For at Du Pont, research is a major activity, employing the talents of hundreds of top-flight scientists drawn from outstanding educational institutions throughout the country. Its well-balanced and diversified program is carried out in 36 laboratories, which house the facilities of the 10 manufacturing departments, the Haskell Laboratory of Industrial Toxicology, and the Research Laboratory of Organic Chemistry. Research workers in the Chemical Department are encouraged to assume important responsibility in the formulation and prosecution of research programs. They have at their disposal a variety of expert technical services and the most modern equipment available for conducting research. An example of the special facilities available is the Pressure Research Laboratory, equipped to handle a wide range of exploratory chemical reactions and polymerizations at superpressures. It is staffed by chemical engineers who work closely with chemists in studying reactions at very high pressures. Use of Special Facilities A number of important research accomplishments have resulted from the use of high pressure facilities. Among them are the hydrogenation of fatty acids and esters to long-chain alcohols: C₁₈H₃₆O₂ + H₂ → C₁₈H₃₈OH + ROH catalyst

In Pressure Research Laboratory, M. C. Nelson, B.S. (Ch.E.), Iowa State '40, and O. F. Heger, Ph.D. (Chem.), Wisconsin '42, weigh materials into autoclave preparatory to a run. The chemical Department Program The Chemical Department, a separate department reporting directly to the Du Pont general management, has a technical staff of approximately two hundred chemists, chemical engineers, and physicists. Its work consists primarily of two types of research: (1) Fundamental Research, aimed at the advancement of scientific knowledge in fields of present or potential interest to Du Pont, without regard to specific commercial objectives. (2) Finishing-Applied Research, concerned with new processes, products, and uses. A substantial volume of the Chemical Department work is carried out under sponsorship of the manufacturing departments in close cooperation with their laboratories. Research workers in the Chemical Department are encouraged to assume important responsibility in the formulation and prosecution of research programs. They have at their disposal a variety of expert technical services and the most modern equipment available for conducting research. An example of the special facilities available is the Pressure Research Laboratory, equipped to handle a wide range of exploratory chemical reactions and polymerizations at superpressures. It is staffed by chemical engineers who work closely with chemists in studying reactions at very high pressures. Use of Special Facilities A number of important research accomplishments have resulted from the use of high pressure facilities. Among them are the hydrogenation of fatty acids and esters to long-chain alcohols: C₁₈H₃₆O₂ + H₂ → C₁₈H₃₈OH + ROH catalyst

Many other outstanding products have come from Chemical Department research, including neoprene, the versatile synthetic rubber; sulfamic acid, an inorganic flame retardant and weed killer; "Astrulone" synthetic musk; and nylon, the first wholly synthetic textile fiber. The Du Pont's research policy is founded upon a continuing and well-balanced program, which is backed up with modern research facilities. But most important of all is the quality of men that Du Pont attracts. From their constant flow of ideas back and forth are coming the better things for better living of the future.

Questions College Men ask about working with Du Pont What Levels of Training are Required for Laboratory Work? College-trained men with Ph.D., M.S., and B.S. degrees are engaged for research and development work at Du Pont. Those with advanced degrees usually being assigned to the more fundamental studies. Approximately 30% of the technically trained laboratory personnel hold doctor's degrees. About 20% have master's degrees. The majority of Chemical Department men are Ph.D.'s. Write for booklet, "The Du Pont Company and the College Graduate," 2218 Neenah Bldg., Wilmington 98, Del. Those Final Exams Bring Sobs Of Mental Frustration

By Stanley J. Schill
Dig out them 'dust rags' chilton and dust off them textbooks—then throw them that "exams" is lava again.
Just six days from now, the blood sweat and tears will be flowing again as young hopefuls catch their first glimpses of their final examinations and break down into long broken-hearted sobs of frustration.

Pencils will be broken in anguish and guaranteed ball point pens that "will not require filling for fifteen years" will suddenly decide that time's up, and run dry at the worst possible time.

