## 'King Of Pianists' To Perform In Coliseum Thursday Night

### Polish Artist Now Making 14th Tour Of This Country

By Edward Coffman

Artur Rubinstein, the distinguished artist, whom some critics call "King of Pianists," will be presented in concert by the Community Concert Association at 8:15 p.m. Thursday in Memorial Coliseum.

This is the 14th U.S. tour of the pianist who has been heard by more people than any other living pianist. He has traveled more than two million miles in concert tours. He is much in demand because as one critic put it, "A Rubenstein recital becomes not only a fine musical experience but an event."

The noted pianist preceded his current tour with an appearance in the movies and recording sessions. His recording sales averaged more than a million dollars per year in recent years.

**THE POLISH PIANIST** started his study of the piano at the age of three. By the time he was six years old he had given two public performances. When he was eight, he went to Berlin to study under the German masters including Max Bruch. Three years later he made his debut with the Berlin Symphony Orchestra.

During the next few years he studied with Paderewski and toured Europe. Although not yet 20 years old, he played with the leading concert orchestras of the continent, and was lauded by the critics. He gained a reputation as an interpreter of the works of the greatest artists by the famous French composer Saint-Saens.

**IN LATER YEARS** Rubinstein became known as the leading interpreter of Spanish music. He received an overwhelming ovation during his Spanish tour.

He has been acclaimed also by modern composers for his interpretation of their own work. Two of the "toughest keyboard workouts of all time," as one musician called them, were dedicated to him by their composers: Stravinsky's "Ballets" from the ballet score of "Petrushka" and Villa Lobos' "Rudepses."

**IN 1926** he made his first American tour. It was 1948, however, before he made his official debut. Since then he has toured the United States some 13 times. In 1949 he returned to make the United States his home. He resides in Hollywood with his wife and four children.

Rubinstein's program follows: Prelude, Chorale and Fugue — César Franck; Ballade in G minor, No. 1 — Frederic Chopin.

## Fellowship For Women Grads Offered By Fashion School

### The Tobe-Coburn School For Fashion Careers Is Offering Senior Women Graduating Before Aug. 21 A Fashion Fellowship Covering Full Tuition For A One Year Course Which Trains Young Women For Executive Positions In Buying, Fashion Coordination, Advertising and Personnel.

Three fellowships, valued at \$200 each, will be awarded in annual nationwide competition among college seniors.

The one year course at the Tobe-Coburn School emphasizes actual contact with the fashion industry through lectures by important fashion personalities; visits to manufacturers, department stores, fashion shows and museums; and periodic working experience with pay in stores and other fashion organizations.

Registration blanks for the Fashion Fellowship competition may be obtained from the vocational office, or from the Fashion Fellowship Secretary, Tobe-Coburn School for Fashion Careers, 831 Madison Avenue, New York 21. Registration must be made before Jan. 31.

## Absence Penalties Apply To Jan. 4

Students who were absent from classes on Thursday, Jan. 4 will be penalized according to information from President Donovan's office.

The rule is that any student who is absent from class the day before or the day following a holiday shall have one credit and one quality point added to his requirements for graduation.

Absences on Wednesday, Jan. 3 were excused because of the Sugar Bowl.

## New Course Emphasizes Family Study

A course designed for persons whose work is closely connected with problems of modern family life will be offered next semester by the Department of Sociology, University authorities have announced.

Dr. James W. Gladden, University specialist in family sociology, will teach the course, which was arranged primarily for social workers, public health nurses, clergymen, lawyers, and other professional people.

The course will begin the first week in February and will meet every Wednesday from 2 to 4:40 p.m. in Room 212 of the Social Science Building. Fees for the two-credit course are \$13 for Kentuckians and \$26 for out-of-state students.

Information about the course may be obtained at the Registrar's Office or from the Department of Sociology.

## City Praised By Beecham

Sir Thomas Beecham, world-famous conductor of the Royal Philharmonic Orchestra which appeared in Memorial Coliseum in November, was very much impressed by the Coliseum and Lexington in general.

The famous musician praised Lexington at a group-party in New York just before he sailed for England. He commented that he was most impressed by Lexington because of the magnificent audience and the beautifully equipped building. He remarked that the people here showed the orchestra every consideration during its appearance. He also indicated that he wanted to return to this city on his next American tour in 1952.

