B. Meeting Dates Established

Mr. Sturgill called attention to the schedule of meetings of the Board of Trustees and the Executive Committee as established for fiscal year 1984-85 (see copy at the end of the Minutes) and requested the members to mark their calendars accordingly. He reminded the Trustees that the June 19, 1984 meeting of the Executive Committee has been changed to a full Board meeting.

C. Minutes Approved

The Minutes of the April 10, 1984 meeting of the Board of Trustees were approved as written.

D. President's Report to the Trustees (PR 1)

In calling attention to his monthly report to the Trustees, President Singletary announced that Dr. Charles W. Ellinger, Professor of Prosthodontics, College of Dentistry, has been named to a second term as Academic Ombudsman. Noting that the Ombudsman Search Committee recommended that Dr. Ellinger be reappointed to this position, President Singletary indicated that he was very pleased to have him serve again in this very sensitive capacity. Dr. Ellinger was present and asked to stand and be recognized.

President Singletary recommended that the report be accepted and, without objection, it was so ordered.

E. 1984 Gaines Fellows Announced

President Singletary reported that the first group of Gaines Fellows, which are financed by an endowment from Mr. John R. Gaines and his wife, Mrs. Joan Gaines, have been selected. He called on Chancellor Gallaher who spoke briefly about the new Humanities Center and added that the heart of such a program is the student body. He introduced Dr. Raymond Betts, Director of the Honors Program, who announced the recipients of the Gaines Fellowships: Lorri Blanton, a Russian-area and philosophy major; Elizabeth Domene, an English major; Charles G. Ison, a biology major; Ouita Papka, a political science major; and Genevieve Swift, an English major; all of which are from Lexington; Lisa Catron, a chemical engineering major from Richmond, Virginia; Donald W. Jones, Jr., a music and computer science major from Livingston; Laura E. Latimer, an anthropology major from San German, Puerto Rico; Dwight Roberts, a classics and philosophy major from Science Hill; and Douglas Schulte, a chemistry major from Bellevue. Hays Steilberg, an English major from Louisville, was also selected as a Gaines Fellow, but his study under the fellowship will be deferred until 1985 to permit him to study in Germany. The Gaines Fellows were asked to stand and be recognized, following which they were given a round of applause.

President Singletary congratulated the recipients, and emphasized that the gift from Mr. and Mrs. John Gaines made possible these fellowships for students who were selected by a committee on the basis of academic performance. He introduced Mr. and Mrs. Gaines, following which they were given a round of applause.

F. Personnel Actions (PR 2)

In recommending that the appointments and staff changes be approved, President Singletary called attention to the retirement of Dr. John T. Smith, Vice Chancellor for Minority Affairs and "a good, loyal, effective staff member."

Chancellor Gallaher reviewed the various positions held by Dr. Smith during his twenty years with the University, and told of his total commitment to the improvement of minority affairs on campus, which he said Dr. Smith managed with a great deal of humor and determination. Chancellor Gallaher added that Dr. Smith's influence in minority affairs extends far beyond this campus and this state, and noted that he serves on national councils and committees that are related to these problems. Chancellor Gallaher concluded by wishing Dr. Smith well in his new status, and added that "we do reserve the right to seek your future counsel." He introduced Dr. Smith, who was given a round of applause.

On motion made by Mrs. Hayes, seconded by Mr. Larry Jones, and passed unanimously, the appointments and staff changes recommended in PR 2 were approved. (See PR 2 at the end of the Minutes.)

G. Fund for Excellence (PR 3A-1)

President Singletary recommended that the President be authorized to create a quasi-endowment fund to be entitled "Fund for Excellence." He explained that funds for the endowment will come from gifts, grants, and any special appropriations intended for such purposes. While the long-range objective for the Fund is an open-ended amount, he expressed the hope that approximately \$5,000,000 will be raised in the Phase I build up. Earnings of the Fund for Excellence will be used to enhance academic programs at the University, including student scholarships awarded on the basis of merit, faculty enrichment and development, research support, and special projects and activities.

Mr. Clay indicated he would like to amend the recommendation to read as follows:

Recommendation: that the Board of Trustees authorize the President to create a quasi-endowment fund to be entitled "Otis A. Singletary Fund for Excellence."

Mr. Clay stated that he thought it appropriate to so name the Fund in honor of President Singletary because of his dedication and desire to improve the quality of education at the University of Kentucky. Mr. Clay then moved that the President be authorized to create a quasi-endowment fund to be entitled "Otis A. Singletary Fund for Excellence." His motion was seconded by Mr. Brereton Jones and passed unanimously. President Singletary thanked the members of the Board for so honoring him. (See PR 3A-1 at the end of the Minutes.)