Lucky Grads
Women will leave on their vacation with tears in their eyes, and men will be swearing never to set foot in a school again. But—they'll be back again, ready to go through the whole shebang match all over again—except for those thankful souls who will tack their sheepskins under their arms and leave these "hallowed halls" to face the realities of the world.

Ancient Languages Offers Assistantship
A \$600 graduate assistantship will be awarded to a qualified student desiring to do advanced work at the University in ancient languages during the 1948-49 academic year. It was announced by Dr. Joseph W. D. Skiles, head of the department.

Rare Book Search On
So, with that, we rush off to dig in the corners of our rooms to find books that we have not seen since the day some wise soul in the book store told us we would need them. Oh, how right he was!

Pity The Poor Prof
In all your brainwork however, don't forget the poor instructor who will have to sit up nights correcting those minor masterpieces while you-all take it easy over a mint julep when the torture is through. The answer to that is, of course, why give examinations at all? Well, even college professors must earn a living, though there are easier ways.

Good Luck Seniors

May we take this opportunity to wish each and every graduating senior the best of good fortune. We have enjoyed serving you in the past and hope that our service has been a complete satisfaction.

UNDERGRADUATES

Here's hoping you have a bang-up summer and that you get plenty of the sun tan you've been wanting.

Becker's will look forward to serving you next fall.

You Got That Kinsey Book?

If your roommate has been flaunting a copy of the Kinsey Report since April 27, take a look inside the book cover — it may belong to the University library.

The only copy of the best selling "Sexual Behavior in the Human Male," disappeared only three days after it was available for checking-out purposes. Only one person was able to check it out, and she swears she returned it, a librarian spokesman said.

"I dreaded to see it go out, because I knew it would never get back," the librarian said. "And it didn't." She added that the book is already delinquent.
Kinsey's volume had to wait two or three weeks while the library staff prepared it for cataloging.

Several scientific-minded students had put in their names for the report, but they never got a chance, according to the librarian. There is still at least one call every day for the volume.
The library people can only speculate as to its whereabouts, whether it is in a barracks room or eating a sorority-house table, but they have been heard to mutter something about \$6.50 gone down the drain.

Women Athletes Elect Orr President

Charlotte Orr was elected President of the Women's Athletic Association at a recent meeting.

Henrietta Arent was elected vice president, Leah Calhoun, secretary, and Julia Conway, treasurer.

Sig Eps Play Louisville Chapter

Sigma Phi Epsilon played a softball game last Sunday afternoon with the chapter from the University of Louisville at Woodland Park. Louisville won by a score of 13 to 5.

Chemistry Fraternity Honors Officers

Alpha Chi Sigma, professional chemistry fraternity, gave its annual Spring picnic recently at Clifton. The picnic was held in honor of the fraternity's newly elected officers.

Bob Seay is the new master alchemist, S. J. Whalen is vice master alchemist, Robert A. Beldit is reading of classical languages, Skiles said.

Faculty Personals

Vandenbosch Is Author
Dr. Amry Vandenbosch, head of the Department of Political Science, is author of two articles appearing in current magazines. In the "Annals of the American Academy of Political and Social Sciences," he has written an article on the Far East. In the Virginia Quarterly Review he is author of an article, "Twilight of the Dutch Empire."

Seay Graduation Speaker
Dr. Maurice Seay, dean of the University, was the speaker at the graduation exercises of three Central Kentucky high schools last week.

Intramural Sports • By Dudley Saunders

The intramural softball championship game will be played this afternoon at 4 o'clock on Stoll Field, after permitting. The undefeated Tipplers who are favored to top the crown will meet the winners of yesterday's Kinkead Has-Huster contest.

For the Tipplers either Dick Ramsey or Gene Stokely will do the pitching. Each is fast enough yet to lose this season in IM competition. Kinkead Hall if they get by the Tipplers will start Bob Wodtke or Jim Hill. Wodtke has a no-hitter and a two-hit game to his credit in spring.

The Tipplers will depend upon right-hander Brown in the little game providing they were able to overcome Kinkead Hall yesterday. No matter who wins the semi-finals the championship game should be a close one for both the Tipplers and Kinkead Hall who have suffered their only loss at the hands of the Tipplers and both games were 1-0 decisions.