## High Priest Plummer Speaketh

## Yea Verily, Those Clouds Lurketh Today Just As They Did In The Days Of '27

(The following article, written by Dr. Niel Plummer of the journalism department, appeared in the April 29, 1949 issue of the Kernel. It was reprinted in the days when Dr. Plummer was one of the staff, now managing editor of the Kernel. Now he is High Priest of the Department of Journalism.)

And it came to pass that examination time did approach near unto the student body, and all were sore afraid. And they knew not what to do, for lo! dark clouds of failure did loom upon the horizon.

One score and eleven weeks of the promised thirty-six had passed and the tribulations of their notebooks were in no condition to face judgment. Yea verily, things looked very punk for all those present.

And afar off stood a little group who looked upon the suffering of the rabble with little compassion, for they had followed the words of the law as laid down by the priests

## Trip To Europe Offered By American Hostel Group

Officials of American Youth Hostels, a non-profit organization which provides for low expense traveling by young people, have announced that they will award an expense free trip to Europe next summer to the person who writes the best essay entitled "Why I Would Like to Go Hosteling in Europe."

The winner will have his choice of tours to the British Isles, Central Europe or France and the Rhineland. The tour will last from about June 15 until Sept. 1. While on the tour in the foreign countries, the winner will travel by bicycle or by hiking. Lodging is provided in low-cost hostels from which the organization gets its name.

The competition for the trip is open to United States citizens who will have reached the age of 17 by

July 1, 1951. In addition, they must apply for a hostel pass for 1951. The pass costs two dollars for those under 21 and three dollars for those 21 or older, and permits the holder to stay at hostels both in this country and abroad for between 20 and 50 cents a day.

Essay length should not exceed 1000 words. Entries must not be postmarked later than April 15, 1951. The winner will be notified by mail within two weeks and his name will be announced in the summer 1951 issue of Hosteling magazine.

Additional information and application forms for the tour may be obtained from National Headquarters, American Youth Hostels, 4 E. 39th Street, New York 16, N. Y.

## FTA Elects John Brannon

John Brannon, College of Education sophomore, was elected president of the Future Teachers of America at their election Tuesday night.

Other new officers are Martha Havelly, vice president; Nancy Hurkitt, secretary; and Mary Harrod, treasurer. Retiring president is Ann Wessman.

The FTA is organized in the College of Education to provide information for students in the teaching profession. All education students are eligible for membership.

Faculty advisors are Helen Reed, Robert Myers, and Dr. Fred Harris, all of the division of Instruction and Placement.

## Work Of Philip Reed Is Being Displayed

A colorful selection of the work of Philip Reed is being exhibited by the Margaret I. King Library through the cooperation of Joe Graves, Lexington businessman.

Reed is noted for his woodcarvings and designs on book covers, fly leaves of books, and pamphlets.

## Women Are Eligible For Concert Band

Qualified women students may enroll in the University Concert band next semester, Frank Prindl, director, has announced.

The band will present a concert in the University Musicale series in April. A tour of several states is also being planned.

## Rannells Will Give Gallery Talk Sunday

Dr. Edward W. Rannells, head of the Department of Art, will give a gallery talk at 2 p.m. Sunday in the Fine Arts building. Dr. Rannells' talk will concern the original leaves from famous bibles which are currently being exhibited in the Fine Arts building.

**AND THE LIGHTS** guided the Greeks and they struggled mightily to stay under them, yea, and several years, for the five weeks were fast drawing to a close.

Then to those who had their houses marked with the beaming light globe in the night, came a fair one named Knowledge. And she smiled on those who were marked with lines of worry, spotted with ink, and laden with books.

And lo! the plagues followed as had been predicted and scarcely a house was not without sorrow for it too glorious a time during the year, should surely go on the rocks. But those who were marked with the lamp were spared, and did survive to rejoice in their relief.

But sadness was on some, for it had been written: "There shall be falling, and gnashing of teeth." And these was.

## Propaganda—Soviet Style

Did you know that education in the U. S. today is being militarized; that the universities are perverted by the trustees and the military highups for their war propaganda purposes; and that treatment is meted out to our poor oppressed students precisely as though we were "an army in time of battle?"

We didn't know it, either—that is, until we were joyfully enlightened through the columns of a little magazine which bears the title of "World Student News." This collection of Communist claptrap is published by an organization known as the International Union of Students, claiming to have five million members in 71 countries with headquarters in the Utopia of Czechoslovakia.

