My Dear Puds.

Well Babe how goes it. This is sure a big place, and like it better than I did when I first landed. Everything closed up tight here on Sunday. So I turned in last night about 8³⁰ Can you imagine me doing that. Put in a good day & day and all is in readiness for the opening. The other man in the Ticket Room besides ~~Curran~~ + I is a fine fellow and we got along fine today. No machines here - only men that sell tickets and forty of them. Hope you all are all OK and that you have found a house or another place to live in by now. Don't go over the river to often. Had a fine dinner today over at one of the Stables but say, Roast Beef, Potatoes, Peas, Tomatoes, Coffee & Bread Butter and Cake & sauce all for 50¢, and what's more you could eat all you wanted too. Can't you send me the old blue sweater, to work in, as it is pretty cool in the ticket room, one of the fellows today had on 2 pair of pants. Well goodnight with lots of love kisses to my precious Shirley Yours
