LETTER OF APPRECIATION

Dear Dr. Willis:

For the last couple of months, we have been in the process of taking an existing documentation center - filing cabinets, piles of periodicals, books filed alphabetically by title, and making a Technical Reference Center here at Ashland Automation Services. I have been over to MIK many times to use the Union Catalog, Reference Section, etc. Wherever I have gone, I have been treated with excellent service and endless patience.

The best reference source you have at MIK is in the Business Library. His name is Paul Thompson. He is patient, kind, and knows everything. His suggestions and encouragement have meant a great deal to me. Someday I hope to be a librarian of his stature.

Sincerely,

Sandra Young, Librarian
Ashland Automation Technical Reference Center

Lexington, Kentucky