This particular little gem is a review of a pamphlet published by the I. U. S. entitled "U. S. Education in Crisis." Based on facts from many official sources, they failed to say just what official sources—the pamphlet tells about "the factors which have led to the present bankruptcy of education in the U. S." The lucky reader of this pamphlet will also meet "the great monopolists, the unscrupulous governors, and the brass hats of the army" who control our education centers for their own interests—the preparation for aggressive war against the peoples.

The pamphlet describes "with all necessary examples and documentation, the many forms under which 'thought control' is today carried out in the U. S. A." But the part we'd like to see are the "irrefutable facts" with which they prove that education in the U. S. A. today has many features in common with the kind of education current in Hitler's Nazi Germany.

After describing the valiant struggle of us downtrodden students against this oppression, the review closes on the hopeful note that we are beginning more and more conscious that our struggles and our hopes are the same as those of these loyal sons and daughters of smiling Uncle Joe.

And while we're still weeping over this sad and shameful state of affairs, we see on the opposite page another review. This one is called "21 Unforgettable Days in the Soviet Union." It begins:

"Democratic students throughout the world will welcome the latest publication of the I. U. S. . . . for its well-documented and factual account of the achievements of education in the Soviet Union . . . it aptly presents the democratic nature and peaceful purpose of Soviet education . . .  
If we read this revelation of truth, we are told, we will learn of the "educational advances of the Soviet Union, the full and

happy life of Soviet youth and students at work and play."

The entire article is a collection of these pearls of party propaganda, which we haven't the unoppressed space to print here. But we thought you'd be especially interested in the last paragraph which we believe is the choicest bit in the whole magazine. We quote:

"21 Unforgettable Days in the Soviet Union" is a timely publication which should serve as a valuable handbook for the educationalist and a source of inspiration to all studying youth striving to learn the truth about life in the Soviet Union, the principal fighter for peace, democracy, independence, and equality among the nations of the world."

We don't know what the I. U. S. hoped to gain by sending the Kernel this valuable volume of truth and wisdom. Perhaps they thought this independent publication, the "World Student News," from a true democracy, Czechoslovakia, would bring a new ray of hope to us struggling, repressed students.

Thank you for your interest in our welfare, I. U. S. But we kind of like our unscrupulous, perverted UK. And though we heave in the dark Kernel dungeon may struggle occasionally, at least we can print the truth.

## Cheap Skates

The University has finally shaken itself to action and has decided to do something about the icy conditions. No longer will students slither from class to class with arms flailing, books flying, and faces reddening. No! The time for action is near.

Soon—the exact day has not been revealed—all such gawky and awkward movements will be a thing of the past. Official sources

(one of the janitors in McVey) state, declare, continue, assert, proclaim—and all without fear of contradiction and with great pride—that the University is going to install loudspeakers along the sidewalks. These gadgets will carry the sounds of the "Skaters Waltz," all intended to add poise to a falling student and cut down on the number of ungraceful sprawlings.

What's development! Maybe this unselfish service can branch out and play other songs to bring rhythm to the campus. Imagine three people falling when "The Thing" is played. Or one might well hear the tender melodic strains of "Mule Train" as a group of professors wanders across the holy acres—in groups, of cuss.

There is absolutely no end—er, ah, paucity of material which can be used in such a venture. Perhaps the Board of Trustees will see fit to sell advertising time on the system. Why, they could make a million—enemies, that is.

But all of this must eventually come to an end. Even with county, city, state, national, and international situations as they are, when thinking of the icy conditions, we must keep one thing in mind—gung be warm sommer.

### Profainitease

By Bob Fain

We could start out this little episode in "Life Can't Be Beautiful, Either," with some sort of comment on the world situation. But then, there is the constant danger of being contradicted by the Russians. Since that has failed, we could open up with a sly witticism about one of the rural population, but since I am one of the group myself, that won't do either. When all possibilities are ended, there is like ever-present topic of woman singers. But, since we do not like to get nasty letters from Margaret's father, we will dismiss that topic also. So, all things being as they are, here we are with this one:

"You look sweet enough to eat," he murmured softly.  
"Where do you want to go?"

Nit: What kind of dress did she wear to the party last night?  
Wh: "I can't remember. I think it was checked."  
Nit: Really? That must have been quite a party.

History Prof: What do you call those tablets the Gauls used to write on?  
Student: Gaul stones.  
Nit: I claim no responsibility for what I do, say, or write in one of my weak moments.

Reporter: What shall I say about the two blowies who caused the fight at the basketball game?  
Editor: Why, just say the blowies were wild.

