Nov 20.

Dear Victor.

Thanks for all your cards
from Europe, especially the ones
from Venice which I have on the
wall beside me. When will I
see you + Carolyn again?
Any Saturday in December will
be good - I wonder if we will
ever have decent weather
again - it has been rainy +
foggy for days. Let us know
which Saturday is suitable for
you + I will expect you 11.15
Eastern Standard time - All bloody
as ever - inkt Tom
