Boston 10<sup>th</sup> August 1832.

Dear Sir,

Your letter of the 5<sup>th</sup> reached me on Saturday. I have no autograph of Kossuth, but I enclose you that of his friend & companion Mr Pulozky. I also send you a few envelopes mostly from European sources, which may possibly be of some interest to you. The names of the writers are generally indicated on the seal side of the envelope.

Respectfully Yours

Edward Everett

Mr Charles Wayne Langer.
