

Minutes of the Meeting of the Board of Trustees of the University of Kentucky, May 30, 1955.

The Board of Trustees of the University met in the President's Office at 1:15 p. m. , CST, pursuant to adjournment of the meeting of May 10, 1955, with the following members present: Governor Lawrence W. Wetherby, Chairman; Guy A. Huguelet, Mrs. Paul G. Blazer, Carl Dempewolfe, Dr. Ralph J. Angelucci, M. W. Moore, Paul M. Basham, R. P. Hobson, Ben S. Adams, Thomas A. Ballantine, Harper Gatton and J. Stephen Watkins. Absent: Smith D. Broadbent and Wendell P. Butler. President H. L. Donovan and Secretary Frank D. Peterson were also present.

Governor Wetherby attended the Commencement exercises, remained for luncheon, and assembled with the Board of Trustees. He explained that, since the program was running behind time, he had a previous engagement and would appreciate being excused from the meeting. He was thanked for attending the activities of the day, and Mr. Guy A. Huguelet, Vice Chairman, took the chair.

A. Approval of Minutes.

On motion duly made, seconded and carried, the minutes of the Board of Trustees of May 10, 1955, were approved as published.

B. Correction of Minutes of April 5, 1955.

The Secretary stated that the minutes of April 5, 1955, recorded that the new men's residence hall was named in honor of President Donovan. His attention has since been called to a statement of a member of the Board of Trustees that Dr. and Mrs. Donovan had rendered outstanding services to the University and to the State. The Secretary asked permission to correct the minutes to show that the new men's residence hall was named in honor of Doctor and Mrs. Herman L. Donovan.

Members of the Board readily concurred in this correction, and on motion duly made, seconded and carried, the minutes were authorized corrected accordingly.

C. Budget Changes.

President Donovan submitted list of budget changes aggregating a total decrease in appropriation of \$3,247.58. He recommended that the changes be authorized and approved.

On motion duly made, seconded and carried, the Board concurred in the recommendation of the President.

D. Report of Committee of Fifteen.

President Donovan stated that the Committee of Fifteen had made a previous report on a recommendation for budget requests of the University of Kentucky for the ensuing biennium. He now desired to submit report of the Committee on qualifications for the President of the University, and read a letter from Thomas D. Clark, Chairman of the Committee of Fifteen, and the report, as follows:

April 7, 1955

Dr. Herman L. Donovan
President
University of Kentucky

Dear President Donovan:

I have the honor to submit to you for a transmittal to the Board of Trustees of the University of Kentucky the first report of the Committee of Fifteen. This report was adopted unanimously by the Committee, and I believe I can say it represents the thinking not only of the Committee of Fifteen and the special sub-committee which prepared the report, but a great majority of the faculty of the University.

You will observe that the committee report is in two parts. The first part discusses qualifications which a president in the future should possess. Part two petitions the Board to enlist faculty cooperation in the selection of a new president.

We hope to have ready for your use in the very near future a report on the request for the 1956-1957 budget. This material is in an advanced state of preparation. As you can well understand the request for this assistance has required considerable preparation on the part of the Committee.

I am,

Most cordially yours,

(Signed)

Thomas D. Clark, Chairman
Committee of Fifteen

Qualifications for the President of the University
of Kentucky:
A Report of the Committee of Fifteen

PART I. It is the belief of the Sub-Committee that the best interests of the University of Kentucky will be served if the President is chosen with regard to the following qualifications:

1. He should be chosen for his capacities and merits. In so far as is humanly possible, he should be superior to factionalism and independent of social and political groups and interests, and thus capable of independent and impartial judgments.
2. He should have broad learning and understanding in the basic fields of the arts, sciences, languages, and philosophy. He should also be a recognized scholar in his own field, preferably a man who has made noteworthy contributions to learning through research, and one who holds the Ph. D. degree.
3. As the head of the University, he should be especially adept at leading the faculty and eliciting their good will and cooperation in the management of the affairs of the institution, thus coordinating, developing, and giving direction to its various branches.
4. He should be a man of moral courage and integrity, free from prejudice, able to make independent judgments and willing to defend the right against expediency or popular opinion. He should be a capable defender of the freedom of teaching and research.
5. He should be a man of mature years, preferably between 40 and 55 years of age, of wide experience, and of good health. He should be chosen without regard to place of birth or present residence.
6. He should be a personable and tactful gentleman, an effective speaker who will be able to represent the University with grace before the public, with conviction before governmental bodies, and with distinction before scholars and representatives of other universities, both American and foreign.
7. He should be able to explain with clarity and enthusiasm the work of the University, its scholarship and services, to the people and the governing bodies of the state, and thus elicit their continued, increasing, and enthusiastic support.

