Mrs M. P. Dennis

Dear Madam.

If you will look
at Vol. 20 of the Atlantic Monthly
which you will of course find
in one of your City Libraries you
will see the original publication
of the Blue and the Gray preceded
by a note indicating its origin &
occasion.

It has brought such
demands upon me that in self-defense
I have been obliged to have the mss.
lithographed. I enclose a copy.

Resp'y Yours

J. M. Finch
