

A black and white photograph showing a perspective view of a railway track. The track consists of two parallel rails on a bed of gravel, extending from the foreground towards the horizon. In the distance, a small train is visible on the track, emitting a plume of white smoke. The track is flanked on both sides by dense vegetation, including tall grasses and a thick line of trees. The sky is bright and overcast. In the bottom left corner, there is handwritten text in white ink.