PART II The Committee of Fifteen recommends to the Board of Trustees that it ask the elected University Faculty to elect a committee of five members to work with the Board in the selection of a new president in time to have at least a year for the making of recommendations.

Members of the Board heard the report read, and upon motion duly made, seconded and carried, ordered the communication received and made of record in these minutes.

E. Agreement between the University and the American Cyanamid Company.

President Donovan submitted agreement between the University and the American Cyanamid Company for research studies relating to the effect of feeding high levels of Chlortetracycline to growing-fattening pigs. The study shall be made over a period of one year from March 1, 1955. Reports shall be prepared and submitted to the American Cyanamid Company at such times as may be mutually agreed upon. The American Cyanamid Company agrees to support the study in the sum of \$1,500.00.

The President stated that the Vice President, Business Administration, and Dean Welch recommended that the agreement be approved and authorized executed, and upon motion duly made, seconded and carried, the agreement was approved and authorized executed.

F. Parking Policies Approved.

President Donovan reported that he had appointed a committee of representatives from the faculty, administration, maintenance and student body to make a study of parking and traffic control problems on the University campus. He stated that the situation had become critical because of the number of student disciplinary problems which involved motor vehicles, and the increase in the number of students and faculty who operate motor vehicles. He recalled that the Board had previously approved establishing four additional parking lots on and around the campus. These lots will take care of an additional six or seven hundred cars. He requested permission to read a report of the committee giving reasons necessitating revision of parking and traffic control regulations, and the new policies recommended. The following report was read in its entirety:

Reasons Necessitating Revision of Parking and Traffic
Control Regulations at the University of Kentucky

The need for revision and implementation of the regulations governing parking and traffic control on the University of Kentucky campus has become critical because of the increase in the number of students and faculty who operate motor vehicles. During the past several months, a University committee on parking and traffic

control, formed of representatives from the faculty, the administration, maintenance, and the student body, has been working diligently to study the total parking problem and to make recommendations to improve the situation.

The information gathered by the committee pointed up several pertinent data which served as reference points in the revision of the regulations. The committee's recommendations stress the need to attack two fundamental problem areas.

I. Student Operation of Motor Vehicles

- A. It has been estimated that during a given school year more than one-third of the student body will be operating motor vehicles at the University. This means that we must contend with approximately 2,000 student automobiles, of which only a small percentage have been registered in the office of the Dean of Men as required.
- B. A survey of student violations of campus parking rules shows that during the past school year 1555 parking violation citations were issued to students. With our small police force, it is obvious that this figure does not represent the total number of such violations because it has been impossible to police the campus continuously during the restricted hours.
- C. An analysis of student disciplinary records reveals that in more than 90% of cases of serious misconduct a motor vehicle was the most important contributing factor to student delinquency. Additionally, more than 80% of disciplinary cases involving a motor vehicle occurred among students registered at the University as freshmen and sophomores. These facts give support to the premise that the younger students are not ready to accept the responsibilities of serious college study, when they find it essential to operate a motor vehicle at the University.
- D. A general survey of students on academic probation indicates that, while roughly one-third of all University students operate motor vehicles at some time, approximately 55% of the students on academic probation have had automobiles at their disposal. As in the case of disciplinary problems, we find that the majority of students on academic probation are registered as freshmen and sophomores. This points up further that the University should take responsibility in assisting students of the first two classes to give primary attention to academic study, through limiting unnecessary facilities which may mitigate against their meeting the standards of the University.
- E. Regulations governing student operation of motor vehicles are predicated upon the basic factor of the relation between the student having an automobile and his achieving academic

success. In no wise are the regulations urged merely to alleviate parking and traffic congestion upon the campus.

II Parking and Traffic Control

- A. During the past nine months there have been issued 1555 citations for parking violations to students, 492 to faculty and staff, and 2563 to non-University drivers, for a grand total of 4610. Without elaboration one can readily see why this total would create hardship and discontent among those legally entitled to parking privilege and why University operations might suffer as a result.
- B. The basic resolutions to these problems lie in the University having the power to decide who shall have parking privileges in its environs, and in having the prerogative of establishing controls which will prevent unauthorized vehicles from entering the campus. Aside from the regulations governing students, the other policies requested have as their primary objectives achievement of the above two factors.