In games played last Thursday, Lambda Chi beat Sigma Chi, ACPA defeated KA, Bradley Hall beat Phi Sigma, Tipplers beat Kinkead Hall and SAE dropped the Kappa Sigma. Winner of yesterday's game plays Tipplers at 4:30 today on the football field. If the Tipplers win over either team the tourney is over and they are IM champions. However if the other team wins both teams will have to play again Monday afternoon on the same field at the same time.

Bradley Eliminated Bradley Hall was eliminated from the tournament Tuesday afternoon by the Sig Eps. The first team scored one run in the top of the seventh frame to win the tilt, 4-3, in a closely played contest.

Wodtke Hits Two Homers The same afternoon Tuesday, Bob Wodtke, hurling for the Kinkead Hall team, had a field day against the Lambda Chi Alpha 13. The swing lefty, besides winning his third game in four starts, blasted out two home runs as Kinkead defeated LXA, 7-4, to eliminate the latter from the tourney.

Wednesday, Kinkead Hall whipped the Sig Eps in the quarter-finals, 4-3, as Jim Hill gave up only three hits in the time he pitched. Bob Wodtke tossed the final out of the game. The Sig Eps, Gene McMurray took his second decision of the year in this game.

Facing the winners in this contest were Bob Wodtke, Bill Root, Hamman and Dave Reed.

Monday RHE BRH 02017 10 82 AGR 31000 4 32 Batt. Lawson and Dodson; Brinkley and Garrett. LXA 40000 4 42 Kinkead Hall 3310X 7 52 Batt. Truse, Brown and Cooper; Wodtke and Milman. Sig Eps 0120001 4 43 Sig Eps Hall 020000 3 22 Short and Parrish; Spears, Lawton (3) and Hodson. Wednesday Kinkead Hall 21003 6 73 Sig Eps 00209 3 32 Batt. Hill, Wodtke (5) and Wood; McMurray and Parrish.

GROUP PARTICIPATION STANDINGS Harry Gorham of Sigma Chi leads in the IM Individual Point Participation Standings for the 1947-48 season with 44 points, according to figures released yesterday afternoon by Jack Montgomery, official scorer. Close on Gorham's heels is Claude Sproles (ATO) with 41 points. In third place is Don Graham (SX) with 33 points. Jack Acker (PSK) is fourth with 31 1/2 points, and Bill Branch (SX) is fifth with 27.

MONITORING reported that these standings do not include points scored in the track and field during this week's competition in any IM sports.

SIGMA CHI LEADS Although the final count of points for the Group Participation award won't be available until after June 1, Sigma Chi apparently has the title clinched. When the last official count was made some 1 1/2 weeks ago, they led with a 62 point margin over their nearest rival, Delta Tau Delta, with 148 points to 86.

By winning the track meet last week, SAE climbed from fourth place with 77 to well over the 100 mark and apparently has the runner-up spot clinched. The Delta, Phi Sigs, and ATO's round out the top five in what looks to be a pretty close scramble for third place honors.

Final results in all sports and winners of point participation trophies will be announced in the first summer edition of the Kernel, scheduled for June 25, and for those who weren't in school during the summer, the final results will be reprinted in the first edition of this fall, probably on September 24, as well as a round-up of summer intramural sports news.

Semi-final rounds in the singles division scheduled for today, Friday, at 8:30 against Dunn (KS) and Try our

Steakburgers O.K. GRILL Cor. Rose and Euclid None Better Open 11 P.M. to 2 A.M.

TENNIS TEAM ENDS SEASON TOMORROW

By W. T. Perkins

The University of Kentucky tennis team shook off the shackles of defeat which has been trying them down all season and soundly blasted Xavier Saturday.

This was the second one-sided win over the Cincinnati school by Coach Ray Durbin's crew. Love sets was the common practice in the match on Downing courts and Kentucky's No. 2 man, Tommy Ashby won his singles match in white-riveted fashion. Then he teamed with Danny Dickerson to duplicate the same trick. All that Xavier got out of the winners' work was one set in singles and one set in doubles.

