Dear Jonathan

There is a sort of dark pic of you and Lax. I have another of you that looks fine on the contact sheet but has not been done up yet. Will send you a blowup when I can get one.

July has been relatively quiet, thank God. Did not manage to escape everybody but at least I have been able to breathe and think. Heat notwithstanding.

MPOND iii is coming along slower than I expected. Have a Jesuit doing my typing here but the typewriter keeps breaking down. But I hope to have it out in three weeks or so. Then iv will be the last.

Thanks for sending me the xerox of the article on Barthes, Lacan etc. I need that. If you see any more on them please let me know. I wonder if there is much of Barthes-Lacan-Foucault in the UK library. I'll have to do the Sewanee Rev. article on Barthes pretty soon. So I probably won't have a chance to go as thoroughly into all of them as I'd like.

Hope you got the Chilam Balam all right.

Best

Tom