In establishing these policies, it is the principal purpose of the University to fulfill its basic responsibility of providing a well-balanced environment with controls which will best serve the student in achieving his main objective of academic study. Further, it is the responsibility of the University to make it possible for faculty and staff to be at their appointed tasks during the hours in which they are required to perform their duties. The University recognizes that many students would undergo hardships which would delimit their educational opportunities, if they were unable to possess and operate motor vehicles while attending the University. Regulations as set forth in these recommendations have been carefully thought through by the Committee on Parking and Traffic Control and it is firmly believed that as such they will provide the most effective solution to these problems with respect to the welfare of all concerned.

Policies Governing Parking and Traffic Control at the University of Kentucky

I Student Operation of Motor Vehicles

- A. Effective June 6, 1955, all students who are registered as freshmen at the University, regardless of the number of years they have attended college, will be forbidden to possess and/or operate motor vehicles at the University.
- B. Effective September 1, 1956, all students who are registered as sophomores at the University, regardless of the number of years they have attended college, will be forbidden to possess and/or operate motor vehicles at the University.

- C. Effective June 6, 1955, all students on academic probation or disciplinary probation, regardless of their classification, are forbidden to possess and/or operate motor vehicles at the University.
- D. Exceptions to these regulations will be granted only with special permission of the Dean of Men and the S. G. A. Judiciary Committee in order to avoid hardship based upon physical handicap, need to commute, use of car for essential work, and other proven need.

II Registration of Students' Motor Vehicles

- A. Effective June 6, 1955, no student may operate a motor vehicle at the University until he has registered it as required below and has met the conditions prescribed.
 - 1. All student cars must be registered in the Office of the Dean of Men during the official registration period at the beginning of each term or, if brought to the University during the term, the vehicle shall be registered immediately.
 - 2. A student desiring to register a car must present a valid operator's license, and must show that when he is driving the vehicle he is insured against public liability in an amount not less than \$10,000.00 and against property damage in an amount not less than \$5,000.00.
 - 3. If the student is an undergraduate, the application must be accompanied by the written consent of his parent or guardian, regardless of the age of the student or the ownership of the vehicle. Exceptions may be made only by the Dean of Men.

III. Driving and Parking Regulations for Students

- A. No student may drive his motor vehicle on the University campus between the hours of 8:00 - 5:30, Monday through Friday, and 8:00 - 12:30, Saturday, unless he has written permission of the Dean of Men.
- B. No student may park his motor vehicle on the University campus unless he has an official parking permit. Those having permits may use University drives and parking areas only as authorized by the permits.
- C. A decal-type sticker evidencing registration will be issued to the registrant and will be affixed to the vehicle as prescribed by the Dean of Men.
- D. A special parking sticker will be issued to each registrant granted campus parking privilege. This sticker will designate the assigned parking area and will be affixed to the vehicle as prescribed by the Dean of Men.

- E. A charge of \$5.00 per term shall be made for each parking permit issued. A charge of \$0.50 per term will be made for each vehicle registration unless the Dean of Men determines that such charge is not necessary.

IV Violations by Students

- A. Any student violating Section I of these regulations shall be disciplined, shall be ordered to send the vehicle home, and shall be warned in writing that a second violation will subject him to immediate dismissal from the University. A copy of this warning shall be sent to the parent or guardian of the student concerned.
- B. Any eligible student possessing and/or operating a motor vehicle at the University who fails to register his vehicle as set out in these regulations shall be disciplined and shall be required to register his vehicle immediately or sent it home. He shall be warned in writing that continued failure to register his vehicle will make him subject to dismissal from the University. A copy of this warning shall be sent to his parent or guardian.
- C. Any student who violates the driving and parking rules as provided in these regulations shall be given a warning and may be denied the privilege of operating his vehicle at the University for a period of time. In addition the Dean of Men and the S. G. A. Judiciary Committee are authorized to charge the violator \$2.00 for the first parking or driving offense and \$5.00 for the second offense. The Dean of Men is authorized to require any student who incurs three inexcusable violations to appear before the S. G. A. Judiciary Committee and show cause why his privilege of registering and operating a motor vehicle at the University should not be revoked.

