My dear R. W.

We have been tomorrow  
for Jackson (Dutton) then to  
the farm - Monday -  
when I will be a few  
days before leaving for  
N. Y. - See my letter  
to C. F. C. please.

I can't tell yet

Whether my book will make  
that article. Whether he  
does or not - I am sure I  
don't feel like inviting  
H. B. to do it. We  
have done him an unesti-  
mable service - (by chance)

a calculator makes  
a person the person

letter to hand, I feel

I have just been  
but G. C. will get do  
it. We could put him  
in one number of  
the article on the  
the side in a  
succeed - or with  
the R.R. articles.

Faithfully  
C. P. Phelps
