Granton Saturday

My dear Cupples,

One line to say
pray if possible so arrange matters
that yr "call" tomorrow shall
not be only a call.

We dine at six - couldn't
you manage to come to us
then - or some time before
then - & stay for a chat

in the evening? I hope
to . My Invalidee writes
in this hope with you heartily
Sydney Dobb.

I had no other than
C. write so well.