V Faculty Parking Regulations

- A. Full-time faculty and staff members shall be issued a decal sticker for parking privilege in a specific parking area of the campus.
- B. The sticker shall be affixed to the vehicle as prescribed by the Dean of Men.
- C. Faculty and staff members who consistently violate parking regulations will have such violations referred to their Chief Administrative Officers for appropriate action.

VI General Policies on Parking and Traffic Control

- A. Parking areas on the campus other than the large parking lots shall be restricted areas for faculty and staff and students who have serious physical handicaps.

- B. Only students who have parking permits for the regular campus areas shall be permitted to drive upon the campus, and shall restrict their driving to the areas necessary to entering and leaving the assigned parking area.
- C. Students who are hardship cases shall be given first priority for permits in the University parking lots. If spaces remain available, other students may be given parking privileges.
- D. Whenever arrangements can be made, police will be assigned duties at the entrances to the main campus to prohibit unauthorized vehicles from entering the campus. The majority of violations could be prevented if unauthorized cars are not permitted to enter the campus.
- E. The number of parking spaces for visitors will be increased and more careful supervision will be made to see that such areas are restricted for visitors' use. Visitors shall be limited to the visitors' areas and shall not be permitted to park in the regular parking spaces.

Members of the Board discussed at length the problem relating to student disciplinary cases, parking and traffic control conditions. They were definitely of the opinion that an undergraduate student should have the written consent of parent or guardian, regardless of the age of the student or the ownership of the vehicle before permission is given a student to register and operate a vehicle while in attendance at the University.

Members of the Board being advised, upon motion duly made, seconded and carried, the report of the Committee was received and the parking policies recommended were approved and authorized put into effect September 1, 1955. The report and policy statement were authorized put into the minutes.

G. Report on Progress of Building Cooperstown Apartments.

President Donovan stated that the contract for the construction of Cooperstown Apartments had been recommended and accepted, and the sale of the \$2,800,000.00 bond issue had been consummated, with the exception of delivering the bonds. He stated that the University had received very favorable bids on the sale of the bonds and, to his knowledge, this was the first bond issue which had been sold by an agency of the State Government for the practical total cost of housing units to be paid off over a period of forty years. All other forty-year bond issues had been underwritten by an agency of the Federal Government. The University in this bond issue did not seek assistance from the Federal Government and has been successful in marketing 40-year bonds at an average interest rate of 3.192 which was less than money could be secured from the Federal Government under the Federal Housing and College Facility program. He stated that the pre-fab houses on the Cooperstown site had been sold and the Contractor was ready to begin excavation of part of the site.

Upon motion duly made, seconded and carried, the report was ordered received.

H. Budgets of the Experiment Station and Agricultural Extension Division Approved.

President Donovan stated that the Agricultural Experiment Station and the Agricultural Extension Division budgets were not submitted to the Board for approval at the time the general University budget for the Division of Colleges was submitted. Congress had not at that time appropriated Federal funds for Agricultural Experiment Station and Agricultural Extension work throughout the United States. The Director of the Experiment Station did not know how much money would be received from Federal sources. The budgets for these divisions were delayed awaiting receipt of information necessary for making the budgets. He submitted to each member of the Board of Trustees a complete copy of the Agricultural Experiment Station and Agricultural Extension budgets for the year 1955-56. He called attention to the summary of departmental appropriations for funds State, Federal, Revolving and Restricted, and the total of all funds. Agricultural Experiment Station funds aggregated \$1,860,253.99, of which \$584,600.00 represented State Appropriation funds. The same information was given for Agricultural Extension Division. Funds aggregated \$2,733,493.94, of which \$675,350.00 represented State Appropriation funds. The total appropriations for Experiment Station and Extension work amounted to \$4,593,747.93.

Members of the Board examined in some detail budget appropriations for departments, and upon motion duly made, seconded and carried, the budgets were authorized accepted as a basis of minimum expenditures for the year 1955-56. The inclusion of the name of any person in the budget is not to be considered as a contract of employment and the Board of Trustees or the Executive Committee shall be authorized to make such changes in the budget as may from time to time be deemed necessary.

I. Agreement with F. O. A.

President Donovan read the following letter from Dean Welch concerning training program and extension field work in connection with the Foreign Office Administration.

May 26, 1955

President H. L. Donovan
University of Kentucky

Dear President Donovan:

FOA has recently made contact with us with reference to

providing a training program and extension field experience opportunities for 26 participants from nine foreign countries, August 27 through November 25.

