

Gregories' Beaconsfield

Feb 19 1940

Dear Mr Hoppe

Forgive usual week-end delay  
of this. And a week's more because the  
doctors had sent off my wife to Worthing.  
On her return I shall write again.  
The pictures seem to me a striking  
set. But never do I know myself  
how one looks; and never feel quite  
my own self when being "shot"  
even by an artist like you.  
The doggie's pictures take me  
much - his head lovely in the  
red chain

Yours sincerely  
J. Brown
