Dear W. Westcott,

Do you propose to
reply to the scurrilous and ridiculous
attacks of the Quarterly? If so I
should be very proud to offer you
my Magazine as the channel for
your answer - I would remember that
reading anything in worse taste than
these two articles and there are
thousands who would delight to see
them answered in the tone & temper
as well as with the perfect reversal
that your answer - if you give one -
would be sure to exhibit

Yours very truly

J. Grove.
