PREFACE

The publication herewith presented, an index to the probate cases filed in Marion County, Texas, is No. 158 of the Texas series of counties. The publication is intended to meet the requirements of day-to-day usage by the officials of the county, attorneys, business men, and other citizens who have occasion to consult probate case records for the proper conduct of their affairs. The publication may be used by historians and genealogists to obtain references to unpublished source material.

The names of the deceased persons, minors and other principals are arranged alphabetically with reference to the filing date of the case and the case number. The notation "no papers" following the name of the principal indicates that no case papers were located during the inventory. Lunacy cases are indicated by "L" preceding the case number, and "E" indicates Epileptic cases. Differentiation between probate cases assigned duplicate numbers is accomplished by the addition of a letter following the case number. Case numbers preceded by "O" were assigned to previously unnumbered cases. The following numbers in the series 1 - 1761 were not used as case numbers: 84, 90, 137, 138, 141, 206, 216, 231, 317, 377, 737, 738, 859 - 878, 1281, 1310.

In Marion County all probate records are in the custody of the county clerk. Case papers are filed in numerical sequence in plainly marked steel file drawers in the clerk's office.

Since the transfer of territory from one county to another has affected probate jurisdiction and has determined the county in which the probate case should have been filed, a map and table of territorial changes is included herein. Notations concerning present location and availability of records pertinent to Marion County follows:

Bowie County, Boston, records destroyed by fire, 1884

Cass County, Linden, all records extant

Harrison County, Marshall, all records extant

Nacogdoches County, Nacogdoches, all records extant

Panola County, Carthage, all records extant

Paschal County (defunct), Linden, all records extant

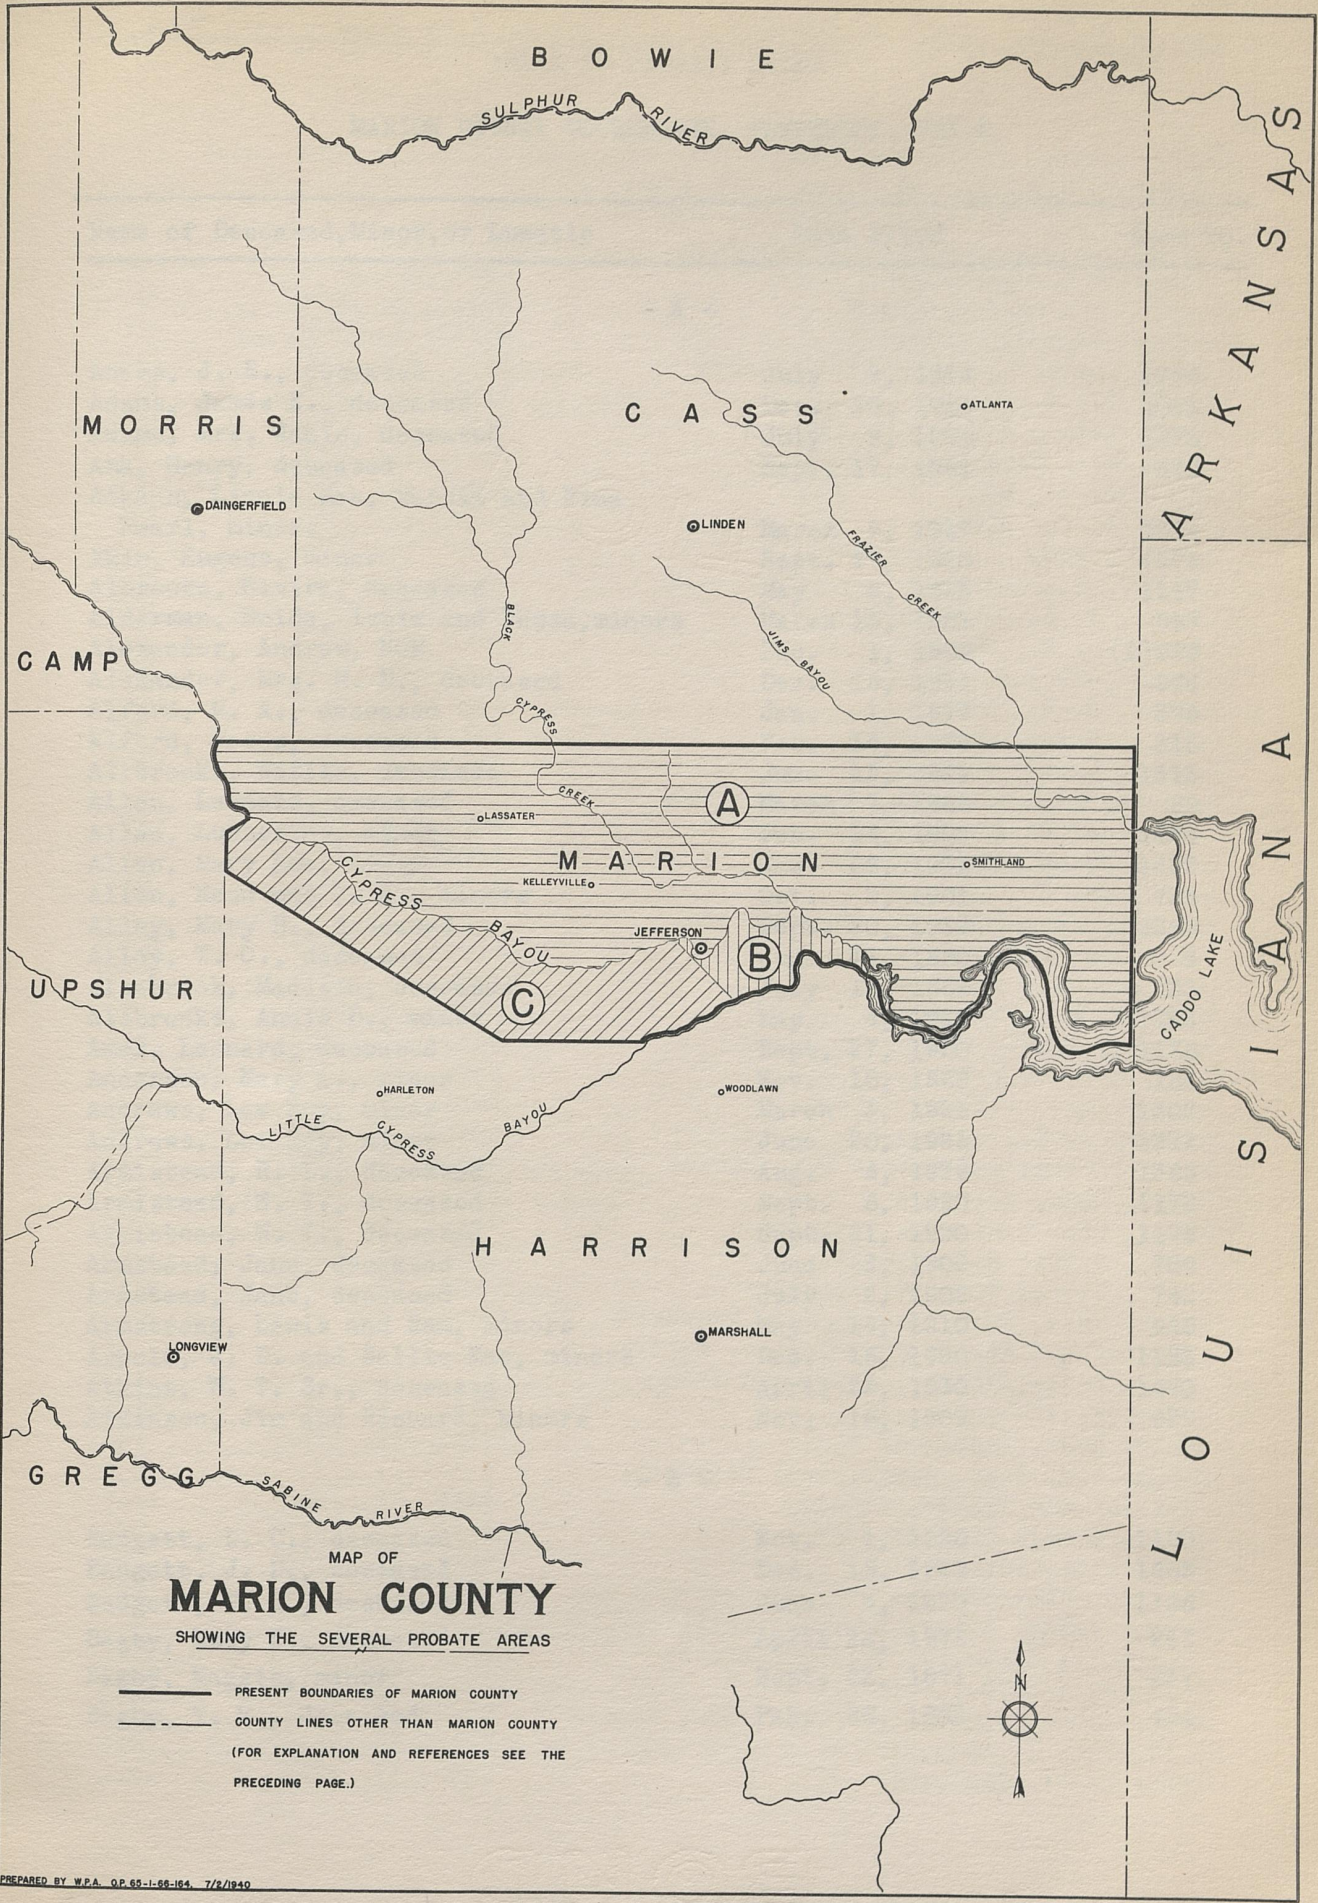

Red River County, Clarksville, all records extant