Although Kentucky is in the red in the victory column they have played good tennis and met some stiff competition this season. The team will close out their regular season tomorrow by trying to gain a victory over Kentucky Wesleyan. This should not be too difficult for the local boys.

Dickerson (K) defeated Mastandrea (X), 6-3, 6-4. Ashby (K) defeated Page (X), 6-4, 6-3. Dickerson and Ashby (K) defeated Mastandrea and Page (X), 6-4, 6-3. Dickerson and Ashby (K) defeated Mastandrea and Page (X), 6-4, 6-3.

Mack Mages of SAE was the individual high scorer for the day with 13 points scored on victories in the broad jump and 180 yard low hurdles and second place in the javelin.

Smithie Yaworsky, an Independent scored victories in the shot and discus to take runner-up honors with ten points. Alpha Tau Omega's shot ball scored all his team points in four starts, blasted out two home runs as Kinkead defeated LXA, 7-4, to eliminate the latter from the tourney.

Wednesday, Kinkead Hall whipped the Sig Eps in the quarter-finals, 4-3, as Jim Hill gave up only three hits in the time he pitched. Bob Wodtke tossed the final out of the game. The Sig Eps, Gene McMurray took his second decision of the year in this game.

Facing the winners in this contest were Bob Wodtke, Bill Root, Hamman and Dave Reed.

Wright (SAE) against Beylele The doubles team of Lewis and Rowland (PP?) meets Norman and Scott of Triangle in the first semi-final match today, and Griffin and Oregon (KA) meets the winner of the Nash-Snowden (KA) vs. Stewart-Dunn (KS) match.

Championship matches in both the singles and doubles division of the Handball tournament were played last night. Norman Klein (ZPT) and Jim Jordan (SX) squared off at seven o'clock for the singles crown and at eight o'clock Jordan teamed up with Don Graham under the Sigma Chi colors against Claude Sproles and Roy Perkins of ATO for the doubles title.

Tennis Only two teams have advanced to the semi-final rounds of the Tennis doubles tourney and each in different brackets. Sproles and Stamper (ATO) meet the winner of a SX-SAE match in the upper bracket. In the lower bracket the SAE team of Holland and Shearer meets the winning team in a Delta-Lambda Chi

THE PHILLIPS 66 BASKETBALL TEAM The Phillips Oilers basketball team, winners of the AAU championship and the Olympic Trials this past season, are shown above. They are, left to right, Bob Kurland, Ed Besser, Gerald Tucker, Jesse "Cab" Renick, Jack Perrault, Lew Beck, Coach Bud Browning, Gene Jones, Buddy York, Dick Reich, K. C. Pitts and Gordon "Sherry" Carpenter.

NCAA Baseball Tourney To Be Held June 25-26

The National Collegiate Athletic Association baseball championship, last year by the University of California, will be held again at Kalamazoo, Michigan. The date for the college "world series" playoffs will be June 25-26.

The winner of the Southeastern Conference (Alabama or Mississippi State) will meet the champion of the Southern Conference for the Third District title. The Eastern Regional champ then takes on the Western Regional survivor for the NCAA title.

Last year, Alabama won the SEC crown, lost to Clemson in the Third District playoffs. However, Clemson later lost to Yale at New Haven, Conn. T.C. Meanyville NYU defeated Illinois 2-1. Then Yale defeated the NYU Violets 6-4. The Bulldogs met the Western winners, California, at Kalamazoo in the finals.

In a two-out-of-three series, the California Bruins won 17-4 in the first, and captured the second 8-7 for the NCAA crown.

The University of California nine is weaker this season as a result of injuries, ineligibilities, et al. The pitching staff was especially hard hit. Dick Lerner, who won the final game over Yale, was declared ineligible. Lefty Virg Butler, another hurler, joined the pros.

In addition, Jim Brown, shortstop, became ineligible, while Johnny Ramos, flashy second baseman was killed in an auto accident.

Four vice presidents were elected including Mary Ann Goodson, Julie Ann Jones, Sidney Neal, and Tom Underwood, Jr. Betty Jameson Wright was named secretary and Robert Hilges was elected treasurer.

