My Dear Sister :-

I will answer  
your much appreciated letter  
this evening just one week  
after the date of same.

You certainly were  
a good child to attend Church  
twice, Sunday School and  
Loyal Legion last Sunday.

Couldn't you please let  
it do you enough good  
as to break you from saying  
words that border upon  
what we call swearing?
