

OVEREDGE
NORTH-EAST HARBOR,
MAINE.

July 6

Dear Mr Dods:

Replying to your note of July 2, I enclose some suggestions, - I can not call them recommendations, - in regard to special topics for special contributors. I can make more if desired! I do not understand that you want me to do more than suggest.

You probably have at command some notes that I gave you at the Univ. Club.

Yours sincerely,

D. C. Gilman
