

SIDGWICK HALL,  
NEWNHAM COLLEGE,  
CAMBRIDGE.

May 27-1892-

Dear Sir Baldwin

I shall be very glad to show you & your party over the College - & I hope you will either come to luncheon (if you do not mind a very simple one), or to tea.

I hope your party will have other friends to see in Cambridge, or I am afraid Newnham will not be amusing enough to repay coming so far. I would gladly do my best to show them about, only I fear I cannot give up any large

part of ~~the~~ a day, as it is a very  
busy part of the term for me.

Whit<sup>sun</sup> eve I could not manage, it  
is too full - but I think I could arrange  
any day next week except Saturday,  
or any of the first four <sup>week</sup> days of  
Whit-week. I should be glad to  
know which day you choose as  
much beforehand as possible, so that  
I may keep myself as free as I can.

Yours sincerely

Helen Padstone
