

7. Fitzroy Sept

3. June 1886

Dear Mr. Monkhouse

I was much grati:  
fied by your kind note,  
& trust that whenever you  
have leisure to pay me a  
visit, that you will find me  
at home - but I dine out  
now occasionally after 5 o'clock.

No subject can more truly  
interest me.

Yours very truly

Elizabeth Lake
