He outlined the work to be done by Washington State University and by the Agricultural Experiment Station at the University of Kentucky. F. Agreement between Lexington Water Company and the University.

Mr. Peterson stated that the Director of the Agricultural Experiment Station and his staff had for some time wanted city water brought to the "South Farm", now used practically entirely for horticultural work. He related that several meetings had been held with the officers of the Lexington Water Company and research people in the Agricultural Experiment Station. He related that the contract being presented would provide for a 12" water main in the Nicholasville Pike in Fayette County, running south from the Wilson-Downing Road for a distance of 4,085 feet. He stated that, since this water main is far in excess of Experiment Station needs and since it would cost the University approximately \$20,000 to pay for a 6" line the distance required, he was recommending approval of an agreement to pay \$19,000 towards the cost of constructing a water main that would serve the Hulette farm and the care of future expansion of water requirements along the way, as well as the farm.

Members of the Executive Committee asked questions and, being advised, upon motion duly made, seconded and carried, approved the Agreement and authorized same executed.

G. Agreement between State Department of Highways and the University for Right-of-Entry.

Park property for a 4-H Camp at Dawson Springs. He related that there was some question as to whether or not the University could grant the State Highway Department a fee simple deed to a right-of-way. He further related that the property had been originally assigned by a Federal Agency to a State Agency and from a State Agency to the University of Kentucky. Washington authorities are being asked to clarify the situation. Mr. Peterson recommended that right-of-entry be given to the Department of Highways, with the understanding that an agreement had been reached as to the price of the land involved in the event the land belongs to the University.

Members being advised, upon motion duly made, seconded and carried, the right-of-entry agreement and price for the land was approved and the document was authorized executed.

H. Agreement between Department of Agriculture, Labor and Statistics and the University of Kentucky.

Mr. Peterson presented Agreement between the Department of Agriculture, Labor and Statistics and the University of Kentucky whereby the University of Kentucky agrees to perform autopsies on deceased livestock and prepare diagnostic reports, as stipulated in an Agreement, and the Board of Agriculture agrees to reimburse the University and transfer the sum of \$25,000 for services contracted for. Upon motion duly made, seconded and carried, the contract was approved and authorized executed.

J. Agreement for Food Services for the Medical Center Approved.

L. Agreement between the Department of Mental Health and the Medical Center Approved.

Mr. Peterson presented Agreement between the Department of Mental Health and the University for staff consultation services and diagnostic and evaluation services for mentally retarded children, to be furnished by the Medical Center. It was explained that the Medical Center, through its departments of Pediatrics and Psychiatry, will provide assistance to the staff of the Department of Mental Health and will provide other services stipulated in the contract, and that the Department of Mental Health will contribute to meeting the cost of assembling and maintaining in the Medical Center the resources for rendering the services listed in the contract the sum of \$12,000, and will also pay the sum of \$15,000 toward the cost of services rendered by the Medical Center.

The members being advised, upon motion duly made, seconded and carried, approved the contract and authorized same executed.

July 19, 1962

Mr. Frank D. Peterson

Dear Mr. Peterson:

We have the following accident cases which have been referred through the department heads with the recommendation that they be considered by the Executive Committee of the Board of Trustees and that the expenses involved be approved for payment. The cases are as follows:

GROUP I - GENERAL

1. Roy M. Cox, an employee of Maintenance and Operations.

Mr. Cox was injured on March 20, 1962, while moving some material at Memorial Coliseum. He suffered a broken index and second finger on right hand and was taken to Dr. David B. Stevens' office for X-ray, cast application and subsequent treatment. His hand did not heal satisfactorily, and he was admitted to St. Joseph Hospital on May 14, 1962. The following charges have been rendered.

St. Joseph Hospital, Lexington, Kentucky (balance due)	\$49.00
(Mr. Cox's insurance paid \$98.20)	
Dr. David B. Stevens, Lexington, Kentucky	\$63.00

2. Mrs. Lillian Koepke, an employee of Maintenance and Operations. Mrs. Koepke, a maid in the Administration Building, strained her back while moving large trash bag on March 7, 1962. She was taken by our Campus Police to the Good Samaritan Hospital for X-ray and emergency treatment. The following charge has been rendered by the Good Samaritan Hospital after her referral there by the University Health Service:

X-ray and emergency treatment 3/7/62	

3. Lawrence Riddle, an employee of the Agricultural Experiment Station.

He was admitted to the Owen County Memorial Hospital and was treated by Dr. O. A. Cull. These charges have been submitted:

Owen County Hospital, Owenton, Kentucky	\$25.90
Dr. O. A. Cull, Owenton, Kentucky	\$15.00

4. T.G. Perkins, an employee of the Department of Dairy Science.

Mr. Perkins was injured on February 6, 1961, while working at Coldstream Farm. He fell as he was climbing into the silo and when so doing fell across a feed cart which is used to feed the silage. When he hit the cart he landed on his left side near the lower ribs. The next day his side was hurting and it was thought best to see if any ribs were broken. He reported to the Dispensary on February 7, 1961, when X-rays and urine test were made.