BASEBALL DISTRICTS The following states have been divided up into districts by the NCAA baseball committee. They are, according to districts, as follows:

1. Maine, New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut.

"The man who has not anything to boast of but his illustrious ancestors is like a potato—the only good belonging to him is underground."—O'Connell.

TIPS ON TOGS by Link

Cool Character—"That's what you can be this summer—cool and comfortable in a suit of lightweight tropical slacks. So reasonably priced, you will be able to afford more than one pair because they sell for \$15.—The trousers are soft pastel shades of tan, beige, brown, blue-gray and green—perfect for sport coats or sport shirts—Why sweater through the summer when you can be cool, calm and collected—another cool (there's that word again) number is the "Lordly" Cord or Serravallo sack suit—lots of fellows are using the coats of these suits as light sport sack coats with odd trousers—you can work some nice combinations with these suits.

A Wise Head—Will be protected from hot sun rays with a good looking summer straw hat. "Malroy" straw hats are treated with a special process of "Crown-venting" and showers will not play havoc with their shade—for those times during the summer when you feel inclined to sharp up a bit—wear a straw with your summer suit and wear (there comes a commercial) a "Malroy".

My Opinion—This week I have selected Jack Fitzgibbon—Did you see the snazzy sport coat he is sporting these days? His selection of slacks and accessories were fine. His coat of castor yellow Shetland flannel, he complimented with a pair of dull grey flannel slacks, grey button-down shirt, black knit tie, black ribbed socks and white buckskin loafers.

So long for now LINK PARTIZ CLOTHES SHOP (Opposite Walgreen) 139 West Main St.

You can take the high road

Have you made up your mind on what you'll do when you graduate this June? If not, consider the opportunity available to you in the Aviation Cadets.

Few jobs anywhere can match this offer. When you win your wings and a Second Lieutenant's commission, you're paid as high as \$336 per month to start. The training you get before and after you're commissioned is recognized as the world's finest—and it equips you for a well-paid lifetime career in military or commercial aviation.

You're eligible for appointment to the Cadets if you're single, between 20 and 26 1/2 years old, and have completed at least one-half the require-

ments for a degree from an accredited college or university (or pass an equivalent examination). Talk the program over with men in your class who have been Aviation Cadets. And for full details, ask at your nearest U. S. Army and U. S. Air Force Recruiting Station. Why not drop in today and discuss it? U. S. Army and U. S. Baseball Coach Moseley Is Former Alabama Star

By Kent Hollingsworth

Head Baseball Coach Frank Moseley had, in the 1948 UK season, a hustling, scrappy outfit that might possibly be one of the top ones in the Southeastern Conference next season. All the Wildcat regulars will be eligible for competition again in 1949.

With a little more pitching this season, the Cats might have gone far in the league. The 9 won and 7 lost record for UK this year was most considering the many difficulties that fell upon the team, such as weather and the subsequent slow conditioning of the players.

Coach Moseley finished his sixth season as head baseball mentor for UK. He tutored the club from 1937 through 1941, when he left here for service in the Navy. The 33-year-old coach came to the University from Alabama. He started as the Crimson Tide as quarterback on the gridiron in 1931-32 and in the outfield for the baseball side in 1932-33-34.

During his career at Bama, Moseley helped the Red Elephants win the SEC baseball crown for three straight years. After his graduation he came to UK as backfield coach, a position which he still holds. In March of 1942, he entered the Navy and eventually saw service in the South Pacific while in the Lexington as gunnery officer of the ship. In October, 1945, after his discharge, he went to the University of Maryland, as an assistant to Coach Paul Bryant and finally returned to UK, when Bryant insisted to take over as head football coach here at Kentucky.

A native of Montgomery, Ala., "Mose" played on the same Alabama grid teams as the Wildcats' line coach, Carney Leslie, and made All-SEC in football as a senior in 1933.

Final Baseball Averages
The man with the big bat on the UK baseball team was Cliff Barker, who led his teammates in the all-important Run Batted In department, home runs and total bases. John Slough led the team in hitting with a tidy .408 average and was also out in front in two-base-knocks and stolen bases. Ralph Beard hit the most triples.

