Dear Mr North

two best books on Africa. partic-  
-ularly the one about hunting the  
Zonilla; Have you them? and  
if so what is the price? Will  
you kindly let me know:

Yours sincerely  
A. J. North.

P. S. There is also another book I want  
to read very much. I saw it noticed  
in the papers recently as a new  
book. ~~It~~ but I can not find the  
notice or remember the title. but  
is a description of the extinct  
animals. The pre-historic chaps  
the size of the Post Office and  
further: with illustrations:

from this vague description I know  
you will say the title over in your  
mind at once; and so put your  
hand right down on the book:  
I know your name;