We believe that the selection of the University of Kentucky for this important position is a compliment to our program of activities and we are agreeable to accepting the challenging responsibilities associated with this request.

FOA will reimburse us at the rate of \$3.50 per participant per day, which will mean a contribution of a little more than \$8,000. FOA will also provide \$6.50 per participant for teaching materials and supplies and will take care of all expenses involved in transportation associated with providing field observation and experience in connection with our Extension program.

The University is not expected to provide either living quarters or meals during this training period. We will arrange for this with private services here in Lexington.

I should like to recommend your approval of our assuming this responsibility, which program of activities will be covered in a general memorandum of understanding.

If approval is given, I should like to further request that a special account be set up to receive these funds and that whatever is not used in connection with the operation of this program we use to strengthen our general Extension training program for our own personnel.

Sincerely yours,

(Signed) Frank J. Welch
Dean and Director

President Donovan recommended that the agreement be authorized.

Upon motion duly made, seconded and carried, the agreement with the Foreign Office Administration as outlined in Dean Frank J. Welch's communication was ordered approved and authorized executed.

J. Gifts.

From: Mr. Herschel Weil, Lexington,
Ky., -- \$325.00.

President Donovan reported receipt of check for \$325.00 from Mr. Herschel Weil, given in support of the Experiment Station's project for the regional sheep breeding project S-29. He said that this sum of money would defray the cost of feeding 25 Southdown rams, and recommended that it be accepted.

Upon motion duly made, seconded and carried, the sum of \$325.00 was ordered accepted, and the President was requested to thank Mr. Weil for his generosity.

From: Kentucky Press Association --
\$5,000.00.

President Donovan reported that the Executive Committee of the Kentucky Press Association had authorized a grant of \$5,000.00 to the University of Kentucky, to finance the Historical Records Project, under which historical manuscripts are being collected for the University Library. He recommended that the grant be accepted.

Upon motion duly made, seconded and carried, the sum of \$5,000.00 from the Kentucky Press Association was ordered accepted, and the President was requested to thank the donors for their very valuable gift.

From: The International Nickel Company,
Inc., New York -- \$2,050.00.

President Donovan presented check for \$2,050.00 from The International Nickel Company, Inc., to cover the Company's Inco Fellowship for the academic year 1955-56. He explained that this gift covers a stipend of \$1,500.00 plus \$250.00 tuition for the Inco fellow, and \$300.00 for the Department of Metallurgy. He recommended that it be accepted.

Upon motion duly made, seconded and carried, the gift of \$2,050.00 from The International Nickel Company, Inc., New York was ordered accepted, and President Donovan was requested to express to the Company the appreciation of the Board of Trustees and the University.

From: Grocers Baking Company, Inc.,
Lexington, Ky. -- \$800.00.

President Donovan reported that the University had received \$800.00 from the Grocers Baking Company, Inc., of Lexington, Ky., to be used in connection with the College Business Management Institute without restriction. He stated that this gift will prove to be an outstanding contribution to the success of the Institute, and recommended that it be accepted.

Upon motion duly made, seconded and carried, the gift of \$800.00 from the Grocers Baking Company, Inc., of Lexington, Ky., was ordered accepted, and the President was requested to thank the donors for a very fine gift.

From: Kentucky Rehabilitation Center,
Inc. , -- \$2,000.00.

President Donovan reported receipt of \$2,000.00 from the Kentucky Rehabilitation Center, Inc. , and stated that this is a payment on the Center's pledge of \$8,000.00 to be spaced over the period of one year, beginning July, 1955. He recommended that it be accepted.

Upon motion duly made, seconded and carried, the sum of \$2,000.00 was ordered accepted, and the President was requested to thank the donors.

From: Armco Foundation, Middletown,
Ohio -- \$1,000.00.

The President presented check from Armco Foundation, Middletown, Ohio, given in support of two scholarships in the field of metallurgy. He stated that this is the second renewal from the Armco Foundation to this fund and recommended that it be accepted.

Upon motion duly made, seconded and carried, the gift of \$1,000.00 from Armco Foundation was ordered accepted, and the President was requested to write a letter of appreciation to officials of the Foundation.

From: Kentucky Concrete Pipe Company.
Frankfort, Ky. -- \$520.00

President Donovan presented check for \$520.00 from the Kentucky Concrete Pipe Company, and stated that this is a contribution to the scholarship fund of the College of Engineering. He recommended that it be accepted.