Season totals of all players participating in four or more games:
Stough-SS 16 66 23 27 5 1 1 468 18 25 47 9 10 36
Beard-2B 16 65 28 33 4 1 254 32 29 64 7 4 27

Wildcat Pitching Summary:
Wah Jones was the mainstay of the baseball team this year, winning four while dropping two, both to Georgia Tech. Ray Mignerey joined the team after the season was half over but worked every fourth day to win two decisions and lost a heartbreaker to Georgia. Left-hander Walt Hirsch pitched just one contest this year, winning from the mighty Georgia batsmen. Bob Hatchett started the season as the Wildcats' number one hurler, but developed arm trouble and was occasionally used in the outfield toward the end of the season. Benny Zaraska showed form and control in posting a 1-1 record. Cliff Barker moved in from the outfield to pitch the first game of a double header with Georgia Tech, winning easily and allowing only two earned runs.

Golfers Whip Miami, Lose To Vandy

By Tom Underwood

Kearns Hamilton, freshman Wildcat golfer, shot a 68 on the Miami course to lead the team in evening a loss to the University of Louisville here several weeks ago.

Vandy Match
Marvin Lear was the only winning Wildcat golfer as the Kentucky team dropped a 12-9 1/2 decision to Vanderbilt on Nashville's Belle Meade course Saturday.

Hamilton went around the nine-hole par 33 lay-out in 30 strokes his second time around to win his match, two points to one. He had seven threes on his back side and Bud Lewis had 88's but lost their matches.

Tentative plans have been made for next year with Cincinnati, Louisville, Vanderbilt, Illinois, and Case College.

Match scores for the Louisville meet were: full K (5), L (4); epic K (2), L (2); saber, K (3), L (1). Individual scores were: full K (5-2), (4-5), (4-5), Brown, (3-2), (5-2), Solomon, (4-3), (3-4), Neal, (5-4), (5-2); epic, Christen, (3-2), (3-2); LeGrife, (1-3), Solomon, (2-3); saber, Fred, (2-2), (3-3), Christen, (3-1), (3-3).

"Were you copying his paper?" "No sir! I was only checking to see if he had mine right."

DISKINTUCKY

SPORTS ROUNDUP

— Tom Diskin, Sports Editor —

In just 25 days, the Kentucky Wildcats basketball team will play the Phillips 66 Oilers at Bartlesville, Oklahoma. The date of this game is July 2. A week later on Friday, July 9, the Oilers will meet that cats here on Stoll Field before what promises to be the largest crowd ever to witness a basketball game in the South. Some 12 to 14 thousand fans are expected to see this contest.

Then on July 14, the first five players of these two teams, plus four other star basketballers will leave the U.S.A. for London and the World Olympics. The cage tournament will start on August 6 and continue through August 14.

Therefore in this, the last column for us until October, we would like to feature an athlete that students of the University will be hearing and reading much about throughout the coming months. He is Bob Kurland, the seven-foot center of the Oilers, who will spearhead the United States basketball team in the Olympics.

With the possible exception of George Mikan of the Minneapolis Lakers or Joe Fulks of the Philadelphia Warriors, professional basketball, the 32-year-old Kurland is the greatest center in the sport today. The 250-pound giant has been in the sports spotlight since 1942, when, as a member of the Oklahoma A & M quintet in one season, he scored 454 points for the Oklahoma A & M quintet in one season. During his college career, Kurland (1) scored the most points in the history of the Missouri Valley Conference (643 points) and (2) scored the greatest total of points ever made in a season (682 points) in two major teams (682 points).

He joined the Phillips 66 organization after leaving college and in his first season with the Bartlesville, Okla., outfit (1946-47), he made the A.A.U. All-American team. He was selected again this past season. Needless to say, the giant head made All-American center for three straight years at Oklahoma A & M prior to going with the Oilers.