H. Appointment of Advisory Group (PR 3A-2)

President Singletary recommended that the Chairman of the Board appoint an ad hoc group to assist the President in responding to the resolution adopted by the Council on Higher Education at its meeting in Murray on April 27, 1984 regarding a common governance structure for the University of Kentucky and the University of Louisville.

Following discussion, the Chairman appointed the following members of the Board to assist and advise the President on his response to the Council on Higher Education resolution: Mr. William B. Sturgill (Chairman), Mr. Albert G. Clay, Mr. Robert T. McCowan, Mr. Brereton C. Jones, and Mr. George W. Griffin, Jr. (See PR 3A-2 at the end of the Minutes.)

K. Approval of Degree Candidates - Lexington Campus and Medical Center (PR 3D)

Without discussion, Mr. Watson moved that the President be authorized to confer upon each individual whose name was listed in PR 3D the correct degree to which he or she is entitled. His motion was seconded by Professor Cantrell and passed without dissent. (See PR 3D at the end of the Minutes.)

L. University of Kentucky Fund for the Mineral Law Center (PR 3E)

President Singletary recommended that the Board of Trustees establish in the College of Law the Fund for the University of Kentucky Mineral Law Center as presented in PR 3E. Mr. Griffin so moved. His motion was seconded by Professor Wilson and passed unanimously. (See PR 3E at the end of the Minutes.)

M. Naming of University Building (PR 4A)

President Singletary recommended that the Board approve the name RICHARD ERNST COOPER HALL for the academic/technical building at Somerset College. He reviewed Mr. Cooper's longtime association with the University, including his service as a member of the Board of Trustees for a number of years, his membership on the Search Committee at the time of his appointment as President of the University, his close association with the Somerset Community College since its founding and his service on its Advisory Board. He added that Mr. Cooper is still actively engaged in a number of enterprises at the University. President Singletary closed his remarks about Mr. Cooper by saying that it gave him much pleasure to recommend that the building be named for him.

On motion made by Mr. Clay, seconded by Mr. Larry Jones, and passed unanimously, the Board approved the name RICHARD ERNST COOPER HALL for the academic/technical building at Somerset Community College.

President Singletary introduced Mr. and Mrs. Cooper and asked them to stand and be recognized, following which they were given a round of applause. (See PR 4A at the end of the Minutes.)

N. Candidates for Degrees - Community College System (PR 4B)

Professor Cantrell moved that the degrees and certificates specified in PR 4B be awarded to the persons named, upon certification that the requirements for those degrees or certificates have been satisfactorily completed. His motion was seconded by Professor Kemp and passed without dissent. (See PR 4B at the end of the Minutes.)

O. Naming of University Building (PR 5A)

President Singletary recommended (1) that the equine research building be named for Maxwell H. Gluck, and (2) that the Board give formal approval to the naming of the center the MAXWELL H. GLUCK EQUINE RESEARCH CENTER. He reminded the Trustees that Mr. Gluck donated \$3 million for the construction of a building to house the equine research program, and that this gift was contingent upon the horse industry and the state each matching his gift. These funds have now been raised, and President Singletary indicated it was a very real pleasure to recommend that the building be named for Mr. Gluck and that the center be named the MAXWELL H. GLUCK EQUINE RESEARCH CENTER. Mr. Clay so moved. His motion was seconded by Mr. Griffin and passed unanimously. Mr. Gluck was asked to stand and be recognized, following which he was given a round of applause. President Singletary again expressed thanks and appreciation to Mr. Gluck for his generous and timely gift. (See PR 5A at the end of the Minutes.)

On motion duly made, seconded, and carried, approval was given to the reappointment of Mr. LeRoy M. Miles as a member of the Board of Directors of THE FUND for Advancement of Education and Research for a term beginning July 1, 1984 and ending June 30, 1986. (See PR 6A at the end of the Minutes.)

Chancellor Bosomworth introduced Dr. Powell and gave a brief resumé of Dr. Powell's qualifications for the position. He closed his remarks about Dr. Powell by saying that he, too, was delighted with the appointment and that Dr. Powell will be a superb addition to the Medical Center administration.

The Chairman called for a motion to approve the appointment of Dr. Robin D. Fund for Excellence

Recommendation: that the Board of Trustees authorize the President to create a quasi-endowment fund to be entitled "Fund for Excellence." Funds for this endowment will come from gifts, grants, any special appropriations intended for such purposes, and interest earnings on private funds.

Background: KRS 164A.620 authorizes the Board of Trustees to establish a "Fund for Excellence." This action will establish the Fund and permit the allocation of funds necessary to implement this authorization. While the long range objective for the Fund is an open-ended amount, it is anticipated that approximately \$5,000,000 will be raised in the phase I build up.

