Dr. Mills, Chairman of the Rules Committee, read the following recommendations from that Committee concerning fraternity scholarship:

The Rules Committee recommends that items 1 and 2 of the provisions governing fraternity and sorority probation be amended as follows:

1. Any fraternity or sorority which at the close of the first semester of the 1955-56 school year or any semester thereafter has an average standing for both actives and pledges lower than the all-men average shall be placed on social probation for the following semester. Social probation shall prevent the fraternity or sorority from holding any social affair to which other than members are invited.

2. If, during a semester of social probation a fraternity or sorority again fails to meet the specified standing, it shall be continued on social probation for a second semester with additional supervision by the Dean of Men or the Dean of Women. If, at the close of the second consecutive semester of social probation the fraternity or sorority again fails to meet the specified standing, it shall be prohibited from further rushing and pledging. If, at the close of a third consecutive semester the fraternity or sorority fails to meet the specified standing, it shall immediately be prohibited from further initiation and shall be called upon to show cause why its charter should not be revoked. A final decision respecting the revocation of a charter or the renewing of pledging and initiation privileges shall be made by the University Faculty on the basis of evidence furnished and recommendations made by the Dean of Men or the Dean of Women. If a fraternity or sorority has been on probation for any two (2) of three (3) consecutive semesters, it shall be subject to the provisions governing two consecutive semesters of probation unless excused by the Dean of Men or Dean of Women.

The principal effect of this change is to place fraternity probation on a semester basis rather than a yearly basis.

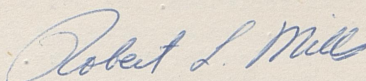

Respectively submitted,

Leo M. Chamberlain
 Jese DeBoer
 Stephen Diachun
 Louis Clifton
 David K. Blythe
 Herman E. Spivey
 M. M. White
 Sarah B. Holmes
 Robert L. Mills, Chairman