The glance that over cocktails looked so sweet,  
Wasn't look the same over shred-dog wheat.

Dentist about to pull a tooth: I'm sorry, but I'm all out of gas.  
College girl: Ye God! Do dentists pull that old stuff, too?

The moon was yellow, the lane was bright,  
She turned to me in the autumn night,  
And gave a hint with every glance,  
That what she craved was romance.

# Bear Bryant Signs 12-Year Contract At UK

## New Pact One Of Best In History

By Lewis Donohew

Bear Bryant apparently likes Kentucky. And Kentucky, without a doubt, loves Bear Bryant.

They both confessed their desire to be together this week when Bryant signed a 12-year coaching contract with the UK Athletic Association.

It was the first time in the history of the school that such a thing has happened. In fact, the new 12-year agreement is believed to be the first of its kind, in the light of longevity, in the country.

Whether or not Bryant receives a hike in pay was not released by the Athletic Association.

The new contract runs until December, 1962. It replaces Bryant's former 10-year contract, which still had five years to run.

Bryant forestalled the contract last week, though perhaps at that time he did not know about it himself. In reply to a statement that they were expecting him around for a few more years, he replied that he would be here for a long, long time.

"Coach Bryant has done a great job in the short while that he has been here at Kentucky," Athletic Director Bernie A. Shively said after the signing of the contract. "And I am very happy to know that he is going to be with us for several more years to come."

Under the five-year regime of Coach Bryant, Kentucky has won 49 games, lost 13, and tied two. Under him, the Wildcats have been converted from Southeastern Conference doormats to Southeastern Conference champions. This year's crown was the first in history for the Kentucky outfit.

Bryant is one of the youngest major football coaches in the country. He is 37 years old and has only been a head coach for six years, five at Kentucky and one at Maryland.

Kentucky's head coach is a native of Fayette, Ark., and was graduated from the University of Alabama. He played three seasons of varsity football there, winning all-SEC honors twice.

Bryant's only other head coaching job was at Maryland, where he landed when he got out of the Navy in 1945. While there, he gave them their best football record in history, six wins, two defeats, and one tie.

The signing of Bryant's new contract came just nine days after he had returned from Kentucky's all successful invasion of the Sugar Bowl.

So, for awhile perhaps, the Bryant-leaving-for-somewhere-else rumors have been quelled. Despite his statement just before the Cats left for Sugar Bowl training that he would stay, the rumors persisted. The latest one, published in a Louisville paper, had him going to Southern California, and was published in Wednesday morning's paper.

Bryant left Wednesday, along with Athletic Director Bernie Shively, for the NCAA meeting at Dallas, Texas.

**I-M Groaners Start Tuesday**

University groaners will take to the canvas Tuesday night as intramural wrestling gets under way in Alumni Gym at 7 o'clock.

Eight classes, arranged by weight from 115 pounds in the lightest division up to heavyweights, will compete in an elimination tournament. Entries will be accepted up to Saturday noon.

Contestants will weigh in from 4 to 8 o'clock Monday afternoon in the gym. Allowances of three pounds will be given over or under the listed weight classes of 115, 125, 135, 145, 155, 165, 175, and 175 or up (heavyweight).

To be eligible the entrant must be an athlete of amateur standing. A physical checkup from the dispensary is also necessary and a record of it must be on file in the I-M office before the matches.

Drawing for the pairing of opponents will be made after the weigh-ins Monday afternoon. The winner and runner-up in each weight class will receive a trophy, according to I-M plans.

COACH BEAR BRYANT, who recently said he would be here for another dozen years (and put it in writing), holds on to the sugar Bowl trophy while Warren V. Miller Measural Trophy (in honor of the first president of the Sugar Bowl).

BEAR BRYANT (left) receiving the John R. Outland Award, given annually to the best coach or tackle in the United States by the Football Writers Association, from Wilford Smith, sports writer for the Chicago Tribune. Looking on is an unidentified member of the Sugar Bowl committee.

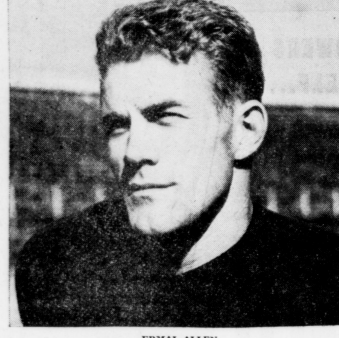

THE SUGAR BOWL CAKE in this picture was the centerpiece of an elaborate layout in the St. Charles Hotel, scene of the post-game ceremonies. The cake was not eaten, but was donated to a nearby orphanage, as is done annually.

