THE MOLT,
SALCOMBE.

October 3. 1880

Dear Sir

Being absent from home I
fear I cannot send you any
likeness of myself - I have
none with me. Elliott & Fry
have plates and I suppose
can supply what you want if
you write to them - But I
attach so little importance either
to my writings or to the authors
of them that I can hardly

THE MOUNT
SALCOMBE

Recommend you to take the trouble.

Believe me
Your faithful servant