After the July 9th contest here, Kurland and his teammates will join with the Wildcats against the Oilers in the Olympic trials. It will probably be a happy day for Alex Gross and Co. to have the Big Red on our side for a change instead of on the opposite squad, with the old rules that require the entry, Kurland and the other stars on the American basketball team should have a hard day in London against the shorter opponents. The regulations will require Kurland to remain under the enemy basket indefinitely and to stop any field goals from going through the hoop if he is able enough. It also allows the center to remain in the "circle" as long as he so desires which is another advantage for the charges of Coaches Bud Browning and Adolph Rupp.

Big Bob Kurland was graduated from Jennings High School in St. Louis, Missouri, in June of 1922. The youthful giant, then 17 years old, decided to enter Oklahoma A & M. There he developed rapidly under the expert guidance of Coach Hank Hill.

In his four seasons at the Shawnee, Okla., institution, Kurland led the Aggies in the NCAA championship in 1942 and 1946 — the only time that any team has accomplished this feat. For his outstanding play in the NCAA championship in 1946, Kurland was voted the Most Valuable Player and led the Auburn-Haired center was voted the Auburn-Haired center was voted the Most Valuable Player and led the Auburn-Haired center was voted the Most Valuable Player.

Kurland holds three NCAA tournament records: Most field goals in one game (14); Most field goals in three games (28); Most field goals in three games (70). (Alex Gross had 51 points in the 1945 meet).

In 1945, the Oklahoma Crows defeated Utah 65-37; Arkansas 68-41; and NYU 49-45 to win the NCAA title. In 1946, the Aggies triumphed Baylor 44-39, California 52-35, and North Carolina 43-49 to capture the crown again.

In this important North Carolina game, Kurland was the decisive factor. He scored 23 points to take top honors. George Sheeber, NCAA's Publicity Chairman said after the meet that "Kurland was the difference between victory and defeat when the points got hot. The A & M outfit threw in 16 field goals and of these only four were made without the aid of Mr. Big." Kurland's early hook shot paid dividends as the Oilers' shot placed Oklahoma's attack. Then he cleverly switched his floor tactics.

UK Nine Captures Final Three Games

By Kent Hollingsworth

The Wildcats baseball team wound up its season with a five-day trip through Georgia and Tennessee, and three straight wins.

Bob Henne, filling in at first base for the injured Walt Hirsch, finished the season with a barrage of hits, bunting out nine base knocks in his last 17 trips to the plate.

Hirsch, whose glove hand was badly injured May 15th, in the second Tennessee game, started on the mound against Coach Tripp's mighty army of left-handed batters. The big left-handed pitcher set the Georgians down with eight strike outs, seven scratch hits, and three earned runs and went to his rest.

Ralph Brent went far to his rest several times to get Georgia of seemingly sure hits.

Right after the game the Wildcats piled into four cars and drove all the way to Knoxville the same night. Only mishap of the trip occurred when Bear lost Hamilton's brand new baseball cap. "Ham" mumbled the rest of the trip, declaring again and again that it was the best cap he had ever owned, and perhaps ever would.

Allen Hamilton, described in the local paper as a "large rightfielder", slammed two home runs over the left field wall wearing an old, plain baseball cap, as Kentucky downed Tennessee 15-7.

Ray Mignerey, playing left field, hit a triple and two singles in five trips to the plate, as Wah Jones raked up his fourth victory against two setbacks this season by getting a triple, double, and a single in five trips at bat. Bear and Henne also knocked three base hits.

Braves And Cards Scout
John Stough got three hits, to boost his season's batting average up over the 400 mark, as the Wildcats drafted the Volunteers by a score of 11-2.

With talent scouts from the Braves

Oliver Record 117-5
Since Kurland has joined the Phillips 66 basketball team, the Oilers have won the last two seasons, a total of 117 games while losing only five. In the 1946-47 campaign Kurland's first with the team, the Bartlesville basketballers were victorious in 52 bouts, while losing only twice. Then last season, the Phillips powerhouse finished with a record of 62 wins and three defeats.