## Ermal Allen Is Promoted

Ermal Allen, freshman football coach, has been appointed to take over the spot vacated by Frank Moseley who left to take over head coaching duties at Virginia Polytechnic Institute. Coach Paul Bryant announced this week.

Allen's appointment followed on the heels of the resignation of three members of the Wildcat coaching staff to move to the Virginia school.

With Moseley went Ben Chapman and Dick Holway also assistant coaches. Coach Bryant said this week that he was happy to see the men go; not because he did not love them but because the new jobs were advancements for all three men.

# Wildcats Meet Alabama and Notre Dame

## Frosh Scalp CJC Indians

By E. T. Kirk  
A 20-point barrage by Gayle Rose vanned the unbeaten Kentucky freshmen cagers to win No. 4 in their home court debut Monday night against Cumberland Junior College, 198-50.

Rose, the All-Star from Paris, poured through 13 folders and three foul shots as he played little over half the game. The six-foot guard scored mostly on driving lay-ups. Twice in the first moments of the last half he stole the ball and took it in alone.

High point man for Cumberland, ranged in recent weeks by draft calls and enlistments, was Gilbert Bryant, a guard, with 20 markers. The Kittens met Cumberland in a return game at Williamsburg tonight.

The Kittens erupted at the opening whistle and held a 22-10 halftime lead. In the second half the visitors found holes in the Kentucky defense and managed to play on fairly even terms.

Monday night's game was the first of the season for Randy Whaley, six-foot, eight-inch South Carolina immigrant, who has been on the shelf with a minor leg fracture. Whaley worked in the pivot and scored nine points.

Trailing Rose in the scoring column were two other Kentucky All-Stars. Pikeville's Dick Crater vied the state's outstanding cager by the Courier-Journal last year, scored 16 points. "Fargo" Wells, plucked from Clark County's state runners-up, rang up 15 tallies.

The Kittens take on the Georgetown College yeomanry at Georgetown town next Tuesday and the Campbellville Junior College five at Campbellville on Thursday.

## First Game Is SEC Tilt

By Lewis Donohew

Baron Adolph Rupp and his Blue Demons will be in charge of entertainment for Kentucky basketball fans Saturday and Monday. The renowned leader and his men will be playing at the new indoor entertainment palace, Memorial Coliseum.

The Blue Grass boys will feature two guest groups on their programs. The first outfit will be the Alabama Crimson Tide. The other will feature Notre Dame's Fighting Irish.

Maestro Rupp is expected to use his regular performers both nights. That would make his probable starting lineup consist of Forward, Shelby Linville and Capt. Walt Hirsch, Center Bill Spivey, and Guards Frank Ramsey and Bobby Watson.

The first game will be a South-eastern Conference engagement. In competition with the Kentuckians, Coach Floyd Burdette is expected to use Forward Sammy Moore and Bryant Fryer, Center Paul Sullivan, and Guards Bob Schneider and Nick Vrotos.

Coach Burdette's squad is made up entirely of sophomore and junior players. The tallest man on his squad, the man who will have the job of matching the performance of Big Bill Spivey, will be the 6'7" Sullivan.

Coach Rupp's boys have won nine and lost one. They have a 2-0 record in the conference due to wins over Florida and Auburn.

On Monday night, Coach Ed "Moose" Krause's Fighting Irish come into town. A capacity crowd is expected for that night, since the ticket manager long ago announced that all tickets had been sold for the contest.

Probable starting lineup for the Irish quintet will be Forward Leroy Leslie and Dan Bagley, Center Norbert Lewanski, and Guards Martin O'Connor and Gerald McCloskey. All of Coach Krause's boys are over 6'2" tall except O'Connor, who is 5'11".

Leading substitutes for the Notre Dame cagers are Don Strasser, and Jack Neumayr. Strasser was fourth in team scoring for the Irish last season but has been relegated to a relief job this year.

Second and third-place aspirants for the scoring honors in 1950 were Leslie and Bagley, respectively. Kentucky lost to the Notre Dame squad, 64-53, last season.

Against a mutual opponent, Purdue's team from South Bend came off with an 82-70 victory. The Wildcats trounced the Boilermakers, 75-52.

