

My dear Mr. North:

Thank you for your  
kind note. I may wish  
to buy the Irving at  
12.50 if no better op-  
portunity presents itself  
but I will <sup>not</sup> do so as a  
present. Thank you for  
the suggestion of the  
New York Guide, also.

I believe the margin of  
the illustrated "Yesterday"  
is a trifle larger than

the other but 2 per  
there is not much  
difference.

Believe me

Very truly