Upon motion duly made, seconded and carried, the gift of \$520.00 from the Kentucky Concrete Pipe Company was ordered accepted, and the President was requested to thank the donors.

From: Watumull Foundation of Honolulu,
Honolulu, Hawaii -- \$330.00.

President Donovan presented check for \$330.00 from the Watumull Foundation of Honolulu and stated that it will be used for the purchase of books on India for the University Library. He requested that it be accepted.

Upon motion duly made, seconded and carried, the gift of \$330.00 to be used for the purchase of books on India for the University Library was ordered accepted, and the President was requested to thank the Foundation for the gift.

From: Office of Vocational Rehabilitation, Department of Health, Education and Welfare, Washington, D. C. -- \$5,146.00.

President Donovan reported that he had been advised of a grant made by the Office of Vocational Rehabilitation, Department of Health, Education and Welfare, Washington, D. C. , in the amount of \$5,146.00 to be used in defraying the expenses of a workshop on rehabilitation at the University of Kentucky. He stated that the title of the workshop will be, "Workshop on Integration of Rehabilitative Services in the State of Kentucky", and explained that plans are well under way. He recommended that the grant be accepted.

Upon motion duly made, seconded and carried, the Board concurred in the recommendation of the President.

K. President Donovan to Visit Europe.

President Donovan took occasion again to express appreciation to members of the Board of Trustees for leave of absence which they have granted. He stated the leave would make it possible for him and Mrs. Donovan to visit various cities and universities in Europe, notably Paris, Madrid, Rome and Heidelberg, and others in Switzerland, Belgium and England. He stated that they expect to do some other type of sightseeing and enjoy as much rest as possible. They will sail from New York on June 18 and return on or about August 15.

Members of the Board again expressed their delight that Dr. and Mrs. Donovan were making the trip and wished them bon voyage.

L. Candidates for Degrees.

The minutes of May 10 approved the list of candidates for degrees at the May Commencement and authorized the degree to which each is entitled conferred at the Commencement on May 30, 1955. It was also directed that the list be inserted in the minutes of the Board of Trustees at its meeting on May 30, 1955. This fact was again called to the attention of the members of the Board, and upon motion duly made, seconded and carried, the Secretary was authorized to insert in these minutes the list of candidates for degrees at the May Commencement.

 French, Warren G. , Instructor
 Grange, Martha, Secretary
 Grebstein, Sheldon, Instructor
 Halperen, Max, Instructor
 Harris, Lelia G. , Instructor
 Hazelrig, Matthew S. , Instructor
 Jones, John A. , Instructor
 Mitchell, Josephine, Secretary
 Rhodes, Ernest L. , Part-time Instructor and Technical Director
 of Guignol Theatre
 Rice, Oliver L. , Instructor
 Rosenthal, Lewis S. , Part-time Instructor
 Stacy, Paul H. , Part-time Instructor
 Steele, Mildred, Part-time Instructor
 Van Gemeren, Ellen, Graduate Assistant
 Whitehead, Guy, Instructor
 Young, Edward E. , Part-time Instructor

Geography

Patrick, Patricia L. , Secretary

Geology

Angel, Katherine, Secretary
 Campbell, Lois J. , Instructor and Curator of Paleontology
 Stokley, John A. , Instructor
 Young, Penelope K. , Assistant and Part-time Librarian

Kentucky Geological Survey

Alexander, Elizabeth C. , Secretary
 Cathey, Joseph B. , Geologist
 Earnest, Ruth, Secretary
 Floyd, Robert J. , Assistant Geologist
 Hauser, Robert E. , Assistant Geologist
 Jones, Daniel J. , State Geologist
 McGrain, Preston, Assistant State Geologist
 Nosow, Edmund, Geologist
 Potts, Roger B. , Draftsman
 Walker, Frank H. , Geologist

History

Keeton, Martha Elizabeth, Secretary

Hygiene & Public Health

Scott, Anne, Secretary

School of Journalism

Good, Mary Anne, Secretary

Library Science

Fisher, Carolyn, Secretary
Lecky, Emma Lou, Instructor

Mathematics and Astronomy

Bagley, Robert W. , Assistant Professor
Burnette, Howard W. , Part-time Instructor
Cornelison, Joseph B. , Part-time Instructor
Davis, John R. , Jr. , Graduate Assistant
Faucett, William M. , Assistant Professor
Riley, James D. , Assistant Professor
Rose, Donald C. , Part-time Instructor
Schmieder, David H. , Graduate Assistant
Sprague, Richard H. , Part-time Instructor
Stoll, Kenneth E. , Part-time Instructor
Wessell, Evelyn Cole, Secretary

