Shackleford,
Surrey.

Oct 3.

Dear Sir

having been for some
2 Mo. I am afraid I
cannot get up to town
before next Wednesday
but if you could
be so kind to write me
at the R. A. C.
this week afternoon I
should be very glad.

I have wonderful
kind regards to
have a talk with
me about Miss

Shirley's proposal to
produce a film on the
Russell case. I have
already written to
her telling her that
I do not wish to make
further use of my
name ~~in~~ in any
connection whatever.

Faithfully yours

Philip Gibbs
