

Dear Sir;

I have today rec^d the summons. Since they were deliv^d
my son informs me has a bill against you for some of the
freights amounting to \$24. The price of the summons is \$15.
Will it be agreeable to you to turn this sum to that ac-
count? Let me hear as early as may be, as I told your
agent I would keep for these when he should call.

Respectfully yours
Theodore Dwight