Military Science & Tactics

Keene, James E. , Assistant Property Custodian

Modern Foreign Languages

Binger, Norman H. , Assistant Professor, for three years
Haselden, Jane, Assistant Professor, for three years
Johnson, James H. , Instructor
Kalb, Lorraine, Secretary
Rea, John A. , Instructor
Ubben, John H. , Assistant Professor, for three years

Music

Collins, Jackie Lutes, Secretary
Jenness, Phyllis, Instructor
Karp, Howard, Instructor
King, James A. , Instructor
Lutz, Warren, Instructor
Mills, Willie P. , Record Librarian
Montgomery, Ford, Assistant Professor
Prindl, Frank, Assistant Professor

Music (Continued)

Rabin, Marvin, Assistant Professor
 Spicer, Roberta, Secretary
 Worrel, William, Assistant Professor
 Ivey, Donald, Graduate Assistant, Summer, 1955.

Philosophy

Beard, Raynela Ruth, Part-time Secretary

Physical Education

Arnsperger, William, Lecturer
 Clay, Maurice A., Instructor
 Collier, Blanton, Lecturer
 Lewis, Lovaine, Part-time Instructor
 Kauffman, Earl, Jr., Associate Professor, on continuous tenure
 Reece, Alfred, Assistant Professor, for three years
 Reffett, Fannie, Attendant
 Rogers, Elizabeth F., Secretary
 Rupp, Adolph, Lecturer
 Ryen, Kob, Instructor
 Scully, John, Attendant
 Shively, B. A., Lecturer
 Stille, Janice, Instructor

Physics

Bennett, Chester M., Graduate Assistant
 Boring, John Wayne, Part-time Instructor
 Fast, Menno, Lecture Assistant and Storekeeper
 Halladay, Robert D., Graduate Assistant, Summer, 1955; part-time
 Instructor, September through June, 1956.
 Hood, Richard Fred, Graduate Assistant
 Ilens, Karlis, Instrument Maker
 Johnson, Thomas Everett, Jr., Part-time Instructor
 Schneider, Karl, Chief Instrument Maker
 Turner, Rosemary, Secretary

Political Science

Drennon, Herbert, Assistant Professor, for three years
 Mitchell, Mary A., Secretary
 Vanlandingham, Kenneth, Assistant Professor, for three years

Psychology

Blanton, Richard L., Assistant Professor, for three years

Psychology (Continued)

Cagle, Faye, Speech Therapist
 Chappell, Tolan, Part-time Instructor
 Kodman, Francis, Jr., Instructor
 Lee, Joan C., Secretary
 Lusk, Ruth, Secretary
 Straus, Erwin W., Lecturer
 Watson, Walter E., Lecturer

Radio Arts

Albers, Ralph H., Engineering Supervisor
 Brophy, Ruth E., Secretary
 Hallock, Stuart W., Production Supervisor
 Press, O. Leonard, Program Supervisor
 Turley, Albert, Part-time Assistant Engineer

Social Work

Gail, Irving A., Visiting Lecturer, Fall Semester, 1955
 Popeo, Constance A., Instructor 3/4 time
 Theobald, Beulah, Visiting Lecturer

Sociology

Eckel, Lois, Part-time Clerk-Stenographer
 Midkiff, Louise, Secretary

Zoology

Barbour, Roger W., Assistant Professor, for three years
 Edney, James M., Assistant Professor
 Marsh, Mary, Part-time Secretary

Office of the Dean

Long, Willena D., Assistant Secretary
 Miller, Annelle, Secretary
 Schenck, Thelma D., Clerk-Stenographer

Re -appointments

Dr. Holman Hamilton, Assistant Professor of History, for ten months, effective September 1, 1955.

Dr. Ernst Jokl, Professor of Physical Education and Director of Rehabilitation, for twelve months, effective July 1, 1955.

Appointments

R. D. Halladay, Part-time Instructor, Physics Department, for ten months, effective September 1, 1955.

George A. Carbone, Visiting Professor, History Department, for two months, effective July 1, 1955.