Notre Dame has lost three games this season, having to bow to Iowa, Indiana, and Kentucky's conqueror, St. Louis.

Officials for Saturday night's game will be Max Macdon and Floyd Marshall.

Notre Dame has lost three games this season, having to bow to Iowa, Indiana, and Kentucky's conqueror, St. Louis.

## Cats Beat DePaul, Auburn

By Fred Lawson

Kentucky had a demon of its own to throw at the Blue Demons from DePaul.

Little Bobby Watson became a demon on offense and a demon on defense as the Wildcats defeated DePaul 63-55 last Monday night in Memorial Coliseum.

It was Watson whose shots from deep out in front, whenever DePaul crept up too close. Watson tallied 17 points—and most of his seven field-goals were shots from 20 to 25 feet out.

In addition, the 5-foot-10 guard played a great defensive game, limiting DePaul's high-scoring Bato Govedarica to only five points.

Despite Bobby's great night the Kentucky scoring was led by Big Bill Spivey, who dropped in 19 points, 10 of them coming in the last half. Shelby Linville wound up with 14 while Capt. Walt Hirsch labored eight.

Frank Ramsey, off on his shooting but great on rebounding, wound up scoring with five points.

DePaul was led by Clem Pavilonis, their big center, who had 15 points, one of the biggest number scored against Spivey this year. John Lahey also scored 15 and Feiereisel scored 13.

The Cats started out as if they were going to make a run away of the game. The Ruppmen shot six and made five of them to lead 10-6 in less than three minutes.

Watson started it with two free throws, Spivey and Linville cashed in on rebounders and Watson dropped in two long ones.

But the Blue Demons quickly retaliated. Led by Lahey, Krumpa and Feiereisel, the Demons cut the Kentucky lead to 12-9. After 10 minutes of play the score was tied at 19-19.

Two rebounders by Spivey and a one-hander by Linville pushed the Cats out ahead again and at the half the Cats led 27-27.

Although the Cats were never in serious danger in the second half, DePaul managed to stay in a threatening position. Kentucky led from six to 12 points in the second half. The Demons were behind by only 4-37 after four minutes of the second half but couldn't get any closer.

From the field the Cats hit on 28 out of 81 shots for an accuracy mark of 34.7 while DePaul connected on 23 out of 77 for a 29.8 mark.

Last Friday night the Wildcats easily defeated an outclassed Auburn five 79-35 in Memorial Coliseum.

Coach Rupp's boys never were in

trouble and had little difficulty in annexing their second Southeastern Conference victory of the season.

Bill Spivey led the Kentucky scoring as he tabbed 18 points. Not far behind was Frank Ramsey who rang up 16 points as he shot from out on the floor and from under the basket.

Shelby Linville had 12. Skipmy Whitaker followed with 10. No Auburn player got more than two field goals. The Tiger scoring leader was Capt. Don Landorf with seven points.

Kentucky got off to a sluggish start and just led 6-1 after five minutes of play. Linville started the Cats off with a tip-in shot and Spivey followed with a quick crisp. Landorf first scored for Auburn with a free throw after 4:36.

In the next five minutes Kentucky drew away to lead 17-8. At the half the score was 41-13.

Coach Rupp started his regulars back in the second half but soon began to replace them so the fans saw very little basketball in the second half.

Kentucky's shooting average was very good as they wound up with a 41.6 percentage on 35 out of 84 shots. Auburn fired only 63 times and hit on 12 of these for a mark of 19.2.

Only at the free throw line did the Plainsmen excel. They hit 11 out of 14 free throws while the Cats made good on only nine of 18.

Kappa Alpha's George Stone won the I-AM free throw contest, Wednesday night when he made good 41 shots in 45 attempts. Andy Polites of SAE and Jack Thorpe of Delta Tau Delta followed Stone with 39 and 36, respectively.

One hundred-three contestants tried their luck at the charity line on Tuesday night in the qualifying round. Of that number, only ten made at least the 18 of 25 shots required to qualify.

The ten qualifiers shot an additional 23 tries Wednesday night to determine the winner of the contest. Polites led the first round with 23 baskets.

Stone will get a gold key and points a silver one for their efforts in the contest. The KA's will be awarded five points and the SAE's will get three points toward the participation trophy. Each of the ten qualifiers will net a single point for his respective fraternity.

Following in order of their scores were Coleman, SAE; Tabb, SAE; Logan, KA; Aum, FFA, Combs, DTD; Jones, SAE; and Sutherland, also of SAE.
