My Dearest Muds.

Well you see I am back in the big town. We came here at the Crillon for the present until I find out what I am going to do. We got in at 7:15 and I have been in bed all day - was so tired when I got through last night and had to fly to catch the train - It was 9 o'clock before I left the track - We had fine day and everything wound up all O.K. as far as I know. Have not seen any one here yet. The boys don't know where I am and I am not going to tell them for they will call me up all the time - Either for money or about Lee Cole Fields. Lillian's cold is still hanging on - I feel pretty good now that I have had my rest to day - Will go out to Arlington in the morning - Hope I get to work - Will write you here until I still in every year otherwise
