

A black and white photograph of a railway yard. In the foreground, a wooden stock pen is built on a dirt embankment. A white sign on a post stands in front of the pen. The sign reads: "WARNING THIS STOCK PEN WILL NOT CLEAR MAN ON SIDE OF CAR". The pen is made of vertical wooden posts and horizontal rails. In the background, there are several wooden buildings, including a large shed with a gabled roof. A set of railway tracks runs from the foreground towards the buildings. The sky is overcast and the overall scene is somewhat desolate.
