Dear Parish

Thanks for yours of the 5¹⁵. It
was ever so kind of you to send
those records to my friend; you may
be sure they will be hugely appreciated!
He was transferred to a new district
just as I was leaving, but the things
are certain to reach him all the
same - only with a little delay.

When are you coming here again?

Don't put it off too long!

Yours ever

Norman Douglas
