LAMBETH PALACE,
S. E.

Jul. 12

My dear Bishop,
I write this time
only to thank you
for your kind letter,
& to say what
a very real pleasure
it was to Mrs. Farrar
& me to see you -

Though only for so
short a time in
our home.

The Bishop of Winchester
gave us a first rate
sermon in the
morning. You will, I
hope, be able to
read it in the

Guardian. The Rev. Mr
Workefeld also
preached excellently
in the evening.

I am always, with
a sense of deepest
gratitude to you for
all that you have
taught me,

yours affectionately

W. Barran
