Dear Madam,

I am much obliged for Mr. Wood's address, & I hope to avail myself of his stock of wild plants. –
I have not the Snowflake; I have long been intending to get it. I fancy Mr. Ware has it; I have his catalogue at home. –
I am much obliged for your hint as to P. corallina, & for your sympathy generally with my efforts to form a 'wild garden'. –

Very truly yrs.,

Charles W. Greenwood
