J. Cofton Esqre

My dear Sir,

I've iten Crispin -
I have just parted with
Lockhart! He is vastly
well disposed to our Club
and promises every assistance.

He has taken a Prospectus
with him to Murray who he
thinks a most desirable
Cooperator. -

If you breakfast with

29
are in the Morning you will
not likely see him as he
is coming to look at a
house in Sugar Place.
