

COLUMBIA COLLEGE LAW SCHOOL,
EAST 49TH STREET, BETWEEN MADISON AND FOURTH AVES.

NEW YORK, Oct. 15. 1885

Walter N. De Graaf, Esq.
Dear Sir

Referring to yours of the
15th and the enclosure accompany-
ing it, I can not perceive, that
it will be for the interest of
my property to aid in the con-
struction of the retaining wall
of which you made mention.

At any rate I shall most
cheerfully comply with your
request to take no action
in the matter, except at such
time of the year, as shall

be most convenient to your
self.

You are entirely at liberty
to show this letter or communicate
its contents to my neighbor
Mr. J. W. Johnston.

I return you herewith
the enclosures, which you were
kind enough to send me.

Yours very truly
Theodore W. Dwight