Mr. Perkins' back never completely healed and on November 27, 1961, he again reported to the Health Service and was referred to Dr. G. M. Gumbert, Jr., for treatment. Bills in connection with this injury, office visits and physical therapy, have accumulated to this date as follows:

Dr. G. M. Gumbert, Lexington, Kentucky	\$76.00
Northside Pharmacy, Lexington, Kentucky	\$ 6.44
University Health Service	\$ 4.00

Dr. Gumbert has recommended a brace for Mr. Perkins. This Mr. Perkins has not yet purchased as he hesitates to incur additional debt personally.

Dr. William A. Seay, Acting Dean and Director, recommends that "we be allowed to pay the bills which have accumulated".

5. Mrs. Louise Taylor, an employee of Student Union Cafeteria.

Mrs. Taylor was injured on March 24, 1962. While carrying a pan of food to the service counter she slipped and fell, due to some salad dressing being spilled on the floor by another employee. Because of terrific pain in her back, with little feeling in her legs, she was taken to the Infirmary. Dr. Sprague examined her and had her admitted to Good Samaritan Hospital for X-rays and observation. She was released from the hospital on the following day, remaining off duty until April 2, when she returned to work. The following bill has been presented for payment:

Good Samaritan Hospital, Lexington, Kentucky	\$46.10
Room, medicine, X-ray and laboratory	

6. Charles Nichols, an employee of the Department of Animal Science.

Mr. Nichols' accident occurred on January 4, 1962, while unloading feed at Coldstream Farm. Professor Charles E. Barnhart reported to Dr. W. P. Garrigus, brief excerpt as follows: "This injury to Mr. Nichols' back was so painful that it was necessary for him to remain in bed on January 5th, and on January 6th was forced to report to Dr. Ralph J. Angelucci for treatment. This resulted in his immediate hospitalization for treatment by Dr. Angelucci and Dr. Kearns R. Thompson." Dr. Angelucci gave a written report on his condition, dated January 7, 1962.

Hospitalization and doctors' services are as follows:

Good Samaritan Hospital, Lexington, Kentucky (balance)	\$95.00
(Univ. Group Hospital Plan paid \$102.00)	
Dr. Kearns R. Thompson, Lexington, Kentucky	\$40.00
Dr. Ralph J. Angelucci, Lexington, Kentucky	\$40.00

7. Willard Harney, an employee of the Agricultural Experiment Station.

Mr. Harney was injured on April 11, 1962, while installing a conveyor at Coldstream Farm. He suffered a severe sprain to his left wrist and was taken to the University Health Service. An X-ray was taken and Dr. Noback referred him to Dr. David Stevens. The following charges have been submitted:

University Health Service	\$ 5.00
Dr. David Stevens, Lexington, Kentucky	\$35.00
Cast application and treatments	

If in order, please present for consideration by the Executive Committee of the Board of Trustees the accident cases listed. My recommendation is that approval be given to pay the respective charges made for services rendered in these cases, on the usual condition that the University assumes no responsibility in connection with these accidents and that such approval establishes no precedent.

Sincerely yours,

(Signed)

George R. Kavanaugh

Dr. Angelucci examined each account. Mr. Peterson recommended that the invoices for services rendered be paid, with the expressed understanding that the University does not admit negligence nor liability in each case and that the payment of these claims does not establish a precedent.

Upon motion duly made, seconded and carried, the claims were authorized paid with the expressed understanding that the University does not admit negligence nor liability nor does it establish a precedent in the payment of the claims.

Further, I would like to request that the annual proceeds, the cumulative proceeds, or such proceeds combined with other funds available to the University Libraries be applied to the purchase of printed or manuscript books produced before 1 January 1501, or parts of such books, or facsimiles of such books. The selections are to be made by the

Department of Special Collections of the University Libraries. In each book or part of a book bought with these funds a typed or calligraphic note on all-rag paper with these words shall be inserted: "Presented to the University of Kentucky Library in memory of Algernon Dickson Thompson (1922-1962), class of 1944, by her family".

I hope these terms will be satisfactory to the board. As director of libraries, not as donor, I would recommend acceptance.

Sincerely,

(Signed)
