My dear General Williams:-

It has occurred to me that our mutual friend, Major Gordon, has done almost as much as anyone in the state to forward the work of the American Legion and it seems to me that his election as State Commander of the Legion would be a most fitting thing in every way. What do you think of this? If it meets with your approval, I trust that nothing will prevent your attendance at the State Convention in Louisville on September 3rd and 4th when we can all put our shoulders to the wheel and see if the desired result cannot be obtained.

I hope you are well and that peace time pursuits are still to your liking. With kindest regards and best wishes, I am,

Very sincerely,

F. D. Rash