The actual outlay will depend upon earnings of the Fund and no commitments will be made until the funds are actually earned. The earnings of the Fund for Excellence shall be used to enhance academic programs of the University of Kentucky as follows: student scholarships awarded on the basis of merit, faculty enrichment and development, research support, and special projects and activities.

Amended prior to approval to read:

Recommendation: that the Board of Trustees authorize the President to create a quasi-endowment fund to be entitled "Otis A. Singletary Fund for Excellence." Approval of Degree Candidates

Lexington Campus and Medical Center

Members, Board of Trustees:

University of Kentucky Fund for the Mineral Law Center

Recommendation: that the Board of Trustees establish in the College of Law the Fund for the University of Kentucky Mineral Law Center at a sum not to exceed \$500,000 which shall be funded from miscellaneous gifts to the College specifically for this fund, or from gifts for general use by the College which this resolution authorizes the Dean to quasi-endow as funds are received.

Background: As a means of building a permanent base of support for the College's Mineral Law Center, Chancellor Gallaher and Dean Lawson wish to establish a fund to supplement state support and allow for the furtherance of the teaching, research, and public service activities of the Mineral Law Center. Inasmuch as the Dean receives a number of private gifts for the College that are designated for general use, he is asking that he be permitted to direct, at his discretion, certain of these gifts into a fund for the Mineral Law Center as quasi-endowed monies. This would be in addition to those gifts received and designated for this purpose. The fund would not exceed \$500,000, and annual income from the quasi-endowment would be budgeted to support this program.

Members, Board of Trustees:

NAMING OF UNIVERSITY BUILDING

Recommendation: that the Board of Trustees approve the name RICHARD ERNST COOPER HALL for the academic/technical building at Somerset Community College, Somerset, Kentucky.

Background: Richard Ernst Cooper was appointed to serve on the University's Board of Trustees and served twelve years. During his first term on the Board of Trustees the Community College System was developed. Mr. Cooper served on the first Advisory Board at the Somerset Community College and later served as its Chairman. During his tenure as a Trustee, he served as a member of the Board of Directors of the UK Research Foundation and as a member of the Executive Committee. He has been a member of the UK Development Council since its inception and now serves on its Board of Directors. He is presently a member of the Council of the Art Museum of the University of Kentucky and recently was appointed to serve on the Health Care Access Committee at the Chandler Medical Center. Because of his continuing commitment to Somerset Community College and the University of Kentucky, it is only fitting that the academic/technical building be named the RICHARD ERNST COOPER HALL.

In accordance with University policy on naming buildings, the Committee for Naming University Buildings has made its recommendation to the Chancellor of the Community College System who recommends to the President and Board of Trustees that this building be named the RICHARD ERNST COOPER HALL.

Members, Board of Trustees:

NAMING OF UNIVERSITY BUILDING

Recommendation:

(a) that the Board of Trustees approve the name of the equine research building for Maxwell H. Gluck.

(b) Further, that the Board of Trustees give formal approval to the naming of the center--the MAXWELL H. GLUCK EQUINE RESEARCH CENTER.

Background: In accordance with AR II-1.1-6, the Committee for Naming University Buildings has approved and recommends to the President and the Board of Trustees that the building which will be erected to house the Equine Research Center and which will be occupied by the Department of Veterinary Science be named the MAXWELL H. GLUCK building.

It is further recommended that the Board of Trustees give formal approval to the naming of the center: the MAXWELL H. GLUCK EQUINE RESEARCH CENTER.

On October 15, 1983, Mr. Maxwell H. Gluck, owner of Elmendorf Farm, donated \$3 million for the construction of a building to house the equine research program. The gift was contingent upon the thoroughbred horse industry and the state each matching his gift. These funds have been raised and planning for the building is in progress. The building when completed will permit the conduction of a state-of-the-art research program on equine disease which is unequalled anywhere in the world.

Background: The University of Kentucky Woman's Club requests that they be able to transfer funds from their loan account to their scholarship account in order to provide scholarships for deserving individuals. Present levels of available funds are insufficient to meet scholarship objectives while the loan fund has available funds to accomplish Club goals.

Background: The present rates are not sufficient to meet the higher operating costs and financial demands of the Housing and Dining System. The proposed adjustments result primarily from increased food and utility costs. These rates cover debt service, all operating costs and funds for replacement of furniture and equipment. The one meal per day plan will not be offered to students living in Undergraduate Residence Halls. The five day meal plans are for Monday through Friday only. The three meals, seven days plans are for three meals Monday through Friday and two meals on Saturday and Sunday. The increases in the apartment rates are attributable primarily to natural gas increases, since these units do not operate off the central heating system, and must be financially self supporting.