In the Olympic Trials last March in New York, Kurland scored 12 tallies against the Brooklyn Y.M.C.A. while playing only about 15 minutes of the game; 21 points against Denver Nuggets; and ran up 20 markers in the Kentucky skirmish. This gave him a total of 51 points in three game set, or an average of 17 points per tilt in the Trials.

All in all, it should be quite a team that represents the United States. For besides Kurland, there will be Kentucky's Ralph Beard, Alex Gross, Wah Jones, Cliff Barber, and Ken Rollins; the Oilers' Jesse Renick, Gordon Carpenter, R. C. Pitts and Lew Beck; Baylor's Jackie Robinson, N.Y.U.'s Ray Lamm; the Oakland Bittern's Don Barkdale; and Vince Boryla of the Denver Nuggets.

58 Points Against St. Louis
One of the outstanding highlights of Kurland's brilliant collegiate career occurred on February 22, 1946, when the Aggies played St. Louis University in the Oklahoma's Gallagher Hall. Then Kurland went wild that night, scoring a total of 58 points in the 40-minute session, which is believed to be the biggest single-game total in history for a cage contest between two

Auburn's Nixon May Join Red Sox

Next season, the Kentucky Wildcats will probably be playing the Auburn Tigers in a four-game baseball series. Both schools are in the SEC's Eastern Division. This spring, the Cats were scheduled to tangle with Auburn early in the season, but weather, the Alumni banquet, and a few other factors forced this pair of baseball games to be cancelled.

There is a strong rumor that Willard Nixon, the conference's outstanding pitcher, will sign with the Boston Red Sox at the conclusion of this baseball season with the Auburn nine. The six-foot, two-inch sophomore has received many lucrative offers from major league baseball scouts in the Lower South.

This season, Nixon has practically pitched the Tigers into the conference's playoffs with Mississippi State, winner of the Western Division. He has, up to now, hurled seven of Auburn's 10 loop victories. Only once has he been defeated.

The other week against Georgia, Nixon hurled a one-hitter in the first of a two game series, winning that game 6-1. In the second contest, he was called in from right field in the seventh canto to replace starter Johnny Francis with the score tied 3-3. The bout went into extra innings, with the Auburn nine scoring in the tenth to take the game 5-4.

Nixon's no-hitter against the Bulldogs was ruined when shortstop Paul Esker went out a roller over second base in the first inning. Earlier this

PHILLIPS FEATURED

The Phillips Oilers basketball team has been featured in this final issue of the Kernel for the spring quarter because many students will be leaving UK for the summer, not to return until fall. Therefore since the University of Kentucky basketball team will be in sports spotlight this summer playing first against and later with the Phillips Oilers, we thought that a write-up on the Oilers might add a little more interest to the forthcoming Kentucky-Phillips game and to the World Olympics in which both teams will compete for the United States.

Last year, 2600 persons were killed and 96,000 injured in U.S. traffic accidents as a result of driving on the wrong side of the road. Drive right!

All over America... Smokers Report

LOGAN KEEL

HANGOVER

when you smoke PHILIP MORRIS!

because PHILIP MORRIS is DEFINITELY LESS IRRITATING than any other leading brand!

Every day... more and more people are discovering in PHILIP MORRIS a milder smoke, a fresher, cleaner smoke than they've ever known before!

If you're tired of "cigarette hangover"—tired of that stale, musty taste in your mouth—that dry, smoked-out feeling in your throat... join the millions who CALL FOR PHILIP MORRIS.

Remember... PHILIP MORRIS is the ONE the ONLY leading cigarette recognized by eminent nose and throat specialists as definitely less irritating!

NO OTHER CIGARETTE CAN MAKE THAT STATEMENT!

Read What One of America's Top-Ranking Doctors Says About PHILIP MORRIS

"There is no doubt in my mind that PHILIP MORRIS Cigarettes are much less irritating than other cigarettes. We would be neglecting our patients who smoke if we did not suggest that they smoke PHILIP MORRIS."

From one of a series of PROFESSIONAL STATEMENTS BY EMINENT NOSE AND THROAT SPECIALISTS.

CALL FOR PHILIP MORRIS

You'll be glad TOMORROW... you smoked PHILIP MORRIS TODAY!
