

46 Marlborough Hill  
St. John's Wood  
26 Jan. 1888 N.W.

Dear Sir,

Although I cannot undertake any active part in the movement about which you have written to me, I am naturally in sympathy with its objects. Therefore, the addition of one's name to the General Committee be, as I imagine, merely an expression of opinion. I cannot be other than glad that you should use it for what it is worth.

I am very faithfully yours

Abdutton Forman

L. C. Alexander Esq. L.D.
